# OVERVIEW

The Bradford County Public School District Local Education Agency (LEA) can only receive Title I, Part A funds if it conducts outreach to all parents and family members and implements programs, activities, and procedures for the involvement of parents and families consistent with Section 1116 of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) of 1965. The programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

School level plans are required to be developed with the input of parents and families to improve student achievement and performance. The planning process can also include meaningful consultation with employers, business leaders, and philanthropic organizations. This template will assist schools with the best practices aligned to federal, state, and local expectations for compliance.

**Below is an approach that can be used for Parent and Family Engagement.**

*"Treat children like they make a difference and they will."*

# NEEDS ASSESSMENT

The Needs Assessment is the foundation of the Parent and Family Engagement plan. When meeting with parents and stakeholders, data from the needs assessment process provides previous year and trend data that can be used to make decisions about plan implementation for the upcoming year. That way decisions are not arbitrary but data-driven and purposeful.

## Previous Year Financial and Programmatic Outcomes

### Fiscal Overview from the Previous Fiscal Year

*(this section is not required for new Title I Schools)*

Total Parent and Family Allocation from the Previous Year	Total Funds Expended	Total Funds Remaining
588.66	426.32	162.34
If funds remained at the end of the year, explain why funds weren't fully expended and how parents will be engaged to plan for funds to be fully expended during the current plan year

### Programmatic Overview from the Previous Fiscal Year

*(this section is not required for new Title I Schools)*

Summative Overview of the Parent Resource Room		
Total Visits to the Parent Resource Room (Must be documented on the Resource Room Sign in Sheet)	Total Resources Checked Out from the Parent Resource Room	Comments (include inventory that was not returned or any other information pertaining to parent involvement resource room)
Brooker Elementary does not have a Parent Resource Room		
Summary of Parent Engagement Events from the 2019-2020 Previous Year		
Name of Activity	Number of Participants	Results of Evidence of Effectiveness
Annual Title 1 Meeting & Meet and Greet	285	Parents felt welcome and confident about the school. What it means to be a Title 1 school conveyed to parents.

Eureka Math Parent Help Night/Book BINGO	30	Unfortunately, parents did not show up and actively participate in this event. Book BINGO by itself usually has standing room only, but because academic focus was attached, the turnout was not great.
a GRAND event	150	This provided an opportunity for grandparent-figures to come in and shop the book fair while spending time to read with their grandchild(ren). This is a very effective event as evidenced by the amount of scholastic dollars the school receives.
Donuts with Dad	100	This provides a time for father-life figures to come in and bring their child(ren) to school and enjoy breakfast. Effectiveness shown by evidence of percentage of fathers (or other father-like) that attended.
Scoring Big on the FSA	10	Parents encouraged to create a positive attitude towards testing.
Kindergarten Drive-Thru Registration	20	Parents and students excited to talk with principal and kindergarten teacher about the next school year.
Virtual SAC/Developmental Meeting	8	Feedback on the Compact and 2019-2020 planning. Decisions for 2020-2021

*Schools may add additional lines as it is aligned to the Parent and Family Engagement Plan from the previous fiscal year – activities must match activities included on the Parent and Family Engagement Plan from the previous school year. If an activity wasn't held, a 0 should be included for the "Number of Participants" column with an explanation why the event wasn't held in the "Results" column.*

### **Summary of the evaluation information and parent feedback collected from the Developmental Meeting held during the previous year (not applicable to new Title I, Part A schools).**

Based on the results of feedback collected following each event, thru the School Climate Survey, and minutes from the SAC/Developmental Meeting parents believe they are welcome at BES. They also believe our faculty and staff believe their child can learn.

### **Barriers**

**Using previous year financial and programmatic outcomes; district and school climate data; parent perception data; data from SAC meetings; parent attendance data; observational data; parent survey data; data from the Title I Developmental meeting; parent interviews and focus groups; teacher and administrator feedback; other forms of needs assessment data; and carry out a needs assessment process. Then, describe the barriers that hindered the participation and involvement of parents and family members during previous school years.**

1. Parents work long hours.
2. Limited financial resources which results in prioritization of financial expenditures. While most families have a vehicle, the cost of gasoline causes them to determine the necessity of the trip.
3. Parents from low socio-economic levels can be uncomfortable in a school setting.
4. Single parent families have young non-school aged children at home making it challenging to participate at school during the day or evening.

