Mission Statement

Parental Involvement Mission Statement (Optional)

Response: The School District of Clay County, recognizing parents as full partners in their child's education, will promote meaningful, two-way communication between the school and home and encourage active parental participation in programs, activities, and decisions involved in the education of their child.

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The group responsible for the development, implementation and evaluation of the LEA Parent Involvement plan is the District Parent Advisory Council, made up of representatives nominated by parents and school staff of all Title I eligible schools and participating private schools.

During the LEA meetings, the District Parent Advisory Council members will engage in developing plans to implement the six areas of parent involvement (communicating, parenting, student learning, volunteering, school decision making and advocacy, and collaborating with the community). Additionally, the PAC will review and provide input on the contents of the Title I part A Project application and the LEA Parent Involvement Plan. These plans will be placed on the various agendas when appropriate. Input from parents will be documented via agendas, minutes, content handouts, and attendance sheets from the three LEA Parent Advisory Council meetings that will take place in September, January, and April of each school year.

The process and involvement of parents in the development of required plans will begin with a District meeting to inform parents of the LEA's participation in the Title I grant and their right to be involved. Data from district reports, parent interviews, parent recommendations, surveys on the content and effectiveness of the LEA parent plan, are all common methods for generating input and gathering feedback from parents.

Recommendations for the expenditures of district funds reserved for parent involvement will be reviewed for input by the Parent Advisory Committee.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The Supervisor of Elementary Education, the Director of School Improvement, the District Curriculum Specialists and the individual school's Title I Lead Teacher will be responsible for providing technical support and facilitative leadership to help schools on the planning and implementation of parental involvement activities beginning with an orientation training in the fall, continuing with three to four school improvement workshops throughout the year and a spring professional development training.

Support will include training on enhancing the awareness of teachers, pupil services personnel, principals and staff on how to reach out to, communicate with, and work with parents as equal partners. Written guidance will be given to each school in the

development of a school Parent Involvement Plan and school compacts as well as in the alignment of the plan to each school's School Improvement Plan.

The LEA will monitor the implementation of the schools' parental involvement program through frequent on-site visits by the Supervisor of Elementary Education, LEA approval of expenditures, monthly review of evaluations of parent involvement activities and ensuring, to the extent possible, that information is sent home in a language and form parents can understand.

The Supervisor of Elementary Education or his/her designee, will review the school level parent involvement policies in the spring of each school year for the following school year for compliance with all requirements of Section 1118. Suggestions for revisions will be sent back to the school for final completion in coordination with the School Advisory Councils.

Coordination and Integration

Describe how the LEA will coordinate and integrate parental involvement strategies from Part A of Title I with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Title I, Part C, Title I, Part D of Title I, Title III, and Title IV, Part A) [Sections 1118 (a)(2)(D) and 1118(e)(4)].

Annual Evaluation

Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the academic quality of the Title I, Part A schools [Section 1118(a)(2)(E)].

Response: Response: An "Annual Survey of the Content and Effectiveness of the District's Parent Involvement Policies" is conducted in February of each school year by the Supervisor of Elementary Education. The survey is sent to all PAC members. Additionally, open dialog and listening sessions will convene as a means for retrieving information and data related to topics of interest, and barriers. Careful analysis will be done to identify patterns and trends that are potential barriers hindering parent participation in decision making related to parent involvement. Results will be used to adjust activities in current plans as well as for revisions to future plans. All findings will be compiled at the District Title I Office, and reported to the PAC for revisions, changes and/or deletion to the Parent Involvement Plan. In September of each year the new parent involvement plan is reviewed at the first PAC meeting for fidelity and approval by the parents.
