## FLORIDA DIFFERENTIATED ACCOUNTABILITY PROGRAM 2012-2013 SCHOOL IMPROVEMENT PLAN

School Name: ACADEMY FOR INTERNATIONAL EDUCATION CHARTER

District Name: Dade

Principal: Michael Bell

SAC Chair: Walter Fajet

Superintendent: Alberto Carvalho

Date of School Board Approval: Pending

Last Modified on: 10/16/2012

Gerard Robinson, Commissioner Florida Department of Education 325 West Gaines Street Tallahassee, Florida 32399

Dr. Mike Grego, Chancellor K-12 Public Schools Florida Department of Education 325 West Gaines Street Tallahassee, Florida 32399

### PART I: CURRENT SCHOOL STATUS

### STUDENT ACHIEVEMENT DATA

Note: The following links will open in a separate browser window.

School Grades Trend Data

Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data

High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

### **ADMINISTRATORS**

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO Progress along with the associated school year)
Principal	Vera Hirsh	Degrees Bachelor's of Science in Education Master's of Science in Administration and Supervision Certifications Speech (Elem/Secondary) School Principal (All Levels)	2	23	Principal of Academy for International Education Charter School 2011-2012 NO GRADE, Reading Mastery 60%, Math Mastery 58.5% Director of Personnel (Assigned to District, Principal 2002-05)at Hammocks Middle School - an A school

### INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include

history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject Area	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
N/a					

### EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

	Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1	Regular monthly meetings with early career teachers and teachers new to the school	Principal	June 2013	
2	Regular professional learning period activities focused on development and alignment of instructional activities.	Principal	June 2013	
3	Mentor teachers assigned to early career teachers and buddy teachers to teachers new to the school as needed	Principal	Ongoing	Partner new/beginning teachers with veteran teachers
4	Principal solicits referrals from current teaching staff for potential new hires	Principal	On-going	Partner new/beginning teachers with veteran teachers

### Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of staff and paraprofessional that are teaching out- of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective
3	Waiver Professional Development Participate in the teacher mentor program

### Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers
20	15.0%(3)	60.0%(12)	15.0%(3)	10.0%(2)	10.0%(2)	85.0%(17)	0.0%(0)	0.0%(0)	75.0%(15)

### Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee	Rationale	Planned Mentoring
	Assigned	for Pairing	Activities
Barbara Mora	Lissette Icaza	Same Grade Level	Data analysis, Classroom management, Daily operations

## ADDITIONAL REQUIREMENTS

### Coordination and Integration

#### Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

School-based MTSS/Rtl Team

Identify the school-based MTSS leadership team.

• Principal: Ensures implementation of intervention and support of professional development based on a needs assessment to increase the school-based team's knowledge of essential strategies that are vital to the development of MTSS/RtI. Provides a common decision for the use of data driven instruction and decision making. Conveys with parents regarding MTSS/RtI plans and actives the school will provide to effectively enhance student achievement.

• Exceptional Student Education (ESE) teachers: Collaborates with general education teachers to plan activities and to cogitate project based learning. Provides instructional activities based on student data to construct lessons using Differentiated Instruction to meet the Individual needs of the students.

• District Psychologist: Participates in interpretation and analysis of data to develop data driven intervention programs; facilitates technical assistance for problem-solving activities.

• District Technology Specialist: Provides support necessary to teachers and staff regarding the management and display of data.

• Speech Language Pathologist: Effectively communicate diagnostic test results, diagnoses, and proposed treatment help related to speech, language, and cognitive-communication. Educates the team on the effect of these elements on students with respect to language skills. Develops curriculum with appropriate screening measures and methods of identifying areas of student needs.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

- The team meets once a month
- · Analyze data and drive instruction based on deficient standards
- Review Progress monitoring data to identify students meeting/exceeding benchmarks
- · Provide best practices and strategies to implement for students not meeting standards
- · Identify professional development needs based on data to drive instruction
- Provide formalized efforts to promote school-wide practices to ensure highest possible achievement in both academic and behavioral pursuits
- Analyze data to drive instruction and make decisions on instructional implementation of benchmarks through the development of intervention strategies with a focus on differentiated instruction
- · Identify on-going, informed adjustments needed to provide instruction to meet the needs of all students
- Facilitate the process of building consensus, increasing infrastructure, and making decisions about implementation

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

- · Drive professional development decisions
- · Discuss strategies to implement throughout the year to increase student achievement
- · Collaborate with team to make informed decisions on MTSS/RtI implementation
- · Gather input for the on-going development of the team
- · Provide support with the implementation of intervention strategies