**(1) Prioritize the Top 3 barriers (it may be possible to combine some) and (2) describe the steps that will be taken during the upcoming school year to overcome the parent and family engagement barriers (required\*include how the school will overcome barriers for students with family members who have limited English proficiency, parents and family members with disabilities, and parents and family members who are migrants in accordance to ESSA Section 1116 (f)).**

1. Barrier 1 – Serve refreshments or light meals to encourage participation.
2. Barrier 2 – Make some events family friendly or provide an alternate activity for young non-school aged children.
3. Barrier 3 – Use Schoolwide DoJo, FaceBook and FOCUS Parent Portal to push the invites and important information out to parents. Teachers will send academic and behavior information home monthly alternating times between interims and report cards.
4. An open door policy by the principal allows for a flexible range to address concerns.

### **What are the overarching outcomes/goals for the current school year for parent and family engagement?**

Our school and district believe that a quality relationship between home and school is vital to a student's motivation, achievement, and well-being, and is committed to developing strong family partnerships that are supportive, informed, and effective.

Baseline enrollment in FOCUS Parent Portal: 7 out of 106 parents have a verified Parent Portal account (Oct. 2020). By the end of the third quarter, 85% of parents will have enrolled in FOCUS Parent Portal or Schoolwide DoJo. This information tool is easily accessible by phone. Parents will then be able to respond to teachers or attend events that they have been made aware of.

FaceBook posts have opened communication with parents about events at school such as emergency drills, picture day, and upcoming activities. Parents feel better informed which will be reflected on the Spring Climate Survey.

## COMMUNICATION AND ACCESSIBILITY

Communication is an extension of Needs Assessment as trend data has shown that parents comment that communication processes should be improved so they are fully engaged.

### Accessibility

**Describe how the school will provide full opportunities for all parents and families (keeping in mind the diverse makeup of 21<sup>st</sup> Century families) to participate in all parent and family engagement activities. This includes strategies for parents who have specific needs such as parents with special transportation needs, parents who work multiple jobs, court appointed parents, parents who are disabled, parents who speak English as a second language, migrant parents, parents with multiple children in multiple schools, guardians, guardians with multiple students in a home, etc. How will barriers be removed to ensure parents/guardians/family units are a part of their child's education?**

A variety of parental involvement activities at a variety of times during the day will be planned to ensure that each parent has ample opportunity to participate. Multiple sources will be used to communicate events for parents to be involved in. Pending BCSD Phase III reopening, Book Bingos are in the evening. Dads Bring Your Child to School will be at 7:15 a.m., Terrific Kid and Academic Awards programs are offered during the school day and Kindergarten Orientation will be at 9:00 a.m. SAC meetings are offered with additional opportunities for parents to come by the school to receive information from meeting if they could not attend original meeting time. Virtual opportunities will also be available.

Migrant partnership with Alachua County provides support and interpreters for migrant students with adequate scheduling. The Title 1 district office will provide information in other language as needed. The ESE department provides support for needs related to students with disabilities to ensure that all students and parents can participate.

**Describe how the school will share information related to school and parent and family programs, meetings, school reports, and other activities in an understandable, uniform format and in languages that the parents and families can understand?**

English is the primary language spoken by parents and families at Brooker Elementary School. In the event a non-English speaking child were to enroll, the district ELL contact will support forming communications in languages that the parents and families can understand.

**What are the different languages spoken by students, parents and families at your school?**

English is the only language spoken by students, parent and families at Brooker Elementary.

## **COMMUNICATION**

**(1) Describe how the school will timely communicate information about Title I, Part A programs and activities during the year. (2) Include the tools and resources that will be used for communication.**

- (6) iReady performance reports explaining the level of their child's performance in math/reading as well as the growth target by year end will be distributed around the release of the first report card or as data is available.

**(1) What decision-making opportunities are available for parents at the school site? (2) How will the school communicate opportunities for parents to participate in decision making?**

- (1) Our Title I/School Advisory Council composed of teachers, staff and parents will work with the principal to make informed decisions.
- (2) An open invitation inviting parents to participate in the School Advisory Council is announced during the annual Meet and Greet event as well as during the first semester school newsletter.

**How will the school submit parents' and families' comments to the district Title I office if there are parent concerns about the implementation of the Title I school-wide plan that is not satisfactory to them? [ESEA Section 1116]**

The school will refer parent concerns that cannot be resolved at the school level to the BCS District Director and/or Elementary Coordinator of Teaching, Learning & Curriculum. Parents will be contacted by phone and offered a face to face meeting if their concerns about the implementation of the Title 1 school-wide plan cannot be resolved by phone.

