Mission Statement

Parental Involvement Mission Statement (Optional)

Response: The Lake County Schools Title I Parent Involvement mission is to empower families with individual opportunities and to maximize student achievement by engaging family, school, and community partnerships.

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The LEA has a District Parent Involvement Policy/Plan Committee (DPIPC). Parents from Title I schools, parents of students at private schools receiving Title I funds, Family School Liaisons from Title I schools, community leaders, stakeholders, the Title I Parent Involvement Specialist, and the Title I Education Program Specialist will be represented on the committee. The Family School Liaisons and the parent representatives will bring recommendations to the DPIPC from each Title I school. The purpose of the DPIPC will be to review, and/or revise the District Parent Involvement Policy/Plan and to make decisions regarding the use of Title I funds set aside for Parental Involvement. The DPIPC will meet three times during the school year at the convenience of the participants, at different times, days, and locations. To keep all parents informed of the committee's discussions, the Family School Liaison of each Title I school will keep a database of parent e-mails to send DPIPC meeting minutes. The minutes will also be posted on the Lake County District Title I website. Hard copies of the minutes will be available at the school site.

In addition to the DPIPC's input, parent input is also gathered from a parent survey which is posted on the Lake County Title I website in both English and Spanish and on each Title I school's website. Hard copies are also available at each Title I school. Family School Liaisons at each Title I school are responsible for encouraging parents to complete the survey. The survey results are analyzed and used to evaluate and revise the District Parent Involvement Policy/Plan. The revised DPIPC will be available at each Title I school and posted on the Lake County District Title I website. Parents can provide written comments or suggestions to the school or Title I Department, in addition to comments or suggestions provided at a school parent meeting.

Each Title I school has a School Advisory Council (S.A.C.) consisting of parents, community members, and school staff that develop, review and revise the School Improvement Plan (SIP), the school's Parent Involvement Plan (PIP), Title I Plan, and the school's Parent/Teacher/Student Compact.

The LEA will ensure that not less than 95% of the 1% reserved funds for Parent Involvement will go directly to the schools. Decisions regarding the use of Title I funds set aside for Parental Involvement at the schools will be made at the school level during the development and/or revision of the school's Title I Plan and budget.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The LEA will continue to support and assist Title I, Part A schools in planning and implementing effective parental activities by retaining a Title I Parent Involvement Specialist along with a Title I Education Program Specialist who provides technical

assistance and monitors each Title I school's Parent Involvement program. Each Title I school also has an assigned Title I Program Specialist who conducts monthly technical assistance visits to include the review of Parent Involvement budget expenditures and activities. Title I schools are strongly encouraged to provide annually a minimum of three parent/student workshops based on the school's academic needs and best practices.

A Family School Liaison will be located at each Title I, Part A school and operate the school's Parent Resource Center to provide materials and resources for parents to check-out and use at home to help increase their child's academic achievement level. The Family School Liaison will also facilitate Parent Involvement activities and events based on the school's needs and best practices. The Title I Parent Involvement Specialist and Title I Education Program Specialist will facilitate several days of professional development at the beginning of the school year for Family School Liaisons in addition to monthly professional development which will consist of topics such as how to build parent capacity at schools, how to conduct effective workshops, Florida Standards assessment preparation, best practices for parent engagement, and community resources and connections.

The LEA will offer each Title I, Part A school assistance in implementing programs to build the capacity of parents to improve the academic achievement of their child and overall school performance. Programs such as the Migrant Program, Title X-Homeless, Sed de Saber (Thirst to Know) English Life Skills, Rosetta Stone, iRead to Succeed Summer Literacy Program will be available.

The LEA follows the following procedure to review the school-level PIP to ensure compliance with all requirements of Section 1118:

1-Each Title I, Part A school is required to develop, and/or revise the PIP with parent input. Title I Program Specialists are available to provide Technical Assistance.

2- A draft of the PIP is submitted to the Title I Education Program Specialist for review and suggestions.

3- When the PIP is approved by the Title I Education Program Specialist, it is forwarded to the Title I Director for final approval.

4- The implementation of the PIP is monitored by the Title I Education Program Specialist and by monthly technical assistance visits made by the Title I Program Specialist.

Coordination and Integration

Describe how the LEA will coordinate and integrate parental involvement strategies from Part A of Title I with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Title I, Part C, Title I, Part D of Title I, Title III, and Title IV, Part A) [Sections 1118 (a)(2)(D) and 1118(e)(4)].

Annual Evaluation

Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the academic quality of the Title I, Part A schools [Section 1118(a)(2)(E)].
