## Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

**Response:** The Principal's parent nominations from each school will be used to recruit no fewer than ten parents to serve on the Title I District Parent Advisory Committee (DPAC). These parents, along with the Title I Parent Education Facilitation team, meet to develop, implement, and evaluate the Parent Involvement Plan (PIP). Each section of the PIP is reviewed by the DPAC. Documentation of parent input is recorded in meeting minutes and is used in the development of the PIP. The DPAC representatives act as a liaison between the DPAC committee and the Title I school community.

The availability of the PIP is advertised to parents through the District website and the Parent Handbook which is sent home to all families at the beginning of the year. Each school's PIP is posted on the Title I website. The LEA distributes LEA PIP Summary brochure to parents via student backpack. The LEA notifies parents about the "Parents Right to Know" requirement through the Title I Parent Handbook and the district website.

DPAC meetings will include discussion on how funds reserved for parental involvement will be spent. The funds reserved for parental involvement are used to provide a variety of activities or projects based on the needs of the schools. The LEA has allocated \$102,500.00 for district sponsored parent involvement activities. The budgeted items are as follows: 1) Parents-to-Kids Literacy Program (\$90,000.00), 2) Regional Families and Community Together (FACT) Fairs (\$4,000.00), and 3) Materials and Supplies (\$8,500.00).

## Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

**Response:** The LEA provides technical assistance and collaboration with school leadership to ensure the ESEA Section 1118 requirements for the District and schools are met. The LEA staff is available for technical assistance to schools throughout the school year. At Title I Parent Liaison meetings, the LEA provides staff trainings to improve the academic achievement of their students. The Parent Liaison meetings serve as a main forum for sharing information. The LEA also shares information through informal means such as e-mails, phone calls, publications, and postings on the Title I website. The LEA solicits suggestions for parental involvement activities from Parent Liaison and other school staff.

The LEA reviews each Title I school's PIP annually to ensure that each school's plan provides meaningful opportunities for parents to learn how to help their children academically and be involved in their education. The LEA monitors the implementation of the school's parental involvement program using the Title I Annual Meeting Self-Audit checklist, the Title I Parent Involvement Survey, and participation at school events.

The LEA provides other support for parent activities by funding a family literacy program (in English and Spanish). The LEA also provides four regional Families and Community Together (FACT) Fairs that provide families with both school resource information and community resource information. A main goal of these FACT Fairs is to support parents' ability to help their children academically. Faculty workshops are provided based on the needs of the school.
