# FLORIDA DIFFERENTIATED ACCOUNTABILITY PROGRAM 2012-2013 SCHOOL IMPROVEMENT PLAN

School Name: CHASCO ELEMENTARY SCHOOL

District Name: Pasco

Principal: Terri Mutell

SAC Chair: Elizabeth Valentine

Superintendent: Heather Fiorentino

Date of School Board Approval: October 16, 2012

Last Modified on: 9/30/2012

Gerard Robinson, Commissioner Florida Department of Education 325 West Gaines Street Tallahassee, Florida 32399

Dr. Mike Grego, Chancellor K-12 Public Schools Florida Department of Education 325 West Gaines Street Tallahassee, Florida 32399

### PART I: CURRENT SCHOOL STATUS

#### STUDENT ACHIEVEMENT DATA

Note: The following links will open in a separate browser window.

School Grades Trend Data

Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data

High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

#### **ADMINISTRATORS**

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

| Position        | Name               | Degree(s)/<br>Certification(s)   | # of<br>Years at<br>Current<br>School | # of Years as<br>an<br>Administrator | Prior Performance Record (include<br>prior School Grades, FCAT/Statewide<br>Assessment Achievement Levels,<br>Learning Gains, Lowest 25%), and<br>AMO Progress along with the<br>associated school year) |

#### INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

| Subject Area   | Name              | Degree(s)/<br>Certification(s)          | # of<br>Years at<br>Current<br>School | # of Years as<br>an<br>Instructional<br>Coach | Prior Performance Record (include<br>prior School Grades, FCAT/Statewide<br>Assessment Achievement Levels,<br>Learning Gains, Lowest 25%), and<br>AMO progress along with the<br>associated school year) |

### EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

|   | Description of Strategy   | Person<br>Responsible           | Projected<br>Completion<br>Date | Not Applicable (If not, please<br>explain why) |
|---|---|---------------------------------|---------------------------------|--|
| 1 | CHES seeks innovative ideas and instructional practices that<br>correlate to Marzano's "Art and Science of Teaching". We<br>provide opportunities for personal staff development,<br>mentoring, observing master teachers, and collaboration to<br>ensure teachers' needs are met. In addition, we provide<br>extra support through Reading, Writing, Math, and Science<br>coaches. | Terri Mutell<br>Michele Dilorio | On-going                        |  |
| 2 | Teachers will participate in weekly grade level collaborative<br>planning sessions where instructional routines, driven by<br>standards, data, and student progression are developed.<br>(One team will participate in piloting the district's Lesson<br>Study model).  | Terri Mutell<br>Michele Dilorio | On-going                        |  |
| 3 | A mentor/mentee program will be established.  | Terri Mutell<br>Michele Dilorio | On-going                        |  |

#### Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

| Number of<br>staff and<br>paraprofessional<br>that are<br>teaching out-<br>of-field/ and<br>who are not<br>highly<br>effective. | Provide the strategies<br>that are being<br>implemented to<br>support the staff in<br>becoming highly<br>effective   |
|---|--|
| 4 out-of field<br>55 not Highly Effective<br>according to the Teacher<br>Evaluation system.                                     | Teachers will participate<br>in weekly grade level<br>collaborative planning<br>sessions where effective<br>instructional routines,<br>driven by standards,<br>data, and student<br>progression, are<br>developed. (One team will<br>participate in piloting the<br>district's Lesson Study<br>model). |

#### Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

| Total Number<br>of<br>Instructional<br>Staff | % of<br>First-Year<br>Teachers | % of<br>Teachers<br>with 1-5<br>Years of<br>Experience | % of<br>Teachers<br>with 6-14<br>Years of<br>Experience | % of<br>Teachers<br>with 15+<br>Years of<br>Experience | % of<br>Teachers<br>with<br>Advanced<br>Degrees |         | % Reading<br>Endorsed<br>Teachers | Certified | % ESOL<br>Endorsed<br>Teachers |
|--|--------------------------------|--|---|--|---|---------|-----------------------------------|-----------|--------------------------------|
| 62   | 4.8%(3)                        | 14.5%(9)   | 48.4%(30)   | 32.3%(20)  | 3.2%(2)   | 3.2%(2) | 8.1%(5)                           | 1.6%(1)   | 33.9%(21)                      |

#### Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

| Mentor Name        | Mentee<br>Assigned  | Rationale<br>for Pairing | Planned Mentoring<br>Activities   |
|--------------------|---------------------|--------------------------|---|
| Kyra Giuliano      | Nicole Millar       |                          | Monthly new teacher<br>meetings, weekly<br>collaborative planning<br>meetings |
| Laura Miller       | Samantha<br>Behncke |                          | Monthly new teacher<br>meetings, weekly<br>collaborative planning<br>meetings |
| Michelle Schlosser | Jessica<br>Tabone   | teammates/HQ             | Monthly new teacher<br>meetings, weekly<br>collaborative planning<br>meetings |
| Nuala Butler       | Kelly Hughes        | and<br>certification/HQ  | Monthly new teacher<br>meetings, weekly<br>collaborative planning<br>meetings |

### ADDITIONAL REQUIREMENTS

#### Coordination and Integration

#### Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

#### Title I, Part A

Title I funding will be used to provide professional development opportunities to teachers and administrators to address the specific academic achievement needs of the school. It will also be used to provide additional support for both intervention and enrichment areas.

Title I, Part C- Migrant

N/A

Title I, Part D

N/A

Title II

Title II funding will be used to provide professional development opportunities to teachers and administrators to address the specific academic achievement needs of the school.

Title III

Title III funds will be coordinated with Title I funds to provide extra support to English Language Learners (ELLs) to meet the academic content and English proficiency standards. Title III funds will also be used in coordination with Title I funds to support after-school tutoring.

Title X- Homeless

N/A

Supplemental Academic Instruction (SAI)

SAI funds will be coordinated with Title 1 funds to provide summer school for Level 1 readers in Grade 3.

Violence Prevention Programs

N/A

#### Nutrition Programs

#### N/A

Housing Programs

#### N/A

Head Start

| N/A                            |  |  |
|--------------------------------|--|--|

| N/A          |  |  |

#### Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (Rtl)

School-based MTSS/Rtl Team

Identify the school-based MTSS leadership team.

The school-based MTSS Leadership Team consists of the School Nurse, School Psychologist, School Social Worker, Speech Language Pathologist, Literacy Coach, Science Coach, Math Coach, Graduation Enhancement Teacher, Behavior Specialist, Guidance Counselor, General and Special Education Teachers, and Administration.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The MTSS Leadership Team meets bi-monthly to discuss concerns and interventions to lead students to success. The team problem-solves and reviews practices to assess and assist with skill development. Follow up regarding interventions occurs approximately 4-5 weeks after an intervention has been put into place. If successful, the intervention continues; if not, the intervention is changed or adjusted to better meet the needs of the individual

students. The MTSS Team also provides technical and professional development to staff in support of MTSS.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The school-based MTSS Leadership Team reviews demographic, academic, and behavioral data to determine programs and school wide needs to be implemented into the School Improvement Plan. They also plan for interventions, develop supports, and follow up on individual student progress. In addition, the team identifies professional development needs in order for MTSS interventions to be successful.

#### -MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

All student data is housed in our District and school's local electronic warehouse, Pasco Star, eSembler and Filemaker Pro databases. Data is discussed at weekly meetings, data shares, and grade level meetings, and the problem-solving method is employed to identify student needs and interventions.

Describe the plan to train staff on MTSS.

Ongoing professional development training that will focus on the following:

\*Description of data collection processes to assess current staff skills.

\*Content of professional development days based on the state's model.

\*Resources to provide technical assistance and follow up support.

\*Plan for data collection to evaluate MTSS implementation levels.

