OVERVIEW

The Hernando County School District Local Educational Agency (LEA) can only receive Title I, Part A funds if it conducts outreach to all parents and family members and implements programs, activities, and procedures for the involvement of parents and families consistent with Section 1116 of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) of 1965. The programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

School level plans are required to be developed with the input of parents and families to improve student achievement and performance. The planning process can also include meaningful consultation with employers, business leaders, and philanthropic organizations. This template will assist schools with the best practices aligned to federal, state, and local expectations for compliance.

Below is an approach that can be used for Parent and Family Engagement.

NEEDS ASSESSMENT

The Needs Assessment is the foundation of the Parent and Family Engagement plan. When meeting with parents and stakeholders, data from the needs assessment process provides previous year and trend data that can be used to make decisions about plan implementation for the upcoming year. That way decisions are not arbitrary but data-driven and purposeful.

Previous Year Financial and Programmatic Outcomes

Fiscal Overview from the Previous Fiscal Year

(this section is not required for new Title I Schools)

Total Parent and Family Allocation from the Previous Year	Total Funds Expended
\$3,421.48	\$2,224.08
If funds remained at the end of the year, explain why funds weren't fully expended and how parents will be engaged to plan for funds to be fully expended during the current plan year	
Funds weren't fully expended due to items costing less than initially quoted. This year, the parent engagement funds will be fully expended by purchasing a variety of parent engagement tools to use at home.

Barriers

Describe the steps that will be taken during the upcoming school year to overcome the parent and family engagement barriers (required - include how the school will overcome barriers for students with family members who have limited English proficiency, parents and family members with disabilities, and parents and family members who are migrants in accordance to ESSA Section 1116 (f)).		
	Barrier	Steps or strategies that will be implemented to eliminate or reduce the barrier
1	Work/ Transportation	The Title One Facilitator will implement Virtual or Hybrid Meetings. For face-to-face meetings or parent events, handouts, and digital copies with pertinent information will be sent home and shared on the Remind Communication Application. If recordings of the events are possible, they will be sent digitally to families using Remind.
2	Time	The Title One Facilitator will use Virtual meetings and recordings of the events made available through our communication application to families.
3	Limited English Proficiency	Families with limited English proficiency will receive translated handouts of all pertinent documents. Our ESOL Lead Teacher and ESOL Paraprofessional will participate to in any event and parent-teacher conferences to assist with communication. All communication that are sent home to parents has a uniform Spanish statement at the bottom stating that verbal translation is available.
4	Parents and Families with Disabilities	PGES is in compliance with the Federal Americans with Disabilities Act. Any parent requiring additional assistance can make arrangements by calling the office staff ahead of time in order to accommodate their needs.
5	Migrant Families	Guidance counselors and teachers will continue to keep the lines of communication open with any family that moves due to being a migrant worker. This will ensure continuity of engagement in school and help to keep the family informed of important information for their child.

COMMUNICATION AND ACCESSIBILITY

Communication is an extension of Needs Assessment as trend data has shown that parents comment that communication processes should be improved so they are fully engaged.

Accessibility

Describe how the school will provide full opportunities for all parents and families (keeping in mind the diverse makeup of our families) to participate in all parent and family engagement activities. This includes strategies for parents who have specific needs such as parents with special transportation needs, parents who work multiple jobs, court appointed parents, parents who are disabled, parents who speak English as a second language, migrant parents, parents with multiple children in multiple schools, guardians, guardians with multiple students in a home, etc. Specifically, how will barriers be removed to ensure parents/guardians/family units are a part of their child's education?

Pine Grove Elementary provides many opportunities for parents and guardians to participate in parent and family engagement activities. We have a large ESOL population, so translators are available during parent conferences and family engagement activities. Translators are also available to make bilingual phone calls home to inform the parents of upcoming events.

Our school also has a high number of Students with Disabilities (SWD). Our SWD students are invited and included in all events. The case managers (ESE teachers) will provide monthly phone calls to their students. They will provide information about upcoming parent activities and helpful resources that are available to support the family engagement activities.

Pine Grove Elementary is a Pre-Kindergarten to 5th grade school, so we offer parent engagement events that are for many grade levels. For example, our Title I Annual Meeting, grade-level parent days/nights, STEAM (Science, Technology, Engineering, Arts, & Math) Night, and Literacy Night will incorporate tools for multiple grade levels. In addition, Pine Grove Elementary provides information so that our parents can access the District's website for Homework Help listed on the Parent Academy website. The website is organized by grade level and subject area. The site provides information about quarterly learning goals, standards for core subjects, and links to helpful academic websites. In addition, the resource videos provide students and parents with helpful hints to help their child with specific standards.

Teachers communicate with their parents through the following methods: text, phone, email, and virtual conferences, and the district-wide grading program. All resource teachers (Title I, ESE, and ESOL) communicate with the classroom teachers, students, and parents. Language barrier tools such as Google Translate and Bilingual Dictionaries are used.

Describe how the school will share information related to school and parent and family programs, meetings, school reports, and other activities in an understandable, uniform format and in languages that the parents and families can understand?

Communication is constant and relevant to each student specifically through daily and weekly communication with parents about their child's progress through the following: daily planners, parent conferences, electronic communication (Class Dojo and/or Remind) and Tuesday Communication folders.

What are the different languages spoken by students, parents and families at your school?

Spanish is the only different language spoken by parents and students at our school.

Translators support through a variety of methods. They participate in conferences to provide translation support, translate written messages, and assist with making phone calls. Google Translate and bilingual dictionaries are also used to make sure we reach all students and their parents.

