The policy establishes the expectations for parental involvement and describes how the school will implement a number of specific parental involvement activities, and is incorporated into the schoolwide Title I / School Improvement Plan submitted to the Florida Department of Education (FDOE) as required in Section 1114(b)(2) of ESEA.

Parental Involvement Mission Statement

Evans High School will empower all students to succeed with the support and involvement of all stakeholders which includes the community, families, parents, students, staff, and faculty.

We guarantee an empowering environment that ensures that each student has the opportunity to acquire the skills necessary to become career and college-ready, and a responsible, productive, global citizen able to cope with changing social and economic conditions.

High academic achievement by students is of the utmost concern to the school's stakeholders with parental involvement a key component to the success of the school.

1. Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1118(c)(3), 1114(b)(2), and 1118(a)(2)(B)]. Include information on how the school will provide other reasonable support for parental involvement activities under section 1118 as parents may request [Section 1118(e)(14)].

At the beginning of the school year, meetings are designed to educate parents, staff, and students on the purpose and requirements of being a Title I school. The parent involvement budget is reviewed with parents. Parents, teachers, staff, and students are asked for suggestions on how to utilize these funds. The Title I Coordinator and Parental Involvement Coordinator provide feedback/suggestion forms to participants to offer suggestions in writing as well as via email, and at upcoming meetings. Parents are informed of the upcoming meetings through the Compact, meeting agendas, via email, the school website, school newsletters, Connect Orange, and the school marquee.

Parents are able to access the School Improvement Plan and the Parental Involvement Plan on the school web-site as well as a hard copy in the front office. Copies are also provided during Parent, Teacher, Student Association (PTSA) and School Advisory Council (SAC) meetings.

Title I programs are discussed at School Advisory Council (SAC), Parent Leadership Council (PLC), the Parent, Teacher, Student Association (PTSA), and Professional Learning Community meetings. Evans High School will encourage all parents to attend SAC, PLC, and PTSA through the Compact, information sent home, the calendar on the website, school newsletters, emails from School Leadership and other parents, and Connect Orange.

SAC and PTSA will meet on a monthly basis to review, discuss, and plan for Title I and school improvement interventions. The Principal and SAC Chair will update the committees regarding school improvement and parents will be involved in interventions and programs through discussions on needs and proposed improvements. Parents, students, teachers, and school leadership will work together to propose and implement interventions, and school improvement.

At the end of the year during the SAC/PTSA meeting parents review each area of the Parental Involvement Plan, provide their reflections and input on what was a great success, and determine what needs to be added or changed. The changes are made to the Parental Involvement Plan for the upcoming year.

Evans Parent Resource Center provides support for parental involvement activities by providing a place for parents to meet, workshops for parents and students, and a place to access and learn computer applications, including monitoring their student's grades. The Parent Resource Center also provides another avenue for parents to voice their concerns, for Evans to respond to parent requests, and for parents to become involved in their student's academic success, as well as provide input for school improvement.

2. Describe how the school will coordinate and integrate parental involvement programs and activities that teach parents how to help their children at home to the extent feasible and appropriate (including but not limited to other federal programs such as: Head Start, Early Reading First, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, Title I, Part C, Title II, Title III, Title IV, and Title VI) [Section 1118(e)(4)].

Program	Coordination
Title I	OCPS provides technical assistance and guidance in the coordination of the Title I program and funds along with coordination and planning through Evans High School SAC and PTSA committees. The Business Operations Manager serves as the contact or coordinator to ensure the implementation of the program. Title I funds and programs enhance Evans High School through professional development, student support, instruction and parental involvement programs, and workshops that teach parents their student's academic requirements to graduate and how to help them achieve success in meeting the requirements. Parents are also shown how to monitor their student's progress to ensure success.
Title I, Part C – Migrant	Migrant services are provided for student and parents. The district provides training for staff regarding migrant needs and services. Evans SAFE Coordinators lead efforts to ensure student and parent needs are met in this area by meeting with parents informing them of options that are available which will also lead to the academic success of their student.
Title X – Homeless	The District provides professional development regarding Homeless programs. Information is disseminated to our school through the SAFE Coordinators and the Title I programming as well. Programs are implemented to help identify

Head Start is a national school readiness program that provides comprehensive education, health, nutrition, and parent involvement services to children from low-income families. The Head Start program is administered by the Office of Head Start (OHS), Administration for Children and Families (ACF), and the Department of Health and Human Services (HHS).

3. Describe the specific steps the school will take to conduct an annual meeting designed to inform parents of participating children about the school's Title I program, the nature of the Title I program (schoolwide or targeted assistance), Adequately Yearly Progress, school choice, supplemental education services, and the rights of parents. Include timeline, persons responsible, and evidence the school will use to demonstrate the effectiveness of the activity [Section 1118(c)(1)].

4. Describe how the school will offer a flexible number of meetings, such as meetings in the morning or evening, and may provide with Title I funds, transportation, child care, or home visits, as such services related to parental involvement [Section 1118(c)(2)].

