School Grades Trend Data

Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data

High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

#### **ADMINISTRATORS**

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

| Position        | Name          | Degree(s)/<br>Certification(s)   | # of<br>Years at<br>Current<br>School | # of Years as<br>an<br>Administrator | Prior Performance Record (include<br>prior School Grades, FCAT/Statewide<br>Assessment Achievement Levels,<br>Learning Gains, Lowest 25%), and<br>AMO Progress along with the<br>associated school year)                    |

#### INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

| Subject Area | Name                      | Degree(s)/<br>Certification(s) | # of<br>Years at<br>Current<br>School | # of Years as<br>an<br>Instructional<br>Coach | Prior Performance Record (include<br>prior School Grades, FCAT/Statewide<br>Assessment Achievement Levels,<br>Learning Gains, Lowest 25%), and<br>AMO progress along with the<br>associated school year) |

### EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

|   | Description of Strategy           | Person<br>Responsible | Projected<br>Completion<br>Date | Not Applicable (If not, please<br>explain why) |
|---|-----------------------------------|-----------------------|---------------------------------|--|
| 1 | New Teacher Mentorship Program    | Kim Miller            | 3-1-2013                        |  |
| 2 | Professional Learning Communities | Kim Miller            | 6-1-2013                        |  |
| 3 | Department Meetings               | Dept.<br>Chairperson  | 6-1-2013                        |  |

### Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

| Number of<br>staff and<br>paraprofessional<br>that are<br>teaching out-<br>of-field/ and<br>who are not<br>highly<br>effective. | Provide the strategies<br>that are being<br>implemented to<br>support the staff in<br>becoming highly<br>effective |
|---|--|
| ΝΑ  | ΝΑ   |

### Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

| Total Number<br>of<br>Instructional<br>Staff | % of    |           | % of<br>Teachers<br>with 6-14<br>Years of<br>Experience | % of<br>Teachers<br>with 15+<br>Years of<br>Experience | % of<br>Teachers<br>with<br>Advanced<br>Degrees | Effective | % Reading<br>Endorsed<br>Teachers | Certified | % ESOL<br>Endorsed<br>Teachers |

#### Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (Rtl)

School-based MTSS/Rtl Team-

Identify the school-based MTSS leadership team.

Mike Zella - Chair Robert Hainlen Preston Wells Donna White Chris Riedeman Jerry Piester Jerry Gallman Mike Fields David Dillman Scott Marlega Joni Haydel

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The Intervention Assistance Team (IAT) targets at-risk students and develops targeted group interventions based on schoolwide data and teacher nominations. (Group interventions may include actual group participation as well as individual types of interventions that are targeted for the at-risk group of students). When interventions are developed, the Notice of Intervention Participation form is sent to the parents by the IAT and a means of progress monitoring is developed to determine students' response to the implemented interventions. The IAT determines the appropriate length of the chosen intervention and when to reconvene to analyze the data. Teachers may be involved in delivering interventions and collecting student data to monitor progress.

The IAT can initiate screenings for vision and hearing any time after the Notice of Screening has been sent home. Screenings for speech and language will not be initiated at this time unless there is a specific concern noted by parents and/or teachers.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The RTI Team provides input regarding interventions, strategies and support needed for students

#### **MTSS** Implementation-

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

The district has a checklist for documentation of General Education Intervention Procedures as well as a form for the plan. The team meets regularly to discuss the progress of each student and makes recommendations to appropriate teachers and staff.

Describe the plan to train staff on MTSS.

The RTI Co-Chairs will do a presentation to discuss the RtI process so that teachers are aware of their part in the plan as well as participation in meetings to develop an effective and useful plan for the student. District will support additional trainings as needed for specific requirements of the plan.

Describe the plan to support MTSS.

Literacy Leadership Team (LLT)

┌School-Based Literacy Leadership Team-

Identify the school-based Literacy Leadership Team (LLT).

The Harmony High LLT is comprised of the following staff members: Facilitators- Anna Ruth Worten-Fritz, Maggie Josephsen and Tiffany Bell; Members- Tiffany Bell, Bob Burns, Teresa Burns, Cathy Harrington, Eric Hansen, Desiree Lyttle, Lisa Lee, Barbara Robinson, Kathleen Ruhs, Cristina Scardigno and Lynn VanderZyl.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

Harmony High's LLT meets monthly as a Professional Learning Community, with members from a variety of curricular and organizational areas of the school. It provides professional development for all staff, administers reading motivation programs (such as Caught You Reading and National Literacy Week activities), provides support across the curriculum for subject area teachers incorporating reading into their curriculum, and coordinates the school reading plan in conjunction with the district reading plan.

What will be the major initiatives of the LLT this year?

During the 2012-2013 school year, the LLT will focus on three key issues for school improvement:

1. Continuation and expansion of FCIM mini-lessons and assessments.

2. Providing at least two professional development opportunities to staff directly related to the school's lowest performing areas on the Spring 2010 administration of the FCAT, and

3. Providing modeling across the curriculum for subject area integration of reading strategies and skills.

Public School Choice

Supplemental Educational Services (SES) Notification No Attachment

#### \*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

#### \*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

Harmony High School will provide extensive staff development in reading strategies within the content. All teachers will attend CRISS strategies training. All content area Professional Learning Communities will create "reading within the content" lessons and conduct lesson studies to determine effectiveness. All strategies and implementation will be reviewed by the administrative team and will align with the School Improvement Plan.

#### \*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

Harmony High School follows the Pupil Progression Plan in order to determine courses offered and scheduled for the students. The Math/Science PLCs and Social Studies/Language Arts/Reading PLCs have staff development and joint department meetings to help align instruction to meet student needs. Career and Technical courses are offered on multiple levels and combined with the corresponding core courses to help promote academic relevance and the connection to career opportunities.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Harmony High School students receive curriculum guides and course selection sheets to preview before they meet personally with their guidance counselor to schedule the appropriate classes. Our guidance department meets with every student and uses career planning programs like EPEP and Facts.org to place the students in meaningful courses and programs.

#### Postsecondary Transition

#### Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School</u> <u>Feedback Report</u>

Leadership Skills Development, Critical Thinking, and AVID classes are provided for 9th and 10th grade students to help provide the organizational and critical thinking skills that are necessary for success in Honors and AP level courses. All 9th, 10th, and 11th grade students take the PSAT and those results are used to place students and identify areas of concern. Kaplan will be conducting ACT academies, writing prep, and tutoring sessions. CPT testing and college level remediation classes are offered to 12th graders. Recommendations resulting from the district-wide Excelerator program will be implemented to promote college readiness.

End of Reading Goals

## Comprehensive English Language Learning Assessment (CELLA) Goals

\* When using percentages, include the number of students the percentage represents next to the percentage (e.g., 70% (35)).

Students speak in English and understand spoken English at grade level in a manner similar to non-ELL students.

1. Students scoring proficient in listening/speaking.

CELLA Goal #1:

2012 Current Percent of Students Proficient in listening/speaking:

Problem-Solving Process to Increase Student Achievement

| Anticipated Barrier | Strategy | Position       | Process Used to<br>Determine<br>Effectiveness of<br>Strategy | Evaluation Tool |

## School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

Yes. Agree with the above statement.

| Projected use of SAC Funds                | Amount     |
|---|------------|
| To support the Academic Boosters Program. | \$1,000.00 |

Describe the activities of the School Advisory Council for the upcoming year

SAC will help write and carry out the School Improvement Plan. They will help oversee and approve the expenditure of any funds received for SAC. SAC will be instituting and organizing the Academic Boosters program to help motivate and reward students who work hard and excel academically.
