Administrators

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of School Grades, FCAT/statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and ambitious but achievable annual measurable objective (AMO) progress.

| Position | Name | Degree(s)/ Certification(s) | Number of Years at Current School | Number of Years as an Administrator | Prior Performance Record (include prior School Grades, FCAT/statewide assessment Achievement Levels, learning gains, lowest 25%), and AMO progress, along with the associated school year) |
|------------------------|-----------------------|---|---|---|---|
| Principal | Tijuana Baker M.A.Ed. | BS in Elementary ED M.A.Ed. | 2 | 6 | The school grade for the past several years has been an A. Under my administration, the percentage of students meeting high standards has been 88% and 76% in Reading, 86% and 69% in Math, 98% and 90% in Writing, and 61% and 69% in Science. Annual Learning gains for the lowest 25% of the students has been 58% and 74% in Reading and 66% and 57% in Math. |

Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

| Des | scription of Strategy | Person Responsible | Projected Completion Date |
|-----|--|--|---------------------------|
| 1. | Pinellas County has a teacher recruitment plan in which district representatives visit college campuses to showcase the benefits of employment. Our school actively participates in the internship program with St. Pete College | District personnel and school based leadership | On-going |
| 2. | A site based mentoring program focuses on helping new teachers find the highest level of success. Asite-based decision was made to increase the amount of mentors and collaborative partners. | District personnel and school based leadership | On-going |
| 3. | Research based professional development is ongoing throughout the school year. | School based leadership | On-going |
| 4. | | | |

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who are NOT highly effective.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

| Provide the strategies that are being implemented to support the staff in becoming highly effective |

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

Identify the school-based MTSS leadership team.

The Site Based Leadership Team (SBLT) consists of: the School Psychologist, Social Worker, Guidance Counselor, VE Resource Teacher, Speech Teacher, Behavior Specialist and Assistant Principal.

Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

- -Facilitator generates agenda and leads team discussions
- -Data Manager(s)/Data Coach assist team in accessing and interpreting (aggregating/disaggregating) the data
- -Recorder/Note Taker documents meeting content and disseminates to team members in a timely manner as well as storing a hard copy in a binder for all teachers to access
- -Time Keeper -helps team begin on time and ensures adherence to agreed upon agenda

Meeting time: The SBLT meets each Thursday at 9:00 to discuss behavior and academic concerns.

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

The SBLT will be responsible for managing and coordinating these efforts with all school teams as well as reviewing and revising the School Improvement Plan. Academic and discipline data is shared monthly with the staff. Student progress is shared with SAC as well.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Baseline data: Progress Monitoring and Reporting Network (PMRN), Assessment and Information Management System (AIMS web), Florida Comprehensive Assessment Test (FCAT), Pinellas County Common Assessments in Reading, Math, Science and Writing. Discipline data is used to determine behavior interventions as needed. On-going progress monitoring is used to track the effectiveness of the interventions, and to determine if a change is needed.

Describe the plan to train staff on MTSS.

RtI and RtI-B will be reviewed with staff during staff training on the shortened days. PLC meetings will focus on student progress, the common core standards, and implementation of the SIP.

Describe the plan to support MTSS.

Administration will support the process through training, district resources, and the development of school based resource maps for academic and behavior interventions.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

Members of the Reading SIP Team and Administration serve as the LLT. There is cross grade level representation on this team.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

Literacy Leadership Teams create capacity of reading knowledge within the school by focusing on the following areas of literacy concern:

- Support for text complexity
- Support for instructional skills to improve reading comprehension
 - o Ensuring that text complexity, along with close reading and rereading of texts, is central to lessons
 - o Providing scaffolding that does not preempt or replace text reading by students
 - Developing and asking text dependent questions from a range of question types
 - o Emphasizing students supporting their answers based upon evidence from the text
 - Providing extensive research and writing opportunities (claims and evidence)
- Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects (a focus on text, task, and instruction).

The district will provide training and tools for Literacy Leadership Teams.

What will be the major initiatives of the LLT this year?

Support for text complexity

- Support for instructional skills to improve reading comprehension
- Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects

Public School Choice

• Supplemental Educational Services (SES) Notification

Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

PART II: EXPECTED IMPROVEMENTS

Reading Goals

* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).