The Superintendent, Director of Teaching, Learning & Curriculum, and Elementary Coordinator of Teaching, Learning & Curriculum have an open door policy and will work with parents to address their specific concerns.

**How will the school publish and communicate THIS required Title I, Part A Parent and Family Engagement Plan to Parents and families (technology cannot be the only option).**

A copy of this plan will be printed and placed in a bright green notebook in the receptionist's area. Parents will be notified about the availability of the plan in the September school newsletter. Parents will be able to read the plan when visiting the school.

The TIPA Parent & Family Engagement Plan will be linked on the District/School website.

# FLEXIBLE PARENT AND FAMILY MEETINGS

Schools receiving Title I, Part A funds are required to convene an Annual Meeting. This meeting should be held at a convenient time for parents. Parents of participating children in the school shall be invited and provided with adequate notice and encouraged to attend the Annual Meeting. This meeting will inform parents of their school's participation under ESEA Section 1116 and explain the requirements of the Title I, Part A grant and what is available to parents and the right of parents to be involved. [ESEA Section 1116 (c) (1)]

## INVOLVEMENT OF PARENTS and FAMILIES

**Explain how the school involves parents and families in an organized, ongoing and timely manner in the planning, reviewing, and improvement of Title I programs including involvement in decision making of how Title I, Part A Schoolwide funds are used [ESEA Section 1116(c)(3)].**

The School Advisory Council meetings will include an agenda item to review, plan, and improve the schoolwide Title 1 program.

Thru the Comprehensive Needs Assessment/Development Meeting, recommendations from the SAC will be included in the annual Title 1 Plan which also involves how the budgeted funds are used.

**How will the school provide, with Title I funds, transportation, childcare, or home visits such services that relate to parent engagement to ensure barriers are removed so parents can participate in engagement events? [ESEA Section 1116 (c)(2)]**

- Transportation - If a need is expressed, Brooker Elementary will make every effort to provide transportation. Based off our survey, this is not a need.
- Childcare - If a need is expressed, Brooker Elementary will make every effort to provide child care. Based off of our survey, this is not a need.
- Home Visits - Administrator home visits as well as School Resource Deputy home visits if needed.
- Additional Services to remove barriers to encourage event attendance -
- Multiple opportunities are provided to families to come in to receive information if they cannot come in at the designated time.
- Virtual opportunities will be provided

## FLEXIBLE FAMILY MEETINGS

**How was parent input gained from the majority of parents about the times that best met their need for parent involvement meetings and activities? [ESEA Section 1116 (c)(2)]**

A feedback form at the conclusion of each Parent and Family Engagement Event allowed participants to reflect on best times for meetings/events. This information along with the School Climate Survey was considered in establishing best times.

**What documentation does the school have that parent needs for meeting times, transportation needs, childcare, and home visits for family engagement were assessed?**

Feedback results and School Climate Survey results.

**How flexible meetings will be offered to accommodate parents? Check all that apply.**

- ☒ AM Sessions based on documented parent feedback
- ☒ PM Sessions based on documented parent feedback
- ☐ AM & PM Sessions (Same content to appeal to more parents)

## REQUIRED ANNUAL MEETING

**Describe the specific steps your school will take to conduct the Beginning of Year Annual Meeting to inform parents and families of participating students about the schools Title I program and parent and family engagement activities. [ESEA Section 1116 (c)(1)]**

1. Late July: Principal met with District Title 1 Director to outline specific information to be shared.
2. August 8: Virtual parent audience prior to the Meet and Greet. Principal shared information about TIPA budget, anticipated expenditures, and parent and family engagement activities.

**Describe the nature of the Title I, Part A Schoolwide program that will be shared with parents during the Annual Meeting.**

The schoolwide TIPA budget met with a significant reduction in 2018-2019. The allocated funds for 2020-2021 will be used for a highly qualified paraprofessional.

**Describe how the Annual Meeting will cover (1) the adequate yearly progress of students broken down by subgroups, (2) school choice, and (3) the rights of parents when schools receive Title I, Part A funds.**

The Annual Meeting provides a venue to celebrate the progress of our school, aka, "C" School Grade for 2018-2019. No 2019-2020 grade available due to COVID closure. Subgroup breakdowns are sent home in a fall School Newsletter as well as information on Step Up for Students opportunities. The verbal announcement of the parent's rights under TIPA are followed up by a backpack letter within the first semester of school.

