Eligibility and Allocation

Eligibility

Eligibility for 2020-21 TSSSA will be based on 2019 school grades and meeting one of the following criteria: a school implementing a turnaround plan or a turnaround school that has improved to a C or higher and has exited turnaround status within the last two years.

The preliminary allocation is based on a per-FTE funding amount of \$500 or as provided by the General Appropriations Act. Districts are required to complete a district-level plan. In addition, school-level plans are also required. The district and school level plans must be submitted to your school board for approval by August 1. The school board approved plan is due to the Bureau of School Improvement no later than September 1.

Allocation

School ID	School Name	Implementing	Exited Year 1	Exited Year 2	Preliminary Allocation	Updated Allocation
2451	Palm Terrace Elementary School	Y			\$294,495.00	

Plan Assurances

Family and Community Partnerships

Assure that the school will implement strategies to establish comprehensive support services that develop family and community partnerships.

YES

Academic and Character Standards

Assure that the school will implement strategies to establish clearly defined and measurable high academic and character standards.

YES

Parental Involvement

Assure that the school will implement strategies to increase parental involvement and engagement in the child's education.

YES

Incentives for Instructional Personnel

Assure that the school will implement strategies to identify, recruit, retain, and reward instructional personnel.

YES

Professional Development

Assure that the school will implement strategies to provide professional development that focuses on academic rigor, direct instruction, and creating high academic and character standards.

YES

Focused Instruction

Assure that the school will implement strategies to provide focused instruction to improve student academic proficiency, which may include additional instruction time beyond the normal school day or school year.

YES

Plan Items

Family and Community Partnerships

Explain how the school will establish comprehensive support services that develop family and community partnerships.

1 Social-Emotional Learning TOA (Teacher on Assignment) who will focus explicitly on helping our students acquire and effectively apply knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships. SEL programs create positive school communities that help students develop skills in areas such as handling anger, active listening, empathy, bias awareness and deescalating conflict-skills that help prevent conflicts and reduce bias. In return this will help develop family and community partnerships. The SEL TOA (Teacher on Assignment) will serve as the contact/coordinator of the SEL program at the school.

The SEL TOA will work to ensure that Volusia County Schools' Vision for SEL (Social Emotional Learning) is a priority at the school and progress is being made to bring the Vision forward
Our Vision of SEL (Volusia County Schools)

We aim to seamlessly integrate SEL into the academic experience for all learners and educators in Volusia County Schools. Through SEL, we will continue the work of reversing old paradigms predicated on hierarchy, violence, race, and subordination. Instead, equality, mutual respect, collaboration, civic participation, high academic achievement, and joy in learning will be the norm. By providing a foundation for safe and positive learning through SEL, we will enhance students' ability to succeed in school, careers, and life. Volusia County Schools is committed to creating a coherent and sustainable plan for long-term SEL implementation.

Academic and Character Standards

Explain the strategies the school will implement to establish clearly defined and measurable high academic and character standards.

One (1) intervention teacher who will provide Tier 2 & Tier 3 instruction to students performing below grade level in all core subjects, as well as students performing in the lowest quartile. The intervention teacher will also assist with ongoing progress monitoring to track student progress and determine if students are responding to the intervention.
Other academic supports include a before school session will be held hosting students in

primary grades where they will work on SuccessMaker to supplement their learning throughout the day. In addition, an after school session to be held for intermediate students in which they will work on SuccessMaker as a supplement to their learning throughout the school day.

Our Social Emotional Learning Teacher on Assignment will teach character lessons that will help students with their interactions with peers and adults in life. The SEL TOA will work on goal setting with students and monitor students' progress towards achieving their goals.

Parental Involvement

Explain the strategies the school will implement to increase parental involvement and engagement in the child's education.

SEL Materials (Ruler Program): SEL materials focus explicitly on addressing issues of culture and bias as a part of a process of creating a truly equitable atmosphere. SEL programs create positive school communities that help schools develop skills in areas such as handling anger, active listening, empathy, bias awareness and deescalating conflict-skills that help prevent conflicts and reduce bias. In return, this will help increase parental involvement in the child's education.

Multiple family/parent nights will be held throughout the year. In the Fall, we will hold a Technology Night for parents focusing on how to use different platforms offered, such as gradebook and VPortal. We will hold an interactive Math Night where parents will interact with math standards to gain understanding.

In the second semester of the school year, we will hold a family Science Night to promote science activities and make parents aware of available resources. Bingo for Books will be held in the second semester as well to increase students and parents desire to read books.

Incentives for Instructional Personnel

Explain the strategies the school will implement to identify, recruit, retain, and reward instructional personnel.

As referenced in the **K-12 ESEA Common Program Guidance**, Recruitment, retention and reward incentives must be based on a three-year aggregate state value-added model (VAM) score. If state VAM is not available, another student growth model may be proposed. The student growth model must be fair and reliable. The LEA must submit the model demonstrating the classification and distribution of non-state VAM teacher scores for approval. Incentives can be part of a structured pay system or a Memorandum of Understanding (MOU); however, the above criteria shall apply. Incentives for attendance and non-instructional personnel are not allowable. Recruitment incentives for teachers with less than one year of experience or for hard to staff positions will be considered on a case by case basis.

Volusia County will award each instructional staff member \$1,000 based on the following criteria:

- A 3-year state aggregated VAM score of effective or highly effective

Or in the absence of a qualifying 3-year state aggregated VAM score each instructional staff member will receive \$1,000 based on the following student growth measurement:

- A class median of 70% towards the typical growth goal in both i-Ready Reading and Math from December 2019 diagnostic 2 to May 2021 diagnostic 3 assessment data.

- In the absence of an i-Ready roster, instructional staff will qualify if the overall school's median is 70% towards the typical growth goal in both i-Ready Reading and Math from December 2019 diagnostic 2 to May 2021 diagnostic 3 assessment data.

To be eligible, teachers must be employed with a TSSSA school by 10/1/20 and remain until the time of payment.

Professional Development

Explain the strategies the school will implement to provide professional development that focuses on academic rigor, direct instruction, and creating high academic and character standards.

Palm Terrace Extended School Year - Planning
(16 Teachers x \$25 x 6 hrs x 1 day)

AP Extended Summer (1 Assistant Principal x \$35 x 10 hrs x 15 days)

Three teachers per grade level.

Intervention, pre-teaching upcoming content, and minimizing summer loss will be the focus of the extended year program.

Focused Instruction

Explain the strategies the school will implement to provide focused instruction to improve student academic proficiency, which may include additional instruction time beyond the normal school day or school year.

Palm Terrace Extended School Year-Tutoring 15 teachers 3 per grade level K-4th and 1 Academic Coach. (16 Teachers x \$30 x 6 hrs x 15 days)

Daily lessons will consist of explicit instruction in the five areas of reading based on student needs. Instructional staff will implement both whole group and small group instruction to meet the differentiated needs of the students. Targeted intervention will be built into the daily schedule to address reading deficiency areas. Teachers will utilize read alouds/think alouds using the book lists from the newly adopted B.E.S.T. ELA Standards. All students will have opportunities embedded into the day to further develop independence, self-confidence, and building relationships with adults and peers.

1 Intervention Teacher. Intervention teacher will provide extra support to struggling students in core subject areas.

Part V: Budget

This section will assist in generating a school TSSSA budget for submission based upon each budget item tied to a Plan Item identified in the Part III: Plan Items.

Access the budget by clicking the blue Manage Budget button. This will direct you to the Budget page. This page includes the breakdown of funds by Plan Item.