#### MTSS Implementation -

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

- 1. Data is used to guide instructional decisions and system procedures for all students to:
- · Adjust the delivery of the curriculum and instruction to meet the specific needs of students
- adjust school based resources
- · drive decisions regarding targeted professional development
- · create student growth trajectories in order to identify and develop interventions
- 2. Managed data:
- FAIR assessment
- Baseline and interim assessments
- FCAT 2.0
- Edusoft Reports
- Quarterly grades
- Student Case Management System

- Climate Surveys
- Attendance

Describe the plan to train staff on MTSS.

The principal will provide with professional development in school in order for teachers to collaborate and improve literacy instruction across the curriculum.

The principal will post PD to be offered at alternative sites for teachers to take advantage of these opportunities. Curriculum leaders will prepare and deliver PD and provide strategies to improve Reading skills.

Describe the plan to support MTSS.

The team will meet regularly, collect feedback, analyze and provide support as needed.

#### Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

Identify the school-based Literacy Leadership Team (LLT). Identify the school-based Literacy Leadership Team (LLT). Principal: Vera Hirsh Lead Teacher: Jenniffer Gonzalez-Gomez Mathematics Department Head - Evelyn Lao Reading Department Head – Anna Harris Science Department Heads – Marta Fenton ESOL Teacher –Jaqueline Ricardo ESE Teacher – Carlos Camji Selected Grade Level Representatives – Primary – Nevenka Huertas Intermediate – Gabriela Garcia

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The Literacy Leadership Team will meet on a monthly basis or on an as needed basis to provide a literacy support system to build capacity, sustain rigor of the curriculum while focusing on the improvement of student learning. The team will work collaboratively to investigate, seek solutions and also work closely with the RtI Team to provided professional development. The Literacy Leadership Team consists of the following:

Principal- The Instructional Leader who facilitates the RTI and Literacy Leadership Team on a monthly basis while guiding the vision and mission of AIE. Ensures that the school-based team assesses, implement, provides intervention, ensures adequate professional development to support the school based RTI team and teachers and communicates with all stakeholders regarding RTI plans and activities.

Reading, Mathematics, Science Grade Levels- Provides support to the instructional leader and RTI/ Literacy Leadership school based team, ensures the collection of data and the implementation of intervention for identified students, monitors the RTI intervention groups and follows up on needed professional development activities.

The Lead Teacher- Provides support to the staff to design, implement and evaluate the effectiveness of the Literacy Program. Assists with the monitoring and responding to the needs of the subgroups within the expectations for adequate yearly progress.

Grade Level Representatives Initiates and develops Instructional Focus Calendar, assists with the screening programs that provide early intervening services for students considered at risk/ Tier 3, assists in data collection, progress monitoring, chart particular student needs, data is used strategically to shift instructional focus and align

professional development with the instructional needs of the students.

Department of English Speakers of Other Languages, the Department of Exceptional Student Education Teachers and Selected Grade Level Representatives participates in student data collection, integrates core instructional activities/supplemental materials into Tier 3 instruction; supports grade level collaborates with teachers through teaching and co-teaching activities when needed, liaison between grade level and RTI Leadership Team.

What will be the major initiatives of the LLT this year?

A major initiative of the LLT is to build the school wide capacity in the area of literacy by establishing model classrooms; conferencing with teachers and administrators; and providing professional development, and reviewing progress-monitoring data at the grade/classroom level and identify students who are at moderate/high risk for not meeting standard in order to ensure the effectiveness of focus lessons, administrators will analyze data collected from assessments as they are administered throughout the school year and provide guidance as necessary

#### Public School Choice

Supplemental Educational Services (SES) Notification No Attachment

### \*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

#### n/a

### \*Grades 6-12 Only

### Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

n/a

### \*High Schools Only

#### Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

n/a

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

n/a

### Postsecondary Transition

#### Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School</u> <u>Feedback Report</u>

n/a

## School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

Yes. Agree with the above statement.

Projected use of SAC Funds Amount

Describe the activities of the School Advisory Council for the upcoming year

The Educational Excellence School Advisory Council (EESAC) committee will receive on-going reports on the status of the implementation of the School Improvement Plan (SIP). The EESAC will review and approve the School Improvement Plan (SIP). The council will develop incentive plans to promote learning gains. They will monitor student achievement in every academic category including Mathematics, Reading, Writing, and Science.