**How will the school ensure parents without access to technology will receive notification of parent events, communication, information about parent events, school updates, and student progress updates?**

In a 2019 survey, 85% of Bradford parents responded that they have Internet access. 66.5% of students have a verified Parent Portal account as of October, 2020. 100% of students at BES have phone numbers assigned to their FOCUS account. FaceBook and Schoolwide DoJo reach more parents than email, therefore, BES uses both methods to communicate with parents about events, academics, behavior, and announcements of general interest to the school.

In addition, paper backpack flyers are sent home in student's Tuesday Folders weekly, a Monthly School Newsletter distributed, and information flyers posted in the front reception area of the school.

## Required Developmental Meeting

The Developmental Meeting is held at the end of the year. It can be looked at as an End of Year evaluation of your Title I, Part A Parent and Family Engagement process. Additionally, it is an opportunity to connect with parents to start planning for the upcoming year. Even if your school is not Title I the following year, the best practices of parent engagement should continue. This meeting should evaluate how well barriers were reduced or eliminated and celebrate the successes of the year.

**Describe the strategy that will be implemented to conduct the End of Year Developmental Meeting to evaluate Parent and Family Engagement that occurred during the year and to prepare for the upcoming year if the school continues to qualify for Title I, Part A funding.**

In late April/early May, BES's final School Advisory Council meeting will provide a review of Parent and Family Engagement activities conducted throughout the year. Feedback responses collected throughout the year post events and feedback from the School Climate Survey will be reviewed.

Student progress to date will be discussed, however, no end of year data will be available until late May/early June at which time a depth of analysis on student achievement may redirect plans for the 2021-2022 school year.

# BUILDING CAPACITY

When a school receives Title I, Part A funds, it is responsible for building the capacity of each parent to improve their child's academic achievement. This includes activities and strategies for parents to understand challenging State academic standards; State and local assessments; how to monitor their child's progress and work; literacy training; how to use technology; and other strategies of how parents can assist their child with the learning process. All funds expended under this section should align to this section and to achieving the goals in the Title I Schoolwide plan by engaging parents and families. [ESEA Section 1116 (e)]

## BUILDING THE CAPACITY OF PARENTS AND FAMILY MEMBERS

**Reflecting on the needs assessment process, what is an overview of how the school will implement activities that will build the capacity for meaningful parent and family engagement?**

Reflecting on the needs assessment process, Brooker Elementary School recognizes we need to increase more building of capacity for meaningful parent and family engagement. For this school year, BES is offering a variety of Parent Involvement nights.

1. "Help You Help Them" : Eureka Math: Parents will experience a grade specific Eureka math lesson provided by the teachers and also learn how to read iReady data reports.
2. "Help You Help Them": Science Night: Targeted for 3, 4, and 5th grades. Parents will experience a grade specific Science experiment by teachers/students.
3. "Help You Help Them": Test Prep Night: Parents will experience how to encourage preparation for student success on assessments.

**How will the school implement activities that will build relationship with the community to improve student achievement?**

The Bradford County Education Foundation (BCEF) is a strong community partner. The BCEF continues to support family literacy by donating a \$6 Book Fair coupon for each student to select a book during the school's event.

The local Kiwanis Club sponsors a Terrific Kid program which brings parents to school to celebrate the social-emotional and academic accomplishments of their child.

Back to School supplies are donated annually by community churches and numerous community members. Campus beautification projects have gained volunteer participation from staff, parents and community members.

Our active PTO made of parents, businesses, alumni, and community members continues to raise funds for and awareness about BES.

Our schoolwide theme: One Town. One School. One Family. speaks to the family-oriented spirit surrounding BES and our community. BEST Town. BEST School. BEST Family. (2020-2021)

**(1)How will the school implement the Title I Parent Resource Room to support Parent and Family Engagement? (2) Explain how the Parent and Family Engagement Room is advertised to parents. (3) Explain how school staff (teachers and office staff) are trained on how to use the Parent Resource Room with parents.**

There is no plan to implement a Parent Resource Room

**If there are additional ways resources are provided for parents through the use of Title I, Part A funds, how are they provided and what trainings are provided to adequately prepare parents to use the resources and materials at home with their children?**

Due to the limited amount of Parent and Family Engagement Funds (6150) for 2020-2021, no additional resources and materials beyond those previously mentioned are included.

## PARENT AND FAMILY ENGAGEMENT EVENTS

If Parent and Family Engagement events are funded with Title I, Part A funds, they must be supplemental and cannot supplant activities that are funded with state and local funds. Additionally, events should contribute to the achievement of goals outlined in the Title I Schoolwide Plan.
