ADDITIONAL REQUIREMENTS

Coordination and Integration

Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I. Part A

Title I part A will supplement the academic instruction at Deerwood. The funds will be used to staff the iii (voyager) reading and math instruction. This will directly affect the student achievement of our lower quartile students.

Title I, Part C- Migrant

If migrant students are identified, Title I part C will be used to fund appropriate services. The school and the Migrant department will work cooperatively to meet the needs of any identified migrant students.

Title I, Part D

N/A

Title II

Title II, Part A is supplementing all schools through the use of resources teachers/coaches to increase student achievement. This funding also supplements training through the professional development department at the district office. Training opportunities are offered to increase quality effective teaching that will directly increase student achievement. The funds supplement district funds to increase high quality teachers.

Title III

Title III is used to support ESOL students in the Voyager Reading Program. Services are provided through the district for educational materials and ELL district support services to improve the education of English Language Learners.

Title X- Homeless

The Osceola County School District Homeless Social Worker provides resources (clothing, school supplies, social services, etc.) for students identified as homeless under the McKinney-Vento Act to eliminate barriers to a free and appropriate education.

Supplemental Academic Instruction (SAI)

SAI funds are used to staff the Extended Learning programs at Deerwood. This includes Saturday School, Tuesday/Thursday afterschool and Wednesday afterschool. Students identifies as the lower 35% of students in 3rd, 4th and 5th grade will be invited to participate in these programs.

Violence Prevention Programs

Career and Technical Education

Deerwood uses the schoolwide BLAST program and incorporates the Stop Bullying Now program. Students and teachers are reminded of the BLAST guides during morning announcements and posters throughout the school. The Stop Bullying Now program is lead by the guidance counselor. Teachers are trained every year on the components of the program.

Nutrition Programs

Free breakfast is provided to all Deerwood students free of charge through a federally funded program. The school wellness coordinator will form a wellness team to meet and discuss educating our students and parents on the importance of balanced nutrition every day.

School-Based Literacy Leadership Team-

Identify the school-based Literacy Leadership Team (LLT).

The LLT will be a group of selected teachers and leadership team members.

Members include:

Sarah Cunningham

Julie Kiernan

Dana Davenport

Gail Fronczak

Victoria Castor

Sarah Hayes

Jennifer Peters

Brandi Derstine

Cathy Bunnell

Donald Lamb

Luz Cruz

Adam Cody

Leah Hayes

Kristine O'Neal

Donna Mescall-Thielman

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT will meet monthly to facilitate reading goals from the SIP. It functions as a vertical team to promote high student achievement and problem-solving.

Each meeting will consist of a strategic agenda to oversee the implementation of the Reading Plan. The LLT will analyze data, determining needs and bring the information back to the Grade Level PLC groups to create a course of action.

Based on the school data, the LLT will gear activities and professional development toward improving reading instruction.

What will be the major initiatives of the LLT this year?

The LLT will work to develop a stronger culture of reading at Deerwood. It will do this by coordinating family nights focused on Literacy. The team will also expand the reading incentives programs to motivate students.

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following subgroup:

5E. Economically Disadvantaged students not making satisfactory progress in mathematics.

Mathematics Goal #5E:

2012 Current Level of Performance:

Based on the 2011 Math FCAT 64% of Economically Disadvantaged students scored a level 3 or higher.

Deerwood expects that Economically Disadvantaged students will meet or exceed the AYP requirements. On the 2012 Math FCAT 86% of students will score a level 3 or higher.
