FLORIDA DEPARTMENT OF EDUCATION

Proposed for 2012-2013

2012-2013 SCHOOL IMPROVEMENT PLAN

PART I: SCHOOL INFORMATION

School Name: Rimes Early Learning & Literacy Center	District Name: Lake
Principal: Jeffrey Williams	Superintendent: Dr. Susan Moxley
SAC Chair: Kelly Straub	Date of School Board Approval: October 19, 2012

Student Achievement Data:

The following links will open in a separate browser window.

School Grades Trend Data (Use this data to complete Sections 1-4 of the reading and mathematics goals and Sections 1 and 2 of the writing and science goals.) Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data (Use this data to inform the problem-solving process when writing goals.) High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

Highly Effective Administrators

List your school's highly effective administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and Ambitious but Achievable Annual Measurable Objective (AMO) progress.

Position	Name	Degree(s)/	Number of	Number of Years	Prior Performance Record (include prior School Grades,
		Certification(s)	Years at	as an	FCAT/Statewide Assessment Achievement Levels, Learning Gains,
			Current School	Administrator	Lowest 25%), and AMO progress along with the associated school
					year)
Principal	Jeffrey Williams	B.S. Sociology;	1	8	2012-2013 Administrator of Rimes Early Learning & Literacy Center
		M.S. Educational			2011-2012 served as Administrator of Rimes Early Learning &
		Leadership;			Literacy Center
		School Principal			2010-2011 served as Principal of Beverly Shores Elementary.
					2010-2011 Beverly Shores Elementary School Grade F, Reading
			r		Mastery 51%, Rdg. Learning Gains 54%, Math Learning Gains 40%,
					Lowest 25% Gains in Rdg. 44 %; Lowest 25% Gains in Math 57%,
					Did not make AYP.
					2009-2010 served as Assistant Principal of Leesburg High School, in
					the Spring of 2009-2010 became principal of Beverly Shores

			Elementary School. 2009-2010 Beverly Shores Elementary School Grade C, Reading Mastery 50%, Learning Gains 20%, Lowest 25% Gains 33%; Did not make AYP
			2008-2009 Beverly Shores Elementary Grade A Reading Mastery 62%; Learning Gains 70%; Lowest 25% Gains 62%; AYP met 2007-2008 Beverly Shores Elementary Reading Mastery 47%; Learning Gains 50%; Lowest 25% Gains 58%; AYP was not met in the subgroups: Black, Economically Disadvantaged, and Students with Disabilities
			2007-2008 School Grade C; 2006-2005 School Grade A; 2005-2006 School Grade C; 2004-2005 School Grade C.
Assistant Principal	N/A		

<u>Highly Effective Instructional Coaches</u>

List your school's highly effective instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject	Name	Degree(s)/	Number of	Number of Years as	Prior Performance Record (include prior School Grades,
Area		Certification(s)	Years at	an	FCAT/Statewide Assessment Achievement Levels, Learning
			Current School	Instructional Coach	Gains, Lowest 25%), and AMO progress along with the
					associated school year)
Reading	Kelly A. Straub	MSED Curriculum,	2	2	2011-2012 Rimes Early Learning & Literacy Center
(Literacy		Instruction, and			2010-2011 Rimes Early Learning & Literacy Center did not
Coach)		Assessment; BS			receive a grade, Reading Mastery 66%, Learning Gains -1%,
		Elementary Education, K-			Lowest 25% 61%;
		6; ESE certified, Reading endorsed, ESOL endorsed.			2007-2010 Cypress Ridge Elementary School, Reading Remediation/Intervention Teacher K-5 2005-2007 Groveland Elementary School, 3 rd Teacher, Team Leader 2003-2005 Four Corners Elementary School, 3 rd Grade Teacher

<u>Highly Effective Teachers</u>

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

Description of Strategy		Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1.	Weekly meetings will be held with teachers	Administrator	Ongoing throughout the year	
2.	All new teachers will be assigned to an Instructional Coach to provide support	Administrator/TQR	Ongoing throughout the year	
3.	Common planning will be held weekly	Administrator	Ongoing throughout the year	
4.	All new teachers will participate in the district's TOP program (teacher orientation program)	Administrator/TQR	Ongoing throughout the year	

Non-Highly Effective Instructors

List all instructional staff and paraprofessionals who are teaching out-of-field and/or who are NOT highly effective.

Name	Certification	Teaching Assignment	Professional Development/Support to Become Highly Effective
None			

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number	% of First-Year	% of Teachers	% of Teachers	% of Teachers	% of Teachers	% Highly	% Reading	% National	%

Teacher Mentoring Program

Please describe the school's teacher mentoring program by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
Mykia Bankston	Barbara Breckenridge/Linda Bradley	ESE experience & relevant instructional withiness	Weekly mtgs. Planned observations & feedback, short & long range lesson planning
Lauren Tuck	Renea Stone/Linda Bradley	PK experience & relevant instructional withiness	Weekly mtgs., Planned observations & feedback, short & long range lesson planning
Lisa Hronec	Mary Dickinson/Linda Bradley	Recognized as campus capacity builder.	Weekly mtgs. Planned observations & feedback, short & long range lesson planning

Additional Requirements

Coordination and Integration-Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A The district financial assistance to individual schools based on meeting qualifications for Title I funding. The Title I plan was developed by the faculty, staff and stakeholders with the intent of providing additional academic services above & beyond the district's line item funding. This year we plan to use the funds to purchase faculty & staff members. Currently 1 teacher assistant, 1 family school liaison, 2 (.4hr) teachers, & a literacy coach are funded using the district Title I funds. Fund were decided to be used in this manner because the faculty & parents felt it would be beneficial for students to have people available to work with students to develop academic skill deficits.

