Each Title I school shall jointly develop with parents and family members of participating children, a written plan that shall describe how the school will carry out the requirements mentioned below. Parents shall be notified of the plan in an understandable and uniform format and, to the extent practical, provided in a language the parents can understand. The school plan must be made available to the local community and updated and agreed upon by parents periodically to meet the changing needs of parents and the school.

School's vision for engaging families:
