Woodlawn Elementary School

1600 16TH ST N, St Petersburg, FL 33704

<http://www.woodlawn-es.pinellas.k12.fl.us>

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

The mission of Woodlawn Elementary is to establish a respectful learning environment that builds the foundation for scholars to have a successful future through relationships, relevance and rigor.

Provide the school's vision statement.

100% Student success

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Graham, Vickie	Principal	The principal oversees the daily operation of the entire school. They are in charge of hiring and retention of teachers, promoting a positive school culture and climate for all staff and scholars and ensuring best teaching practices are known and used for improvement of student achievement.
Richards-Betts, Gwendetta	Assistant Principal	The Assistant Principal supports and leads assigned school teams to increased school and student outcomes through ongoing training, coaching, feedback and support by prioritizing instruction while effectively balancing operational, safety and policy responsibilities, as assigned.

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Our process for stakeholder involvement in the development of Woodlawn's SIP included:

- *Reviewing survey data from the 2022-23 school year (parents, staff & students)
- *Input from leadership team & staff goal managers
- *Feedback from grade level teams

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State’s academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Besides reviewing the SIP at SAC meetings; we will also monitor the SIP on the fourth Tuesday of every month at SIP committee meetings.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

2023-24 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	1	5	9	5	6	6	0	0	0	32
One or more suspensions	0	1	0	1	2	0	0	0	0	4
Course failure in English Language Arts (ELA)	0	15	2	4	3	5	0	0	0	29
Course failure in Math	0	15	3	6	3	4	0	0	0	31
Level 1 on statewide ELA assessment	0	0	0	6	15	13	0	0	0	34
Level 1 on statewide Math assessment	0	0	0	11	20	19	0	0	0	50
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	4	5	6	1	5	6	0	0	0	27
	0	0	0	0	0	0	0	0	0	
	0	0	0	0	0	0	0	0	0	

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	23	6	14	16	19	0	0	0	78

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	2	6	3	1	0	0	0	0	0	12
Students retained two or more times	0	0	0	0	0	0	0	0	0	

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	1	19	10	7	9	5	0	0	0	51
One or more suspensions	0	0	1	0	1	0	0	0	0	2
Course failure in ELA	0	0	0	0	1	0	0	0	0	1
Course failure in Math	0	0	0	1	1	0	0	0	0	2
Level 1 on statewide ELA assessment	0	0	0	11	11	13	0	0	0	35
Level 1 on statewide Math assessment	0	0	0	8	13	18	0	0	0	39
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	6	4	1	3	4	6	0	0	0	24

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	2	2	4	6	1	0	0	0	15

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	3	5	4	3	0	0	0	0	0	15
Students retained two or more times	0	0	0	0	0	0	0	0	0	

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	1	19	10	7	9	5	0	0	0	51
One or more suspensions	0	0	1	0	1	0	0	0	0	2
Course failure in ELA	0	0	0	0	1	0	0	0	0	1
Course failure in Math	0	0	0	1	1	0	0	0	0	2
Level 1 on statewide ELA assessment	0	0	0	11	11	13	0	0	0	35
Level 1 on statewide Math assessment	0	0	0	8	13	18	0	0	0	39
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	6	4	1	3	4	6	0	0	0	24

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	2	2	4	6	1	0	0	0	15

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	3	5	4	3	0	0	0	0	0	15
Students retained two or more times	0	0	0	0	0	0	0	0	0	

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	33	54	53	30	55	56	25		
ELA Learning Gains				53			46		
ELA Lowest 25th Percentile				50			30		
Math Achievement*	30	61	59	39	51	50	28		
Math Learning Gains				33			17		
Math Lowest 25th Percentile				8					
Science Achievement*	32	62	54	21	62	59	26		
Social Studies Achievement*					65	64			
Middle School Acceleration					52	52			
Graduation Rate					57	50			
College and Career Acceleration						80			
ELP Progress	57	64	59	50			100		

** In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.*

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

05	2023 - Spring	30%	60%	-30%	51%	-21%

III. Planning for Improvement

Data Analysis/Reflection
 Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Science data showed the lowest performance at 32% proficiency. However, there was an eleven percent point increase from the 2021-22 school year.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data component that has had the greatest decline is Math. In the 2019 school year, math proficiency was 48%. During the 2021 school year, math proficiency was 28%. In the 2022 school year, math proficiency was 39%. During the 2023 school year, math proficiency was 34%.