Title I, Part C- Migrant attempts to ensure migrant students do not face additional educational challenges due to their mobility rate. The program promotes the coordination of educational & support services which include timely transfer of academic records. Rimes currently has full-time Family School Liaison and Literacy Coach whose salaries are paid by the district's Title I funds. One teacher assistant and (2[.4hr]) teachers are also paid through school based Title I funds. Parents, faculty, community stakeholders, and staff decided more people to work with students to develop academic skills would be beneficial for the students & the school.

Title I, Part D The district receives the funds and coordinated efforts through the district.

Title II The district coordinate funds and allocate resources based on a strategic plan

Title III The district provides teacher assistants and provide support for ELL students.

Title X- Homeless Services for the homeless are provided through the district's Student Services Department and Title I. Each school has designated Homeless liaison who serve the needs of the students and their families.

Supplemental Academic Instruction (SAI) The district provides schools with additional funds to serve the academic needs of level 1 & level2 students. SAI funds are received and distributed through the district's Curriculum Department.

Violence Prevention Programs the school offer anti-violence programs for students. Too Good for Drugs and Violence, Project Wisdom and weekly character development lessons are a few of the programs which are used to help students become responsible citizens.

Nutrition Programs Each school has designated wellness leader which attend monthly district led wellness meetings.

Housing Programs

Head Start provides students with readiness skills necessary to be successful in elementary school.

Adult Education

Career and Technical Education

Job Training

Other

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

Identify the school-based MTSS Leadership Team. Jeffrey Williams (Administrator), Dr. Kenneth McRoy (CRT/Behavior Specialist), Kelly A. Straub (Literacy/Academic Coach), Rita Clements (Guidance), Barbara Breckenridge (ESE School Specialist), and Dr. Kristine Hawkins (School Psychologist) Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts? The MTSS Leadership Team will meet with the School Advisory Council and Principal to help develop the SIP. The Leadership team will meet once a week or as needed. The role of the problem solving team is to identify students who need Rtl based upon the data that supports this need, and to come up with individual strategies to effectively help each individual student to succeed. The input of the staff, data analysis, implementation results, meeting/exceeding benchmarks, moderate risk and at risk will determine the movement through the MTSS/RtI tiers. Teachers will receive the support of the MTSS Leadership Team in using interventions, and any other recommendations made by the teachers or the MTSS Leadership Team. MTSS meetings are scheduled on the second Tuesday of each month during grade level planning times.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the Rtl Problemsolving process is used in developing and implementing the SIP? Members of the team met the summer of 2012 and worked together to develop the School Improvement Plan. Their input was essential to the compilation of the plan and during the school year, the team will work together to see the implementation of the plan. The team was able to continue a schedule for grade levels to have common planning. This is a necessity for the FAIR testing and for assisting the teachers in the MTSS process as a grade level with common objectives and benchmarks.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior. MTSS meetings will have forms that will be used to record information dealing with any child who is in the MTSS process. The teacher will have a copy and the original

copy will be housed in a file in theLitereacy/ Academic Coach's office. The MTSS plan will comply with Lake County's requirement. Data used will be FAIR-

PMRN, County Benchmark Assessments, Edusoft, FCAT, NNAT2 and progress monitoring by teachers, STAR Reading and Orchard programs, Harcourt weekly

tests, and any teacher made data that is grade level appropriate, or designed in common planning by grade level teachers. Behavior will be assessed according to the

PBS plan implemented by the school.

Describe the plan to train staff on MTSS. During pre-planning there will be a in depth overview for PBS.

Describe plan to support MTSS. MTSS/PBS trainings/updates will be held on an ongoing basis.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT). Administrator, Literacy Coach, Media Specialist, and a teacher representative from each grade level

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions). The Literacy Leadership Team will meet monthly to identify areas of concern for students and to brainstorm possible solutions to literacy deficiencies. The Literacy Coach will facilitate & schedule these meetings with the team and will set forth an agenda. The team will be looking at reading and writing data trends. The Literacy Coach will provide support and assistance to teachers to ensure students are reading on grade level by the end of the year.

What will be the major initiatives of the LLT this year? Providing more non-fiction literature for students to read will be an important initiative to improve comprehension skills of non-fiction text. Students will be expected to read more during the course of the school day followed up by a required 30 minutes of reading each night. We want to assist students with developing a desire to read. Students will also be given more opportunities to write across the curriculum. Support of the Common Core Curriculum throughout Rimes ELLC.

Public School Choice

• Supplemental Educational Services (SES) Notification Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

Rimes Early Learning and Literacy Center is a Pre-K through 2^{nd} grade educational facility, which serves the needs of a diverse student population and caters to the individual needs of each learner. At Rimes ELLC, students in ESE Pre-K classes have articulation meetings at the end of the

2012-2013 school year to ensure appropriate services are in place at the beginning of the subsequent year at the receiving school. Currently, Rimes ELLC has 2 Pre-K VPK that are ½ Title I funded and ½ VPK funded. Teacher assistants in these classrooms are similarly funded. The learning experience acquired is pivotal to long range scholastic success. Our goal is to assist students in developing primary academic skills that will provide a solid foundation for future learning. Therefore, at Rimes ELLC, academic achievement is our foremost priority that we hold ourselves, parents, and students together with the community mutually responsible.

*Grades 6-12 Only Sec. 1003.413 (b) F.S

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

*High Schools Only

Note: Required for High School-Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Postsecondary Transition

Note: Required for High School- Sec. 1008.37(4), F.S. Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>.

PART II: EXPECTED IMPROVEMENTS

School Advisory Council (SAC)

SAC Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

Yes No

If No, describe the measures being taken to comply with SAC requirements.

Describe the activities of the SAC for the upcoming school year.

To support Rimes' School Improvement Plan.
