Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: Pinellas County has a Parent Advisory Council (PAC) composed of parent representatives from Title I schools and District Title I personnel. Each Title I school selects a parent and alternate to be a member of PAC. PAC provides input into the development, implementation and evaluation of the LEA Parent Involvement Plan (PIP), District Parent Survey, the Title I Part A application and use of Title I funds. PAC meets twice a year (September and May). Each Title I school is asked to select a parent to be a member of PAC.

At the September meeting PAC reviews the plans. Members are made aware of how to access the plans and how to obtain translation, if needed. Members are asked to disseminate information to their school's leadership team. Members are given information regarding the Title I program and application, as well as the purpose of PAC. The Title I Senior Coordinator for Evaluation presents the Title I Annual Parent Survey data. PAC also reviews the District Parent Survey data from the previous year, and provides suggestions and revisions for the administration of the parent survey.

The May meeting entails revising the plans and discussions of goals. Additionally, the data from the Title I Annual Parent Survey is presented and discussed. The information is utilized to drive the discussion and revisions for the LEA PIP.

Parents of Title I students are involved in this process through the School Advisory Council (SAC) and other methods, such as surveys to gain parental input.