(1) What decision-making opportunities are available for parents at the school site? (2) How will the school communicate opportunities for parents to participate in decision making?

- (1) Parents have the opportunity to help make decisions for the writing of the Parent Involvement Plan, School-Home Compact, School Improvement Plan, and Parent-Teacher Organization.
- (2) Opportunities are communicated through surveys, event response forms, and Title I/SAC Parent Meetings. Upcoming opportunities are advertised through fliers, Global Connect calls, Class Dojo/Remind, class newsletters, planners, website, and social media.

How will the school submit parents' and families' comments to the district Title I office if there are parent concerns about the implementation of the Title I school-wide plan that is not satisfactory to them? [ESEA Section 1116]

A district wide Title 1 parent survey is used to gather this information. The District Title I office will send each school principal the results of their school's survey. This information is then used to address any concerns. At the school level, surveys and parent meetings are used to collect input during the development of the Title I school-wide plan. Both plans are then voted on by parents at a Title I/SAC meeting and on-line votes. Parents will address any concerns at this time.

(1) How will the school publish and communicate THIS required Title I, Part A Parent and Family Engagement Plan to Parents and families (**technology cannot be the only option**)

The school publishes and communicates the requirement of Title I, Part A Parent & Family Engagement Plan to parents and families through a printed summary of the plan that is distributed at the Title I Annual Meeting Night and through the Sorry We Missed You Packets. Both the Parent and Family Engagement Plan (PFEP) and PFEP Summary of the plan are posted on the school's website and is available in print form in the main office.

FLEXIBLE PARENT AND FAMILY MEETINGS

Schools receiving Title I, Part A funds are required to convene an Annual Meeting. This meeting should be held at a convenient time for parents. BUILDING CAPACITY

When a school receives Title I, Part A funds, it is responsible for building the capacity of each parent to improve their child's academic achievement. This includes activities and strategies for parents to understand challenging State academic standards; State and local assessments; how to monitor their child's progress and work; literacy training; how to use technology; and other strategies of how parents can assist their child with the learning process. All funds expended under this section should align to this section and to achieving the goals in the Title I Schoolwide plan by engaging parents and families. [ESEA Section 1116 (e)]

BUILDING THE CAPACITY OF PARENTS AND FAMILY MEMBERS

How will the school implement activities that will build relationship with the community to improve student achievement?

Pine Grove Elementary will implement school-wide building capacity events that focus on literacy, math, science, and arts. In addition to the school-wide events, each grade level will host a parent event either during the school day or during the evening. The grade level events will have an academic focus that provide strategies and tools for parents to utilize at home with their children to improve student achievement. Due to our current situation, we will develop these activities virtually so that we can provide support to our families.

(1) How will the school partner with Parent Academy to support Parent and Family Engagement?
(2) Explain how the Parent Academy resources and trainings will be advertised to parents.

(1) The Parent Academy will support Parent Engagement activities and events through a variety of ways. Their support will include helping to gather grade level resources, creating take-home learning packets, putting together hands-on centers, preparing for parent events, help with creating event fliers for print and social media, and by presenting the Parent Academy website at events.

(2) All district Parent Academy resources and trainings are advertised to parents in the same ways that school events and resources are advertised.

PARENT AND FAMILY ENGAGEMENT EVENTS

If Parent and Family Engagement events are funded with Title I, Part A funds, they must be supplemental and cannot supplant activities that are funded with state and local funds. Additionally, events should contribute to the achievement of goals outlined in the Title I Schoolwide Plan.

As a Title I school, what evidence will you provide that will show that you have jointly developed a school-parent compact and that conferences were held with parents describing the compact?

The Parent and Family Engagement Plan (PFEP) and the School-Parent Compact are developed jointly with parents through the Title I Committee each April and May. After the documents are reviewed and approved by stakeholders, the PFEP and School-Parent Compact are sent to the District Title I Coordinator of Family Engagement for approval before being submitted to FLDOE. The evidence our school will use to show that we have jointly developed a school-parent compact are the minutes of the meetings, attendance of participants, agenda, and online survey results.

How will the principal ensure required conferences are implemented with ALL parents pertaining explaining the Parent Compact?

The school's administration team, principal and assistant principal, will ensure that the required conferences are implemented by hosting parent-teacher conferences, virtual conferences and/or phone conferences events.

The LEA shall ensure that all instructional staff working in schools, funded wholly or in part with Title I, Part A, meet the statutory requirements of being state certified. The LEA must ensure instructional paraprofessionals work under the direct supervision of a teacher.

If the LEA hires teachers or paraprofessionals to provide Title I services to private school students, the LEA shall ensure the teachers are state certified and paraprofessionals are highly qualified. The LEA shall ensure that paraprofessionals providing direct instruction to participating students are under the direct supervision and in close and frequent proximity to a state-certified public school teacher.

As a Title I school, what evidence will you provide that will show that you (1) notification informing parents that their child was assigned or was taught for four or more consecutive weeks by a teacher who was not properly licensed or endorsed (2) provided a list of teachers who were ineffective, out-of-field, or inexperienced according to the statewide definitions described in Florida's Approved ESSA State Plan.

As a Title I school, we will show as evidence for:

(1) Notification informing parents that their child was assigned or was taught for four or more consecutive weeks by a teacher who was not properly licensed or endorsed - the Principal's Attestation Letter and Not State Certified Letters sent to parents will be used as evidence.

(2) A list of teachers who were ineffective, out-of-field, or inexperienced according to the statewide definitions described in Florida's Approved Every Student Succeeds Act State Plan. This information is part of the Comprehensive Needs Assessment and is available at the school.