\*Ensure plan includes action steps for the development of MTSS infrastructure components.

Describe the plan to support MTSS.

Support of the MTSS model will be through bi-monthly meetings where review of infrastructures put in place are analyzed, reviewed, and implemented. This year, Chasco will channel its focus in meeting the needs of Tier II and III students through an intensive intervention time, Cub Time, while ensuring the fidelity of Tier I instruction.

#### Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team—

Identify the school-based Literacy Leadership Team (LLT).

The school based leadership team consists lead teachers, curriculum specialists, and administration. The Lead Literacy Team coaches staff members in developing best practices in correlation to Marzano's "Art and Science of Teaching" and the integration of the ELA CCSS.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

This team facilitates and coaches specific needs of our staff members in developing best practices in conjunction with meeting fidelity standards in literacy.

What will be the major initiatives of the LLT this year?

This year, our Lead Literacy Team will coach staff members in promoting text dependent thinking skills, with evidence citing from the text. Independent reading based upon text complexity will also be an initiative. Coaches will support teachers in promoting higher-level, critical thinking when posing questions regarding text, and evaluating quality responses that prove students were engaged and comprehending.

Public School Choice

Supplemental Educational Services (SES) Notification View uploaded file (Uploaded on 9/30/2012)

#### \*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

AAt Chasco Elementary School, all incoming Kindergarten students are assessed prior to or upon entering Kindergarten in order to determine individual and group needs and to assist in the development of effective, rigorous instructional and intervention programs. All students are assessed within the areas of Basic Skills/School Readiness, Oral Language/Syntax, Print/Letter knowledge, and Phonological Awareness/Processing.

Screening data will be collected and aggregated by the middle of September 2012. Data will be used to plan daily academic and social/emotional instruction for all students and for groups or individual students who may need intervention beyond core instruction. Core Kindergarten academic and behavioral instruction will include daily explicit instruction, modeling, guided practice and independent practice of all academic and/or social emotional skills identified by screening data.

Specific screening tools our school will use include: Florida Kindergarten Readiness Screener – ECHOS (Early Childhood Observation System), FAIR (Florida Assessment for Instruction in Reading), and DIBELS (Dynamic Indicators of Basic Early Literacy Skills) assessments.

Specific screening tools our school will use include: Florida Kindergarten Readiness Screener – ECHOS (Early Childhood Observation System), FAIR (Florida Assessment for Instruction in Reading), and DIBELS (Dynamic Indicators of Basic Early Literacy Skills) assessments.

#### \*Grades 6-12 Only

#### Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

#### \*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

#### Postsecondary Transition

#### Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School</u> <u>Feedback Report</u>

# PART II: EXPECTED IMPROVEMENTS

## Parent Involvement Goal(s)

\* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

 Based on the analysis of parent involvement data, and reference to "Guiding Questions", identify and define areas in need of improvement:

 1. Parent Involvement

 Parent Involvement Goal #1:

 \*Please refer to the percentage of parents who participated in school activities, duplicated or unduplicated.

 2012 Current Level of Parent Involvement:
 2013 Expected Level of Parent Involvement:

 35% (225)
 40%

Problem-Solving Process to Increase Student Achievement

# Differentiated Accountability

School-level Differentiated Accountability Compliance

| jm Priority jm Focus jm Prevent | jn NA |  |
|---------------------------------|-------|--|
|---------------------------------|-------|--|

Are you a reward school:  $j_{\square}$  Yes  $j_{\square}$  No

A reward school is any school that improves their letter grade or any school graded A.

# School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

Yes. Agree with the above statement.

| Projected use of SAC Funds  | Amount     |
|---|------------|
| SAC funds will support the development of high quality classroom instruction. | \$2,000.00 |

Describe the activities of the School Advisory Council for the upcoming year

SAC will meet on a monthly basis to discuss/review the progress of the SIP goals and give recommendations throughout the year.

# AYP DATA
