K-12 Comprehensive Research Based Reading Plan

ADMINISTRATORS

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO Progress along with the associated school year)
Principal	Peter Hodges	Master of Education in Educational Leadership, Bachelor of Science in Math	3	8	C,C,C,D,B,A,A
Assis Principal	Tom Booth	Master of Education in Educational Leadership, Bachelor of Science in Commerce and Business Administration	4	25	C, C, C, C, D, D, A, A, A, A

INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest

25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject Area	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)

EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

	Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1	To retain teachers we will be supportive and offer professional development to enhance their teaching skills. To recruit teachers we will participate in teacher recruitment fairs and constantly look for excellent teachers.	Pete Hodges	ongoing	

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of staff and paraprofessional that are teaching out-of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective
0% (0)	

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers

ADDITIONAL REQUIREMENTS

Coordination and Integration

Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A

Title I, Part C- Migrant

Title I, Part D

Title II

Title III

Title X- Homeless

Supplemental Academic Instruction (SAI)

PATHS offers ACT and SAT test taking classes on the regular school schedule. Intensive reading practice after school and summer.

Violence Prevention Programs

A PATHS teacher provides programs for Bullying Preventions, monthly character education and activities for all students. Grade level assemblies to discuss expectations. PATHS also uses RTI and the program has full support of administration, faculty and staff.

Nutrition Programs

School nurse heads up the wellness committee which makes decisions as to what snacks and drinks are provided in the vending machines, suggestions for snacks for student recognition and FCAT testing snacks.

Housing Programs

Head Start

Adult Education

Career and Technical Education

Our school is partnered with TECO (Technical Education Center Osceola) and all freshmen are required to take Leadership, which is their exposure to technical classes, where they work on their first PDP. They make their technical selection and are scheduled into the technical classes beginning Junior and/or Senior year, depending on the program they have chosen. Once in the technical program, students go through OCPs, take Industry Certification Exams and the TABE test. This is all in combination with their core academics classes.

Job Training

PATHS students are provided with an opportunity for on-the-job-training through their technical programs in affiliation with our local businesses.

Other

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (RtI)

School-based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Tom Booth(Assistant Principal, Quinta Boudreaux (Math teacher), Doris Vazquez(ESE), Rob Merrill(Counselor), Deb Tremblay (Reading Coach).

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

Team works closely with teachers and students to identify students that struggle academically or behaviorally. The team meets to develop interventions to assist those students to ensure their success. The team works closely with the guidance and ESE departments to develop a plan which is beneficial to the student's needs.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The Team developed a bi-weekly monitoring system to identify the student's needs during the school year. Interventions are initiated by the team to ensure the students are receiving the necessary accommodations for success.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

A variety of sources such as ODMS, TERMS, teacher observations are used to determine the appropriate interventions.

Describe the plan to train staff on MTSS.

Staff receives the RtI training during pre-planning and follow-up professional development throughout the year.

Describe the plan to support MTSS.

Administrative commitment to team and staff to exhibit importance of program.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

Debra Tremblay, Michelle Samuelson, Lynn Guzower, Bernadette Monroe, Dan Holroyd, Quinta Boudreaux, Stephanie Middleton, Beth McKenna, Pete Hodges, Tracy Cox

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT meets monthly to discuss reading events for the school.

What will be the major initiatives of the LLT this year?

Summer book choices, Battle of the Books team members and review of books, Literacy week, Summer reading -school wide activity.

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

Provide ongoing staff development of reading strategies for content areas.

*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

Through cross curricular integration of the academic and technical programs, our academics ensure students are provided with the experiences and instruction to show relevance to their future.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Guidance counselors work with individual students to identify possible career paths in areas of interest to ensure that our students are effectively prepared for post-secondary challenges..

Postsecondary Transition

Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#)

PATHS has a career counselor that works with the students and parents to identify their post-secondary needs and inform them of necessary paperwork and procedures for post-secondary transitions.

PART II: EXPECTED IMPROVEMENTS

Reading Goals

* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:

1a. FCAT2.0: Students scoring at Achievement Level 3 in reading. Reading Goal #1a:	Increase number of students scoring at Level 3 in reading by 5%
2012 Current Level of Performance:	2013 Expected Level of Performance:
33% (55)of 9th graders; 34% (61)of 10th graders	38% (64)9th graders; 39% (70)10th graders

School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.
