Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The District Parent Involvement Policy/Plan (D-PIP) is formulated through the representation of each School Advisory Council. Each school includes the D-PIP on their SAC agenda in order to review and provide input into the D-PIP and their respective school-level Parent Involvement Plan. Monthly School Advisory Council meetings, to which all parents are invited, are documented by agendas, minutes, and sign-in sheets which reflect input from parents on parent involvement activities and policies.

The D-PIP will be added to each Title I school website.

Title I involvement will be an ongoing item on each Title I school's monthly SAC meeting agenda provided by the principal, SAC chair, and/or Title I parent representative.

A Title I website, as part of the St. Johns County School District website, will be maintained and updated with Title I information to include helpful parenting tips.

A Title I brochure will be published and made available to parents, which will include an overview of Title I and provide parent information. The brochure will be made available at each Title I school and on the district Title I website. An online Title I parent survey is made available for parent input. The survey is available on Title I school websites and on the district Title I website.

The Title I district office disseminates 100 percent of the required one percent set-aside to each Title I school for school-based parental involvement activities. Decisions involving the use of the Title I funds reserved for parental involvement at the school level will be made during the development of the School Improvement Plan (SIP) by the SAC. Each year, St. Johns County School District's office of Planning and Accountability provides training and information to all schools on ways to include parents in the school improvement process.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable

support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The St. Johns County School District will provide the following coordination, technical assistance, and support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities necessary to improve student academic achievement and school performance:

- The Planning and Accountability Department will provide principals of all Title I schools technical assistance in the review and disaggregation of student data to develop, implement, and review all required plans. The Federal Programs Director meets with Title I school principals as needed and provides them with a monthly update, which includes technical assistance regarding Title I requirements and identified school needs. Additional meetings are scheduled on an as needed basis.
- The Title I staff meets with the principal, Title I school staff, and the School Advisory Council to help assist in planning and implementing parent involvement activities. Title I staff will provide parent information, trainings, and Title I updates through school meetings and programs per request.
- Members from each School Advisory Council, along with the principal and district staff, meet annually each summer to receive training on the School Improvement Plan process, which includes a parent involvement section. Online School Parent Involvement Plans will be reviewed by the district Title I office.
- The district provides each elementary Title I school with "The Reading Connection" each month and secondary Title I, Part A schools with "Middle Years" each month. These publications are distributed to every student either online or in backpack form to provide parents with effective learning strategies to use at home. The district website has a Title I tab to provide contact information, Title I information, and resources.
- The district provides each Title I, Part A school with a Title I parent handbook, which is distributed to parents at the school's annual meeting. These handbooks contain a description of the Title I, Part A programs offered at each school.

Coordination and Integration

Describe how the LEA will coordinate and integrate parental involvement strategies from Part A of Title I with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Title I, Part C, Title I, Part D of Title I, Title III, and Title IV, Part A) [Sections 1118 (a)(2)(D) and 1118(e)(4)].

Annual Evaluation

Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the academic quality of the Title I, Part A schools [Section 1118(a)(2)(E)].

Response: An evaluation of the District Parent Involvement Plan (D-PIP) is conducted by parents, whose children attend Title I schools, during SAC meetings. Parents whose children attend Title I schools and community members are welcome to attend and provide input. Other members include the principal, assistant principal, SAC chair, and/or Title I specialists.

School Improvement Plans and Needs Assessment Surveys are reviewed by each SAC team to evaluate and establish Title I training and parent activities at each school. The spring meeting is held to review the current year's Parent Involvement Plan and review the spring survey information from each school to aid in the development of the following year's D-PIP.
