

Title I is a federally funded program to assist schools that have a high percentage of families that qualify for free or reduced lunch. This program provides additional funding to the school to assist in leveling the academic playing field. Title I funds provide supplemental services and educational programs to help student achievement. The ultimate goal of these funds is to help all schools meet the requirements of No Child Left Behind.

Judson B. Walker
Middle School

**"One Viking,
Empowered for
Excellence!"**

The following plan was designed with the help of staff and parents at Walker Middle School. The goal of the plan is to determine the best way Walker Middle can effectively assist parents with the goal of education.

INFORMATION

Mission Statement

To lead our students to success with the support and involvement of families and the community

JUDSON B. WALKER MIDDLE SCHOOL - PARENT INVOLVEMENT PLAN - 2015-2016

The School Advisory Council (SAC) This committee is comprised of parents and staff. The SAC committee oversees the development, implementation, and evaluation of our School Improvement plan. Throughout the year, as school needs are identified, revisions to this plan are made to meet those needs.

Parent Teacher Student Association (PTSA) The purpose of this committee is to keep the lines of communication open between parents, teachers and students. This group conducts fundraising to offer teacher grants and provides students with resources above and beyond what may be available through ordinary means.

Parent-teacher conference weeks will be held twice this school year; once in the fall and once in the spring. Translation services will be available to meet the needs of all families.

Teachers meet weekly in teams and monthly as a whole faculty to provide feedback on strategies that are working to increase parental involvement. New teachers participate in a mentoring program where they learn strategies and techniques to positively communicate with our Walker families.

Parent Resource Center

Located in the media center and equipped with a variety of handouts covering educational topics. The resource center is open before, during, and after school.

Translation is provided in multiple languages for all school-wide events, parent conferences, registration procedures, Connect Orange messages and at a parent's request.
