Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The Nassau County School District will take the following actions to involve parents in the joint development of its district-wide parental involvement plan and LEA plan:

1. Invite the parents of each Title I student to attend and participate in various Parent Involvement District School Advisory Council meetings, as well as their child's school-based School Advisory Council. Any parent who chooses to attend will be considered a member of the group. The voting members of the District School Advisory Council, as well as each school's advisory council, are elected by their peers at the first meeting of each calendar year. These groups are responsible for the development, implementation and evaluation of the LEA Parent Involvement Plan.
2. Ensure all Title I principals place the Title I Parent Involvement Plan on the October school advisory council agenda for parental review. School Advisory Council members are elected in accordance with each individual school's SAC by-laws, but the SAC meeting is open to all parents.
3. Provide online and hard copies of the Title I Parent Involvement Plan by September 30, 2013.
4. Provide opportunities for personal meetings with parents throughout the year.
5. Create surveys for parents that are available in multiple formats (online and hard copy)
6. Ensure that the local school conducts a parent orientation within the first four weeks of school.
7. Have the LEA's Title I Project Manager participate in the Open House/Annual Title I meeting that is held by the schools in each geographical community during the first month of school.
8. Require the schools to provide on-going Title I information in all school communication forums.

To involve parents in the process of school review and school improvement and in determining how parental involvement allocation will be spent, the Nassau County School District will:

1. Utilize the information gleaned from the annual survey to revise/update school improvement plan strategies.
2. Identify barriers that prevent parents from becoming involved. This identification will be made by careful perusal of local SAC participation (minutes, monthly discussions with principals, District SAC meetings)
3. Involve parents in identifying solutions to barriers.
4. Ensure the District Advisory Council focuses upon desired issues.
5. Communicate the results of the evaluation to parents within the last month of school.

6. Share district and school evaluation results with every school within the last month of school in order to build capacity.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The Nassau County School District will provide the following necessary coordination, technical assistance, and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance:

1. Each school will develop and conduct parent involvement workshop activities to assist parents in understanding the nature of the curriculum and how to help their child(ren) achieve.
2. The LEA will provide Title I Parent's Desk References to all parents of students attending Title I schools.
3. The LEA will provide content within the Title I Parent's Desk Reference regarding what Title I is, how parents can assist in student achievement, NCLB Parents-Right-To Know details, the PIP, etc.

In October of each school year the District Title I Program Manager will review the school-level Parent Involvement Policies utilizing a rubric containing requirements of Section 1118, as supplied by FLDOE, as well as taking the following actions:

1. Require that each school improvement plan contains parental involvement strategies.
2. Collaborate with school leadership during July to provide technical assistance regarding effective parental involvement activities .
3. Attend local SAC meetings or open house/annual Title I activities to present parent involvement information.
4. Monitor the implementation of each school's PIP throughout the year through examination of parent sign-in sheets and purchase orders submitted for the activities delineated in the plan, as well as parent participation in the SAC and PTO.

Response: The Nassau School District will take actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I schools. The evaluation will be conducted in April and will include identifying barriers to greater participation by parents in parental involvement activities (with particular attention paid to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). The school district will use the findings of the evaluation regarding its parental involvement to revise, if necessary (and with the involvement of parents), its parental involvement policies. The actions to be implemented are:

1. Ensure the district school advisory council, composed of parent and school representatives from throughout the district, annually reviews and revises the evaluation on a needed basis and ensure that questions are included to identify barriers to participation.
2. Survey the parents and staff of the Title I schools to get feedback and evaluate the district parent involvement program
3. Include parent involvement questions in climate surveys of all of the district schools
4. Utilize the parent involvement on-line survey as well as providing a paper/pencil option
5. Ensure forms are culturally sensitive to all backgrounds of parents
6. Ensure each school's administrator utilizes survey results for planning the subsequent year's project.
7. Ensure each school administrator reviews the survey results with the local school

advisory council prior to the completion of the process of updating the school improvement plan.

8. Maintain documented proof (sign in sheets, agendas) of discussion and opportunity for input regarding survey results.

9. Make recommendations to each participating school for strategies in improving parent involvement for inclusion in the school improvement plan, as needed.

Response: In order to ensure information related to the school and parent programs, meetings, and other activities, is sent to the parents of participating children in an understandable format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand, the school district will take the following actions:

1. Utilize a computer-based translation program to provide translations of all Title I, Part A parent correspondence. Such translations will be completed in Spanish, and other languages based on the needs of the families served.
