(Signature of Title I Authorized Representative)

10/22/15

(Date)

Provide evidence that the LEA PIP was developed with the input of parents and based on the evaluation of the previous year PIP.

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The District formed a District Parent Advisory Council (DPAC) composed of parents from all Title 1 schools, usually the presidents, co-chairs, etc. This committee provides input into the development, implementation and evaluation of all school related plans. Involvement of Parents will be documented through sign-in sheets and meeting notes/minutes.

Decisions involving the use of the Title 1 funds reserved for parental involvement at the school level will be made during the development of the SIP by the SAC. The LEA will monitor SAC memberships to ensure that parents are involved in the process. All schools receive training and information on ways to include parents in the school improvement process. The Title I/School Improvement Coordinator will work with each school to coordinate this process. Each school will organize a school advisory Council (SAC) which shall be composed of the principal and an appropriately balanced number of teachers, education support employees, parents, other business and community citizens, and students where applicable who are representative of the ethnic, racial, and economic community served by the school.

The school advisory council will serve as the decision-making body of the school. The council will meet at least quarterly to develop, review and offer suggestions for improvement of the School Improvement Plan. The council will review data, discuss strategies implemented, and evaluate progress made by students.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The LEA will provide the following necessary coordination, technical assistance, and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance:

* Technical assistance meetings are provided to principals of all Title I schools to review student achievement data and assist in the development, implementation, and review of all required plans.

*The District Parent Liaison will provide train-the-trainer opportunities for Title I school-level parent contacts and school staff to enhance their abilities to present parental involvement information at faculty meetings and to integrate parental involvement into inservice training for school-based personnel during the 2015-2016 school year.

*The LEA will review each school-level PIP to ensure compliance and that the activities planned will provide meaningful opportunities for parents to become more involved in their child's education.

* Quarterly Title I parent contact meetings will serve as the main forum for sharing information. The Title I Coordinator and the District Parent Liaison will provide information and technical assistance to schools.

The LEA will provide a district-level parent liaison to serve all Title I schools. The Parent Liaison will meet monthly with the Title I Coordinator and the Parent Involvement Contact (SAC Presidents) at the schools. These joint meetings will serve as an avenue to facilitate communication and trainings. The District will provide train-the-trainer sessions to assist school-level parent contacts with parent training sessions in the following areas:

* The state's academic content standards and State student academic achievement standards;

* State and local academic assessments, including alternative assessments;

* How to monitor their child's progress and work with educators to improve the achievement of their child.

All of the activities will be structured to ensure a specific correlation to student achievement. Specifically, the MCSD will, to the extent possible, ensure that parental involvement activities:

*Include information on student achievement expectations;

* Support the involvement of parents in the decision making process;

*Engage parents and students in activities to help their child academically;

* Provide information to parents on where their child's skills need to improve; and

*Provide a method of communicating with parents.

Coordination and Integration

Describe how the LEA will coordinate and integrate parental involvement strategies from Part A of Title I with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Title I, Part C, Title I, Part D of Title I, Title III, and Title IV, Part A) [Sections 1118 (a)(2)(D) and 1118(e)(4)].

Annual Evaluation

Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the academic quality of the Title I, Part A schools [Section 1118(a)(2)(E)].

Response: The MCSD Title I Coordinator and/or the District Title 1 Parent Liaison will meet quarterly with the District Parent Advisory Council (DPAC) for input into the development, implementation, and evaluation of existing PIPs. As issues arise, the DPAC will work with the Title I Coordinator to resolve and improve the program. In March, the DPAC will begin the review of the existing PIP, analyze participation data, and revise the PIP as needed. The Title I Coordinator/Title 1 District Parent Liaison will gather and disseminate data related to the implementation of parent programs at the district and school levels.

The DPAC will use the Title I Parent Involvement Evaluation Toolkit in the development of the specific evaluation plan. The DPAC will provide input into the development of parent surveys. Surveys will be distributed in April. In early May, the DPAC will review the results and identify common areas of concern and barriers for greater participation by parents. The information will be used to revise the PIP and parental involvement activities.

If the LEA plans to implement LEA-wide activities, describe the actions the LEA will take to build the schools' and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement [Sections 1118(a)(2)(C), 1118(e)(1-14)].

9/24/15

5:30 pm

Those in Attendance: Barbara Dansey, Linton Hart, Michelle Dansey, Tammy Kemp, Dana Williams and Gladney Cherry

The meeting was called to order at 5:30 pm. The President, Barbara Dansey, welcomed everyone to the meeting. Each member in attendance received copies of the PIP, parent survey results, policy review checklists and information and regulations for SAC.

The chairperson opened the floor for discussion on changes needed to the PIP. Each member was asked to review each component of the plan and provide their input concerning any policy changes. After reviewing the policy and careful evaluation to ensure that the PIP complies with the policy review checklists, the DPAC members voted to accept the policy with the necessary changes for the next school year. There were no other suggestions for changes to revisions to the other components of the plan. Ms. Dansey (parent) made the motion to approve the PIP with the necessary revisions. Ms. Williams (parent) seconded. The motion carried.

Next, DPAC discussed the Title I Annual Survey results 2014-2015 school year. Ms. Hart gave DPAC members copies of the survey results for their input. The highest percentage score on the survey results was found in section 4 (communication). The lowest survey results was found in area that referred to ways parents received information about standards, testing and helping your child succeed in school. Results indicated that conference with the teacher (47%) and Title 1 Newsletter (39%) were also contributing factors in getting information to parents.

Lastly, general information and materials were handed out and discussed briefly with members to share at their SAC meetings. Members also received copies of Title I newsletters and a schedule of upcoming DPAC meetings.

There were no other items of interest.

The meeting was adjourned.