Factors that contributed to the decline:

- *COVID decline
- *Lack of number sense
- *Lack of fact fluency

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The data component that had the greatest gap when compared to the state average was math. The students at Woodlawn in grades 3 - 5 were 34% proficient in math. The state average was 58%. Factors that contributed to the gap:

- *Lack of number sense
- *Lack of conceptual understanding of mathematical concepts

Which data component showed the most improvement? What new actions did your school take in this area?

Science was the data component that showed the most improvement. The science increased from 21% proficient (2021-2022) to 32% proficient (2022-2023) school year.

- *Attending weekly planning sessions
- *Reviewing diagnostic data
- *Remediated previous taught benchmarks
- *Providing nature of science experiences
- * Attending science professional development
- *Planning standards-based instruction with Science Coach

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Absent 10% or more days: 51 students
Level 1 on statewide math assessment: 35 students

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

- *Increase reading proficiency
- *Increase math proficiency
- *Decrease absences

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Instructional Practice specifically relating to Benchmark-aligned Instruction**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Data collected from statewide assessment for ELA indicated proficiency levels at 35 % for grades 3 -5. Proficiency levels for Mathematics based on the statewide assessment for grades 3 - 5 are 34 %. Science proficiency score on SSA was 32%. Teachers need to focus lessons on standards and tasks aligned to the standards. Teachers need professional development opportunities to learn effective teaching strategies.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The percent of scholars achieving proficiency in ELA will increase from 35% proficient to 50% as measured by the PM3 (FAST) Florida Assessment for Student Thinking.

Grade 3 proficiency will increase from 55% to 70% as measured by the PM3 FAST.

The percent of students achieving Mathematics proficiency will increase from 34% to 50% as measured by the Florida Assessment for Student Thinking for Mathematics. Our level of proficiency for Science was 32% proficient on the Florida Statewide Science Assessment. We expect our level to increase to 40% by May 2024. Based on observations, at least 75% of teachers will have aligned instruction and task to Benchmark standards.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Monitoring will occur by administrators conducting classroom visits and providing feedback to teachers. Administrators will attend all PLC's for data discussions and actionable planning. Progress monitoring and data chats will occur by administrators and teachers for school, district, and state assessments

Person responsible for monitoring outcome:

Vickie Graham (grahamv@pcsb.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Gain a deep understanding of the B.E.S.T. Standards and FSASS as a non-negotiable for improving scholar outcomes. Monitor whole group and small group instruction to ensure instruction is designed and implemented according to evidence-based principles. WICOR strategies will be implemented across content areas.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Standards-based data (FAST) collected from the 2022-2023 school year showed scholars performing below grade level in ELA, Math, and Science with a lack of consistency in tasks aligned to grade-appropriate standards. Scholars are not provided with consistent opportunities to be successful with standards-aligned tasks, and teachers have limited effective teaching methods to support learning.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- *Establish structures in PLC's & Collaborative Planning to include the following.
- *Become familiar with the design in order to understand what students are expected to master.
- *Synthesize the benchmarks, benchmark clarifications, and appendices to fully understand the expected outcomes that carry the full weight of the standards.
- *Purposefully combine/stack standards and benchmarks to support learning so that a benchmark is spotlighted and supporting benchmarks (such as ELA Expectations/MTRs) that enhance instruction are incorporated in the lesson to meet the demands of the spotlighted benchmark.
- *Ensure instructional supports are in place for all students during core instruction and independence, including supports for scholars with exceptional, English Language supports as well as extensions/more advanced texts for students above the benchmark. These supports include access to grade-level text and beyond, small group instruction based on data.

