## **Glades Academy Parent Compact/Family Involvement Policy Minutes**

Ms. Phelps welcomed the eight parents/guardians that wanted to be part of this committee. We discussed last year's compact and they did not see a need for any changes. Our 2015-2016, compact was approved by this committee and will go home on September 15, 2015, for parent/guardian signatures. There will be a letter stating that parents/guardians will receive two copies of our compact and they need to discuss the compact with their students, sign it, and return one of the compacts to their teacher by Monday, September 21, 2015.

This committee did not want to modify the Family Involvement Policy either.