Evans leadership, staff, and faculty have a strong belief in the importance of parental involvement and therefore have put measures in place to offer parent meetings on a flexible schedule. Through parent feedback we were able to conclude that it is very difficult for Evans' parents to attend events during the school day and parents prefer early evening activities due to their working schedules.

For parents who are unable to come to the school the Social Worker, SAFE Coordinators, and Evans Resource Teacher make home visits for attendance and academic purposes.

Parent, teacher, administration, student conferences are scheduled to accommodate parents in the morning, afternoon, and early evening.

Because of our strong belief in the importance of parental involvement Evans went one step further to develop The Parent Resource Center which is open during the school day both in the morning and afternoon, after school, and scheduled evenings to provide parents with flexible times to access informational and computer resources, as well as, workshops and activities.

The School Advisory Council meetings are scheduled monthly in the early evening.

A Health Service Coordinator coordinates all Health Services for the Community School. Flyers, invitations, agendas, or sign-in sheets evidence all activities.

The Parent Resource Center was implemented at Evans High School in SY 2011 – 2012. A Parental Involvement Coordinator works with parents to assess their needs and then provides the workshops and resources needed and/or requested. The Parent Resource Center provides parents a comfortable environment, access to computers, and someone to assist them and provide information. Sign-in sheets evidence all activities.

8. Describe how the school will provide parents of participating children the following [Section 1118(c)(4)]:

- Timely information about the Title I programs [Section 1118(c)(4)(A)];
- Description and explanation of the curriculum at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet [Section 1118(c)(4)(B)];
- If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children [Section 1118(c)(4)(C)]; and
- If the schoolwide program plan under Section 1114 (b)(2) is not satisfactory to the parents of participating children, the school will also submit the parents' comments on the plan that will be available to the local education agency [Section 1118(c)(5)].

At the beginning of the school year Evans will hold an Annual Title I meeting for parents, teachers, students, and the community to provide information on all Title I programs, the curriculum, academic assessments, and proficiency levels. Parents will learn about school-wide programs and opportunities for participation in decisions related to the education of their child. The meeting presents Title I program components through a PowerPoint presentation including the School-Parent-Student Compact. Title I resources, Title I funding, Parent Involvement Plan and Policy, and the Right to Know letter. Discussion is held on the parental involvement plan and the School-Parent-Student Compact to receive parental feedback through feedback forms. Parents complete a survey regarding the PIP and workshops or resources they would like. Parents also receive Title I information at school events including Meet the Teacher Night/Orientation, IB Potential Night, Open House, SAC, PTSA, and PLC meetings.

Evans High School provides parents with a description and explanation of the curriculum through several venues. The Curriculum Guide provides information regarding academic assessments; focus on student achievement, curriculum, student schedules, registration, graduation information and requirements. students are expected to meet, and the student Academic Progression Plan. Events are held throughout the school year that emphasize the above such as IB Potential Night and the PLC, SAC, and PTSA meetings. Student Planners are distributed to all students which also contain curriculum requirements, assessments, and other pertinent information.

At the PLC, SAC, and PTSA meetings parents participate in school improvement decisions that will affect the education of their children. Parents also meet with teachers and counselors regarding their child's education and participate in making decisions that affect their child's education.

Progress reports and report cards provide feedback to parents on their child's progress as well as Progress Book which provides parents with up-to-date progress throughout the semester and an avenue to stay in touch with their student's teachers.

Parents continue to receive updates regarding curriculum, testing, academic assessments, and student proficiency through:

- School and District websites
- School newsletters
- Information sent home with students
- Emails
- Connect Orange calls
- Teacher contact

The school will monitor that the information was provided through agendas, minutes, Curriculum Guide and Student Planner dissemination, copies of the Connect Orange calls made, parent-teacher conference documentation, and copies of school and district websites, and newsletter information.

9. Describe how the school will provide full opportunities for participation in parental involvement activities for all parents (including parents with limited English proficiency, disabilities, and migratory children). Include how the school plans to share information related to school and parent programs, meetings, school reports, and other activities in an understandable and uniform format and to the extent practical, in a language parents can understand [Section 1118(e)(5) and 1118(f)].

A variety of parental involvement activities will be planned to ensure that each parent has ample opportunity to participate. Multiple sources will be used to communicate opportunities for involvement to parents. The district prints communication in six different languages including English, Haitian Creole, Spanish, and Vietnamese which are the most prevalent at Evans High School. To provide full access and opportunities for all English limited proficiency, school reports, and informational letters from the school and /or district will be provided through Evans' ESOL department and ESOL Resource teacher, in the child's home language according to federal/state guidelines. Since Evans has a large population of Haitian and Spanish students there is an interpreter on campus during school hours and at school events upon request. Staff members and/or district personnel will be available to assist parents who have disabilities (visual, physical, hearing) and will