The following two positions will be in place to support this area of focus:

The MTSS coach at Woodlawn Elementary will work closely with our school educational diagnostician with our Tier II and III scholars. They will collaborate with the literacy and math coaches about Tier II and III students' progress. The MTSS coaches and educational diagnostician will have a laser-like focus on Tier II and III students. Tier II students will receive an additional 30 minutes daily of small group instruction. (progress monitoring bi-weekly) Tier III will receive 60 minutes of small group instruction. (progress monitoring weekly) The MTSS coaches will collaborate with the content area coaches on how to differentiate instruction during core. They will provide adequate professional development as needed on implementing RTI with fidelity. Additionally, they will work with small groups.

The Part Time Hourly Teacher at Woodlawn Elementary will be scheduled to work 5 hours per day, 5 days per week. This teacher will use researched based strategies and interventions to support enrichment and/or reteaching of content, assisting with individual or small group instruction, assisting with administering diagnostics and assessments, and planning support based on assessment results.

Person Responsible: Vickie Graham (grahamv@pcsb.org)

By When: On-going throughout the 2023-2024 school year

#2. ESSA Subgroup specifically relating to Outcomes for Multiple Subgroups

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on 2022 FSA data, the proficiency data for the Economically Disadvantaged (28%), Students with Disabilities(14%), EL (28%), and African American (32%) subgroups fell below 41% proficient.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The percent of students achieving proficiency will increase to at least 41% of the students in these subgroups scoring at a level 3 and above on FAST for the 2023-24 school year.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

SBLT will monitor data student progress utilizing District and State Assessments. Teachers will utilize data in performance matters from standards based assessments to track progress of students in these subgroups.

Person responsible for monitoring outcome:

Vickie Graham (grahamv@pcsb.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Provide ongoing PD for teachers on high yield teaching strategies, AVID, and Restorative Practices and the 6M's.

2. Data will be reviewed and shared at PLC's to discuss action planning.
3. Administrators/Teachers will conduct walkthroughs for implementation of CRT.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

In order for scholars to increase proficiency it is imperative that core instruction is implemented utilizing effective strategies that are scholar centered and meet the needs of each and every scholar.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Provide ongoing PD for teachers on culturally relevant teaching routines, AVID, and Restorative Practices and the 6M's.
2. Data will be reviewed and shared at PLC's to discuss action planning.
3. Administrators/Teachers will conduct walkthroughs for implementation of CRT.

Person Responsible: Gwendetta Richards-Betts (richards-bettsg@pcsb.org)

By When: On-going throughout the 2023-2024 school year

For (SWD) subgroup Scholars will receive instruction in foundational skills necessary to engage in rigorous, grade level content by using evidence based practices. Scholars will receive scaffolded instruction in the general education classroom supported by ESE teachers.

Person Responsible: Gwendetta Richards-Betts (richards-bettsg@pcsb.org)

By When: On-going throughout the 2023-2024 school year

For EL scholars, we will establish and implement processes that create a system of support. Teachers will plan and deliver instruction that meets the needs of EL students based on English language proficiency levels and the length of time in the U.S. to ensure academic success.

Person Responsible: Gwendetta Richards-Betts (richards-bettsg@pcsb.org)

By When: On-going throughout the 2023-2024 school year

Additional learning opportunities are provided outside of the school day to broaden background knowledge, schema, vocabulary and experiences. (Economically Disadvantaged)

Person Responsible: Gwendetta Richards-Betts (richards-bettsg@pcsb.org)

By When: On-going throughout the 2023-2024 school year

#3. Positive Culture and Environment specifically relating to Early Warning System**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Early warning system was identified as a crucial need as a result of the EWS data:

* 51 students were absent 10% or more days

*39 students scored a level 1 on the math portion of the statewide assessment

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

*Decrease the number of students that were absent 10% or more from 51 students to 20 students

*Decrease the number of students that scored a level 1 on the math portion of the statewide assessment from 39 students to 19 students.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The SBLT and CST will monitor attendance data and the number of incentives given biweekly to decrease student absences.

