

TRIAD PARENT AND FAMILY ENGAGEMENT

Triad provides Parent and Family Engagement materials and trainings designed to provide assistance to parents and families in understanding challenging State academic standards, State and local academic assessments, how to monitor a child's progress, and how to work with educators to improve achievement of their children at convenient, flexible times such as mornings and evenings as well as at home/ attendance zone visits to fulfill the school's mission and support the needs of students. Additionally, technology including social media and virtual meeting programs (Zoom, Teams, etc.) promote participation and awareness through live and recorded sessions to accommodate varying schedules. In addition, the district and school website contain links, resources, and materials, such as parent guides, study guides, practice assessments, student performance materials, and training to help parents and families work with their children to improve achievement.

The full text and summary of this schoolwide Improvement Plan maybe found online or as a hard copy by request. The summary is in English and Spanish

Parents and families are regularly invited to attend Triad School Advisory to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children. Triad responds to any and such suggestions as soon as practicably possible as evidence by meeting minutes and notes. If this is schoolwide plan is not satisfactory to parents/families are encouraged to submit such comments in writing so that the school can document and submit any parents' comments.

Furthermore, a Title 1 Annual Meeting is scheduled for parents and families at a convenient time on November 23, 2020 at 7:00 pm. All parents are invited and encouraged to attend through timely notice in English and Spanish. The purpose of the Title 1 Annual meeting is to describe the schools' participation in the Title 1, Part A program and the rights of families to be involved. During the Title 1 Annual Meeting, information related to curriculum, the States challenging academic standards, local and state assessments, achievement levels, how to monitor progress, and parents rights to know will also be provided.
