Mission Statement

Parental Involvement Mission Statement (Optional)

Response:

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The Lake Wales Charter Schools will use each school's School Advisory Council (SAC) as the LEA parent group that will develop the LEA Parent Involvement Policy (PIP) in cooperation with LWCS Leadership Team members. (Every school in the LWCS system is a Title I school.) These groups will be responsible for evaluating and implementing the PIP. LWCS Leadership Team will coordinate technical assistance and training needs.

School Advisory Council (SAC) Members are voted on by parents and staff to serve for one school year. PTO Memberships are available to all parents willing to serve in the Parent Teacher Organization (PTO). Each SAC represents the diversity of the school community it serves. All LWCS schools have active and diverse School Advisory Councils.

The LEA Parent Involvement Policy will be submitted to each SAC to provide review, feedback and evaluation. SAC Members will be given a copy of the PIP draft to review and write their comments and return their copies to the schools' for final review and revisions. Information from the feedback/evaluation process will be used to update the plans annually.

As required by law, the LEA will reserve not less than 1% of the Title I allocation for parental involvement and distribute not less than 95% to the schools served. Each SAC will determine how the parent involvement allocation is spent.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: Each school will designate an administrator or Title I Facilitator with on-site responsibility for all aspects of Title I programs and compliance, including parent involvement and the school PIP. In addition, the LWCS system will identify key employees to assist as Title I trainers and mentors due to their previous Title I experience.

The LWCS Central Office will provide support with parent/community communication through publicity via newspapers, radio, website, social media, and assist individual schools with outreach via parent newsletters, school websites, and ConnectEd phone calls.

The LWCS Title I Director, Title I Facilitators, and other LWCS Leadership Team Members will coordinate annual surveys preparation, data collections, and distribute

survey results to schools.

Title I Director will provide ongoing technical assistance and professional development to all school based leadership teams which will include Title I Part A requirements for parental involvement to assist with increasing student achievement. Title I Facilitator Meetings are scheduled monthly for facilitators from 8:30am to 11:30am along with weekly school site visits by the Title I Coordinator. Facilitators are given notification of all Monthly Title I Facilitator Meetings at first meeting scheduled in August. Reminder emails are sent to facilitators at least one week in advance. Documentation of the monthly meetings along with agendas, and sign in sheets are filed for audit compliance purposes.