Formative, summative and observational, and FAST math data will be monitored at SBLT (bi-weekly) and PLCS as assessments are completed and the end of unit or benchmark.

Person responsible for monitoring outcome:

Gwendetta Richards-Betts (richards-bettsg@pcsb.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Decrease the number of students that were absent 10% or more from 51 students to 20 students.

*Work with Student Service team

*Child Study Team meetings twice a month

*Behavior incentives

Decrease the number of students that scored a level 1 on the math portion of the statewide assessment from 39 students to 19 students.

* Provide standards-based core instruction

*Address common misconceptions and errors in math

*Provide opportunities for students to work through concrete, representational, and abstract understanding

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

In order to increase math proficiency students, need to be in school to receive the instruction and teachers must provide standards-based instruction. Which includes students having the experiences to work through math problems to develop a deep level on conceptual understanding.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No description entered

Person Responsible: Vickie Graham (grahamv@pcsb.org)

By When: On-going throughout the 2023-24 school year.

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

Pinellas County Schools Superintendent and the Pinellas County School Board have invested in a strong support structure that creates an increasing number of strategies and interventions to support schools in need. The district has robust systems, processes, and measures to continually review the progress in the schools in support of their continued improvement. Data review has informed the various aspects of this plan. It connects several ongoing monitoring systems to support the schools in alignment with the domains for school turnaround: Effective Leadership, Collaborative Teaching, Ambitious Instruction and Learning, Safe and Supportive Environment, and Family and Community Engagement. The Leadership Team will continue to meet weekly to monitor the progress of our Differentiated Accountability (DA) schools. Issues identified in the process include but are not limited to the following: teacher concerns, staffing model, technology, facilities, instructional practices, the effectiveness of School-based Leadership Teams, coaching support model, allocation of resources, progress monitoring, and student performance. The team evaluates identified issues weekly and establishes a plan of action to resolve them effectively and efficiently.

The process to review school improvement funding at Woodlawn is reviewed by the content goal managers and team monthly by staff. The budget plan is reviewed also by our Title I office, who offers technical assistance and reviews the budget to ensure spending is focused on school Improvement action steps and resources. Stakeholders such as parents and the community are also afforded an opportunity to review the budget of the SIP is used based on the needs of the school identified in the plan at SAC meetings.

Reading Achievement Initiative for Scholastic Excellence (RAISE)

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Strategically focus on fully implementing the Pinellas Early Literacy Initiative by focusing on VKP-2 classrooms ensuring equitable use of resources including instructional supports, school-based professional development, cycles of coaching, and feedback.

Grades 3-5: Instructional Practice specifically related to Reading/ELA

District and site based coaches and Instructional Leadership team will strategically support teachers in grades 3 - 5 through the equitable use of resources including instructional supports, school-based professional development, cycles of coaching and feedback.

Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2 Measurable Outcomes

Proficiency rates will increase by 20% in grades K-2, as measured by the beginning and end of year data on the FAST.

Grades 3-5 Measurable Outcomes

Proficiency rates will increase by 10% in grades 3rd-5th, as measured by the beginning and end of year data on the FAST.

Monitoring

Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

School based instructional leadership team (ILT) that is made up of the Principal, Assistant Principal, PELI Coach, District, Math Coach, Science Coach, MTSS Coach will monitor data through the use of all common assessments, formative and summative assessments. We will monitor that interventions for all Tier 2 and Tier 3 students are done with fidelity. The ILT Team will provide support and feedback focused on explicit, systematic and sequential approaches for all instructional content areas.

Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Graham, Vickie, grahamv@pcsb.org

Evidence-based Practices/Programs**Description:**

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

- o Provides print rich, explicit, systematic, and scaffolded instruction
- o Teach students to decode words, analyze word parts, and recognize words
- o Reinforce the effectiveness of instruction in alphabets, fluency, and vocabulary
- o Provide instruction in broad oral language skills
- o Teach students how to use reading comprehension strategies
- o Ensure that each student reads connected text every day to support reading accuracy, fluency, and comprehension

Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

To develop literacy, students need instruction in two related sets of skills: foundational reading skills and reading comprehension skills. Employing the evidence-based strategies and action steps will enable students to read words (alphabets), relate those words to their oral language, and read connected text with sufficient accuracy and fluency to understand what they read.

Action Steps to Implement

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step	Person Responsible for Monitoring
-------------	-----------------------------------

Literacy Leadership

School Literacy Leadership Teams are meeting regularly to look at data to make informed decisions about what professional learning and supports need to be in place to maximize student growth in reading.

School Literacy Leadership teams support the full implementation of the Pinellas Early Literacy Initiative in grades VPK-2.

Build capacity by identifying teachers, coaches, and district staff who can support training in understanding how high-quality instructional materials connect to evidence-based practices and the B.E.S.T standards.

School Literacy Leadership Team plan family reading nights grounded in family-friendly evidence-based practices to support the homeschool connection.

Graham, Vickie,
grahamv@pcsb.org

Literacy Coaching

Literacy coaches work with school principals to plan and implement consistent professional learning outlined by the Pinellas Early Literacy Initiative around evidence-based practices grounded in the science of reading as well as the UFLC Flamingo Small group model to demonstrate a significant effect on improving student outcomes.

Literacy coaches prioritize time to those teachers, activities, and roles that will have the greatest impact on student achievement in reading, namely coaching, modeling, and mentoring in classrooms daily.

Literacy coaches support and train teachers to administer assessments, analyze data and use data to differentiate instruction.

Graham, Vickie,
grahamv@pcsb.org

Assessment

Develop a structure for ongoing formative assessment is in place to determine where instruction should be modified to meet individual student needs

Determine a structure for conducting screening, progress monitoring, and diagnostic assessments is in place to identify students with a substantial deficiency in reading.

Utilize a walkthrough tool to provide feedback to teachers to communicate and highlight how evidence-based practices learned as a part of the Pinellas Early Literacy Initiative professional development are impacting student achievement within the classroom

Graham, Vickie,
grahamv@pcsb.org

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))

List the school's webpage* where the SIP is made publicly available.

Woodlawn Elementary School will provide information to all stakeholders regarding SIP, UniSIG budget and SWP programs in a timely manner using various methods of communication including meetings, letters home, Class Dojo, emails and the school website. During the Annual Title I Meeting and SAC meetings information about Title I programs, curriculum, and academic assessments will be shared. Up-to-date information will also be kept at the "Parent Station" located in the front office for parent convenience.

<https://www.pcsb.org/woodlawn-es>

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Woodlawn Elementary School seeks to provide excellent customer service and availability for parents. The administrators make themselves available to parents to the largest degree possible when parents come to the school with questions or concerns. We offer evening events throughout the year. We video our schoolwide meetings and celebrations to share virtually with all families on Class Dojo.

Report cards, Midterm progress reports
Take home folders
Class newsletters
School messenger
Social Media postings

<https://www.pcsb.org/woodlawn-es>

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)

One of Woodlawn's area of Focus is: Instructional Practice specifically relating to Standards-aligned Instruction.

Our measurable outcomes for this goal are:

*The percent of scholars achieving proficiency in ELA will increase from 35% to 45% as measured by the (FAST) Florida Assessment for Student Thinking.

*The percent of students achieving Mathematics proficiency will increase from 34% to 45%

as measured by the Florida Assessment for Student Thinking for Mathematics.

*Our level of proficiency for Science was 32% proficient on the Florida Statewide Science Assessment. We expect our level to increase to 40% by May 2024.

Based on observations, at least 75% of teachers will have aligned instruction and task to Benchmark standards.

