Mission Statement

Parent and Family Engagement Mission Statement

The Sawgrass Lake school community creates a quality educational setting that promotes critical thinking skills for college and careers by providing a relevant and rigorous curriculum and building positive relationships.

The mission of Sawgrass Lake is to reach 100% parent involvement by providing parents with multiple opportunities to become part of our school through volunteer service and engagement activities.

Engagement of Parents

Sawgrass Lake Elementary believes in involving parents in all aspects of its Title I programs, therefore our school will encourage parents to become active members of our School Advisory Council (SAC). More than 50 percent of the members of the SAC are required to be parent (non-employee) representatives. The SAC has the responsibility for developing, implementing, and evaluating the various school level plans, including the School Improvement Plan (SIP) and Parent and Family Engagement Plan (PFEP). Therefore, parents will be provided opportunities to give input in the development and decision-making process of all Title I activities related to the school. An annual evaluation will be conducted using surveys completed by stakeholders. The results will be analyzed to evaluate the effectiveness of the school's parent involvement program. Parents may request additional support either directly through their child's teacher or grade level administrator. A parent may also request support during regularly scheduled SAC or PTA meetings.
