

PARENT FAMILY ENGAGEMENT PLAN

August 2019

At Pasco High School we will:

1. Involve parents in the planning, review and improvement of their Comprehensive Needs Assessment and the Title 1 program. The school will jointly develop and evaluate the Parent & Family Engagement plan with an adequate representation of parents.

We will have several meetings in the 2nd & 3rd quarters to discuss subjects and needs within the school that families may need help in understanding or learn more about

2. Develop a school-home compact that outlines how parents, students, and school staff will share the responsibility in improving student achievement and describes how parents & teacher will communicate.

This compact can be found yearly during registration week as well as in the front lobby of the PHS administration office.

Parents and students must review the compact together, sign it and return it to the school within the 1st 2 weeks of school starting.

All parents are encouraged to give their feedback regarding the Engagement Plan and School Compact by contacting Mrs. Enright @ denright@pasco.k12.fl.us or by attending the SAC, PTSA or our Parent Involvement Committee Meetings.

The Mission of Pasco High School is to create a collaborative environment that nurtures learning, mutual respect, and a strong work ethic, thereby helping to develop future citizens for the challenges that lie ahead

Held Annually during Open House

3. Hold an annual meeting for families to explain the Title 1 program and the rights of parents to be involved.

Meetings will explain what being a Title 1 school means, how it affects families and what you can do to be involved.

Parents will be notified if there is a teacher that does not meet the requirements or certification of the course they are teaching. Notices will be located at Registration, Open House and in the front lobby of the Administration building throughout the year.

4. Identify partnerships that coordinate & integrate Title 1 and local/ Federal funds to provide opportunities that encourage and support parents in more fully participating in the education of their children and/or to help support learning at home.

Staff participates in Poverty Training.

Young parents can participate in the Cyesis program which allows teen moms to stay in school and complete their education while bringing their babies with them up to 4 years old.

Our social workers perform home visits when needed.

5. Use a portion of Title 1 funds to support parent and family engagement and involve parents in deciding how these funds are used.

Parent University was established in 2017 based on topics parents wanted to learn more about. **These meetings are held monthly**

Upcoming Dates:

September 24th

October 22nd

November 19th

December No Workshop

January 28th

February 25th

March 24th and

April 21st

Get Involved and stay Involved * Full house at a parent assembly

6. Provide assistance, training, workshops, events and/or meetings for parents to help them understand the education system, curriculum, standards, state assessments and achievement levels.

Offer workshops, events and /or meetings at flexible dates/times.

Provide information to parents in a timely manner and in an easy to read format.

7. Utilize strategies to ensure meaningful communication.

8. Educate and build the capacity of school staff on ways in which to work with and engage families effectively as well as the importance of parent engagement in increasing student achievement.

9. Provide an easily accessible resource area where parents and families can get information about the school facility, school policies, contacts, academic assistance, community resources and other materials.

Materials can be found in front office or in Mrs. Enright's office 01-101, and on our school website under parent involvement.