We will achieve these measurable outcomes by:

School leadership team will strengthen the academic program at Woodlawn by creating a master schedule that reflects bell to bell instruction, analyzing data at weekly PLCs, collaborative planning sessions with district/TZ coaches and school leadership, onsite and district content professional development, and a promise time program that includes remediation and enrichment.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

Budget to Support Areas of Focus

Part VII: Budget to Support Areas of Focus

The approved budget does not reflect any amendments submitted for this project.

1	III.B.	Area of Focus: Instructional Practice: Benchmark-aligned Instruction				\$47,862.50
Function	Object	Budget Focus	Funding Source	FTE	2023-24	
6400	130	4931 - Woodlawn Elementary School	UniSIG	0.43	\$24,471.00	
		<i>Notes: Instructional staff training services/other certified: The instructional staff developer (ISD), multi-tiered system of supports (MTSS) coach will support teachers 1) in planning and aligning classroom plans to district and state standards, 2) analyzing, monitoring, and communicating response to instruction/intervention data, 3) monitoring schoolwide achievement data, and 4) monitoring behavior data as a member of the school based leadership team (SBLT), identifying students not responding to Tier I supports, and coaching teachers on implementing Tier II supports.</i>				
5100	510	4931 - Woodlawn Elementary School	UniSIG		\$6,746.50	
		<i>Notes: Instructional, basic/supplies: Materials and supplies supporting instructional delivery: IReady Magnetic Readers at multiple levels, student instruction workbooks, and the following math supplies calculators, student dry erase boards, flash cards, and manipulatives (math link cubes, transparent counters).</i>				
6400	210	4931 - Woodlawn Elementary School	UniSIG	0.43	\$3,321.00	
		<i>Notes: Instructional staff training services/retirement: ISD MTSS teacher retirement contribution (13.57%).</i>				
6400	220	4931 - Woodlawn Elementary School	UniSIG	0.43	\$1,872.00	
		<i>Notes: Instructional staff training services/Federal Insurance Contributions Act (FICA): ISD MTSS teacher FICA taxes (7.65%).</i>				

	6400	230	4931 - Woodlawn Elementary School	UniSIG	0.43	\$5,695.00
			<i>Notes: Instructional staff training services/group insurance: ISD MTSS teacher group insurance (average \$13,245).</i>			
	5100	120	4931 - Woodlawn Elementary School	UniSIG	0.07	\$3,984.00
			<i>Notes: Instruction, basic/classroom teacher: The ISD MTSS position will teach one class focusing on small group intervention for students needing additional intervention to close the learning gap. The ISD's class will present instructional practices in a model/ demonstration classroom setting for observation by all math and reading instructors.</i>			
	5100	210	4931 - Woodlawn Elementary School	UniSIG	0.07	\$541.00
			<i>Notes: Instruction, basic/retirement: ISD MTSS teacher retirement contribution (13.57%).</i>			
	5100	220	4931 - Woodlawn Elementary School	UniSIG	0.07	\$305.00
			<i>Notes: Instructional staff training services/Federal Insurance Contributions Act (FICA): ISD MTSS teacher FICA taxes (7.65%).</i>			
	5100	230	4931 - Woodlawn Elementary School	UniSIG	0.07	\$927.00
			<i>Notes: Instruction, basic/group insurance. ISD MTSS teacher group insurance (average \$13,245).</i>			
2	III.B.	Area of Focus: ESSA Subgroup: Outcomes for Multiple Subgroups				\$73,975.00
	Function	Object	Budget Focus	Funding Source	FTE	2023-24
	6400	130	4931 - Woodlawn Elementary School	UniSIG	0.43	\$24,471.00
			<i>Notes: Instructional staff training services/other certified: The instructional staff developer (ISD), multi-tiered system of supports (MTSS) coach will support teachers 1) in planning and aligning classroom plans to district and state standards, 2) analyzing, monitoring, and communicating response to instruction/intervention data, 3) monitoring schoolwide achievement data, and 4) monitoring behavior data as a member of the school based leadership team (SBLT), identifying students not responding to Tier I supports, and coaching teachers on implementing Tier II supports.</i>
