

Title I Parent and Family Engagement Plan Summary

Dear Parents,

Thank you for taking the time to read this Parent and Family Engagement Plan Summary. Below are brief summaries of how your child's school plans to support parent and family engagement, as well as how the Lake Wales Charter Schools District will support schools, parents, and families.

Engaging parents in the education process is essential to improved academic success for students. Education is a responsibility shared by the school and the family throughout the student's school career in our district. Lake Wales Charter Schools will foster and support active parent and family engagement so that schools and parents work together as partners in educating children.

Thank you!
