# EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

|   | Description of Strategy  | Person<br>Responsible                              | Projected<br>Completion<br>Date | Not Applicable (If not, please<br>explain why) |
|---|--|--|---------------------------------|--|
| 1 | Partnering new teachers with veteran staff members   | Reading Coach                                      | 06/07/13                        |  |
| 2 | Meeting throughout the year with new teachers<br>Providing on going professional development and mentoring                                   | CRT;<br>Instructional<br>Support<br>Mentor Teacher | 06/07/13                        |  |
| 3 | Develping a Leaders for Learning team. Inviting aspiring teacher leaders, while holding monthly meetings and professional dialogue sessions. | Principal  | 06/07/13                        |  |
| 4 | Change of grade level team leaders after 2 years experience allowing for additional teacher leadership growth and development.               | Principal  | 06/07/13                        |  |

# Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

| Number of staff and paraprofessional that are teaching out- of-field/ and who are not highly effective.  | Provide the strategies that are being implemented to support the staff in becoming highly effective  |
|--|--|
| 1 Out of Field Teacher; Completed course word, waiting for certificate.  11 less than effective teachers | Teachers will receive ongoing best-instructional practice training and support from The Principal (Instructional Leader) the CRT, and Reading and Math Coach. Additionally the Principal has created a Leaders for Learning Team who meet regularly to discuss the school vision and goals. Leadership is woven throughout the grade levels. These leaders carry out the teams PLC |

work and ensure it is taking place each day as Techers collaborate on best practices and how to alter and differentiate instruction.

# Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

| Total Number<br>of<br>Instructional<br>Staff | % of<br>First-Year<br>Teachers |           | % of<br>Teachers<br>with 6-14<br>Years of<br>Experience | % of<br>Teachers<br>with 15+<br>Years of<br>Experience | % of<br>Teachers<br>with<br>Advanced<br>Degrees | % Highly<br>Effective<br>Teachers | % Reading | % National<br>Board<br>Certified<br>Teachers | % ESOL<br>Endorsed<br>Teachers |

# ADDITIONAL REQUIREMENTS

# Coordination and Integration

### Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

### Title I, Part A

Title 1 funds are used for professional development, consultants, educational materials and other resources as needed. The Breakfast in the Classroom program allows 100% of our students to recieve a free breakfast and eat in their homeroom

classroom. 83.1% of our students qualify for the Free and Reduced meal program. The school resource officer provides drug prevention, violence prevention and safety to our students. Our 5th grade students participate in the MAGIC (Make A Great Impact on Children) program and 4th grade students participate in GREAT (Gang Resistance Education and Training). Students in K-4 grades recieve visitation from the school resource officer for safety lessons. Our district social worker and guidance counselor work with homeless students under the McKinney-Vento Act. At this time there are 17 students reported as homeless.

### Title I, Part C- Migrant

At this time, there are 3 Migrant children reported. Our Guidance Counselor and School Social Worker are the contacts for this component.

### Title I, Part D

District receives funds to support the Educational Alternative Outreach program. Services are coordinated with district Dropout Prevention programs.

Stipends were paid for teachers in K-5th grades to work on pacing guides for reading, math, science, and writing. Title 1 funds are used to provide staff development, resources and materials.

### Title II

Grade level teacher teams will be focusing on implementing best practices with Thinking Maps across the curriculum. Resource materials, training opportunities and/or Substitute teachers will be provided for the team, so they may plan, implement and discuss effective lessons and best practices with instructional delivery.

### Title III

We will coordinate with the district to provide reading, math, and science support for ELL students who are below grade level.

### Title X- Homeless

The district Social Worker provides resources for students identified as homeless under the McKinney-Vento Act. At this time we have 17 reported.

Supplemental Academic Instruction (SAI)

Little River will use SAI funds to secure a respurce teacher position and use the remaining dollars for supplemental materials used with the students she serves.

### Violence Prevention Programs

The school resource officer provides drug prevention, violence prevention and safety lessons to our students once a week. Our 4th and 5th grade students participate in the GREAT and MAGIC programs. Students in K-3 grades receive visitation from the school resource officer for safety lessons.

## **Nutrition Programs**

The students are given the opportunity to participate in the Free and Reduced Lunch Program through Orange County Public Schools at the beginning of each new school year or upon registration. This year, Little River Elementary also qualifies for the Breakfast in the Classroom Program where all students are eligible to receive breakfast each day and eat with their teachers in the classroom.

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (RtI)

School-based MTSS/RtI Team-

Identify the school-based MTSS leadership team.

