Direct employment policy, roles and responsibilities

Explain how direct employment of school-based mental health services providers (school psychologists, school social workers, school counselors and other licensed mental health professionals) will reduce staff-to-student ratios.

The additional supports of the LMHC, LSW, and School Psychologist offer smaller ratios for working with students in tier 2 and 3.

Describe your district's established policies and procedures to increase the amount of time student services personnel spend providing direct mental health services (e.g., review and revision of staffing allocations based on school or student mental health assistance needs).

Our LMHC is a full time employee whose sole job is to provide direct mental health services.

Describe the role of school based mental health providers and community-based partners in the implementation of your evidence-based mental health program.

Our LMHC coordinates to provide wrap-around care and supports with community mental health services.