Principal: Directs RtI team, ensures that RtI is being implemented school-wide, provides support for teachers, collaborates with team to match the appropriate intervention to the student needs, communicates with parents, ensures programs are being implemented with fidelity.

Rtl Coach: Ensures that Rtl is being implemented school-wide, provides support for teachers, collaborates with team to match the appropriate intervention to the student's needs, communicates with parents, ensure programs are being implemented with fidelity. She will also oversee student data collection, data analysis, documentation of interventions, meet with all teachers to provide support and resources for Tier 1, Tier 2, and Tier 3 students.

Reading/Math Coaches: Monitor the use of scientifically based programs for interventions, meet with all teachers to provide support and model lessons, assist with data collection, and data analysis, provide professional development Curriculum Resource Teacher: Monitors the implementation of scientifically based programs for interventions, meet with all teachers to provide support and model lessons, assist with data collection, and data analysis, provide professional development.

School Psychologist: Attends Rtl meetings, data collection, interprets data, data analysis, helps match intervention to student need, provides support for intervention fidelity and documentation, provides compliance assistance.

Behavior Resource: Specializes in Tier 1, Tier 2, and Tier 3 support for implementation of the school-wide behavior plan, CHAMPS. Behavior Resource implements behavior plans, meet with teachers to ensure appropriate impementation of CHAMPS.

General Education Teachers: Provide core instruction, collaborate with team to provide Tier 2 and Tier 3 instruction, participates in data collection and actively participates in data discussions.

Intervention Teachers: Provide core instruction, collaborate with team to provide Tier 2 and Tier 3 instruction, participate in data collection.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The RtI and RtI Behavior team meet bi-monthly with grade level teams to discuss tier I, tier II and tier III students and disaggregate data. On-going progress monitoring is then established utilizing the STAR, Write Score, and Core curriculum common assessments. Meetings may be conducted on a more frequent basis, as needed, to ensure an upward academic and/or behavioral student progression.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The Response to Intervention Team (RtI) meets with the School Advisory Council (SAC) to develop the School Improvement Plan. The RtI team provides school-wide assessment data on Tier 1, Tier 2, and Tier 3 students. Based on data, recommendations for professional development and allocations of resources.

### MTSS Implementation-

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Baseline Data- Florida Comprehensive Assessment Test (FCAT), Edusoft Benchmark Exam, Progress Monitoring and Reporting Network (PMRN), Florida Assessment for Instruction in Reading (FAIR)Progress Monitoring- STAR Reading (K-5), Reading Plus (3-5), Write Score (3-5)

Mid year- FAIR, Edusoft, STAR, SuccessMaker, Reading Plus (3-5), Write Score (3-5) End of Year- FCAT, FAIR, STAR, SuccessMaker, Reading Plus (3-5), Write Score (3-5)

Describe the plan to train staff on MTSS.

New teachers will receive information from RtI coach on the RtI process. The RtI team and RtI behavior team will provide

| III students, including students who are below, meeting or exceeding grade level expectations. The LLT will monitor progress, link instruction to data results, make changes to Tier II and Tier III inverventions as needed. They will also provide staff development and allocate resources based on student needs.  What will be the major initiatives of the LLT this year?  The LLT meets with the School Advisory Council (SAC) to develop the School Improvement Plan. The LLT provides school-wide assessment data on Tier 1, Tier 2, and Tier 3 students. It makes recommendations for professional development and allocations of resources based on the analysis of that data.  Public School Choice  Supplemental Educational Services (SES) Notification View uploaded file (Uploaded on 9/10/2012)  *Elementary Title I Schools Only: Pre-School Transition  Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.  The VPK teacher visits students in the summer before school starts to help them with the transition to elementary school. She gathers information and gets to know the students. The school has a Meet the Teacher day. Parents and students get to visit the classroom and get more information about school.  *Grades 6-12 Only  Sec. 1003.413(b) F.S.  For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.  *High Schools Only  | Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).   |

# PART II: EXPECTED IMPROVEMENTS

# Reading Goals

<sup>\*</sup> When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

| Based on the analysis of student achievement data, and refer of improvement for the following group: | ence to "Guiding Questions", identify and define areas in need  |
|--|---|
| 1a. FCAT2.0: Students scoring at Achievement Level 3 in reading.  Reading Goal #1a:                  | We align our curriculum, instruction, and assessment with our expectations based on the five essentials of reading: phonemic awareness, phonics, fluency, vocabulary, and comprehension. We provide a daily 90-minute reading block. We will use Imagine It!, a research-based reading program, as our core reading program. The reading block will address whole group and small group instruction, as well as workshop based on instructional objectives. The reading block will be focused on the following three areas: (1) Instructional Focus - alphabetic knowledge, phonics, concepts of print, spelling, oral language, fluency, text reading, and comprehension; (2) Instructional Quality – use of explicit, direct language; modeling examples for students; providing immediate feedback and differentiated support to students; and (3) Student Engagement – students actively involved in the academically focused reading activities. |
| 2012 Current Level of Performance:   | 2013 Expected Level of Performance:   |
| 2012 FCAT results showed that 25%(53)of all students taking the FCAT reading test scored a level 3.  | By June 2013, 28% of all students taking the FCAT reading test will score at Level 3.   |

End of Reading Goals

# Comprehensive English Language Learning Assessment (CELLA) Goals

\* When using percentages, include the number of students the percentage represents next to the percentage (e.g., 70% (35)).

Students speak in English and understand spoken English at grade level in a manner similar to non-ELL students.

1. Students scoring proficient in listening/speaking.

CELLA Goal #1:

Increase the number and percentage of students scoring proficient in Speaking and listening at all grade levels by at least 3%.

2012 Current Percent of Students Proficient in listening/speaking:

Kindergaten 7 students 26% First Grade 22 students 85% Second Grade 21 students 81% Third Grade 4 students 24% Fourth Grade 4 students 33% Fifth Grade 16 students 57%

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following subgroup:

5C. English Language Learners (ELL) not making satisfactory progress in mathematics.

Mathematics Goal #5C:

Teachers in grades K-5 will teach the enVision math program with fidelity and provide intervention and enrichment pieces to students achieving above proficiency as indicated on 2012 FCAT. An inclusion teaching model will be provided to support the lowest 25% of students during the math block to build foundational skills. The math block ranges from 60 - 85 minutes in K-5th grade classrooms. The math curriculum will focus the NGSSS Big Ideas and Supporting Ideas. Teachers will utilize technology and hands on manipulative-based activities to increase student engagement and opportunities for learning.

| 2012 Current Level of Performance:  | 2013 Expected Level of Performance:   |
|---|---|
| 2011 FCAT results showed that 41% of ELL students scored at or above grade level in math. | By July 2013, 44% of all ELL students taking the FCAT math test will score at or above grade level. |

# Problem-Solving Process to Increase Student Achievement

|   | Anticipated Barrier   | Strategy   | Person or<br>Position<br>Responsible for<br>Monitoring     | Process Used to<br>Determine<br>Effectiveness of<br>Strategy                              | Evaluation Tool                            |
|---|---|--|--|---|--|
| 1 | Low student engagement in the learning process  | Implement 20<br>Instructional Strategies<br>during delivery of<br>instruction.   | Administration,<br>Teachers, &<br>Instructional<br>Support | 1   | Strategy Check<br>Map                      |

|---|---|--|------------|--|--|
| 3 | differentiated instruction in the classroom | regularly attend grade<br>level PLC's to provide | Principal. | Lesson Plans<br>classroom observations | Common<br>Assessment scores<br>Learning gains from<br>benchmark tests. |

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following subgroup:

5E. Economically Disadvantaged students not making satisfactory progress in mathematics.

Mathematics Goal #5E:

Teachers in grades K-5 will teach the enVision math program with fidelity and provide intervention and enrichment pieces to students achieving above proficiency as indicated on 2012 FCAT. An inclusion teaching model will be provided to support the lowest 25% of students during the math block to build foundational skills. The math block is 60 minutes in K-5th grade classrooms. The math curriculum will focus the NGSSS Big Ideas and CCSS Supporting Ideas. Teachers will utilize technology and hands on manipulative-based activities to increase student engagement and opportunities for learning.

2012 Current Level of Performance:

Based on the 2011-2012 FCAT data, 48% of ED students scored at level 3 or above.

By July 2013, the percentage of non proficient ED students will be decreased by at least 10%.

2013 Expected Level of Performance:

# Problem-Solving Process to Increase Student Achievement

### Differentiated Accountability

School-level Differentiated Accountability Compliance

Are you a reward school: † Yes † No

A reward school is any school that improves their letter grade or any school graded A.

No Attachment (Uploaded on 9/17/2012)

# School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

No. Disagree with the above statement.

If NO, describe the measures being taken to Comply with SAC Requirement

Roster is pending first meeting of new SAC members.

| Describe projected use of SAC funds | Amount |
|-------------------------------------|--------|
| No data submitted                   |        |

Describe the activities of the School Advisory Council for the upcoming year

The SAC will oversee and provide recommendations for implementation of the School Improvement Plan.
