High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

#### **ADMINISTRATORS**

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

| Position | Name | Degree(s)/<br>Certification(s) | # of<br>Years at<br>Current<br>School | # of Years as<br>an<br>Administrator | Prior Performance Record (include<br>prior School Grades, FCAT/Statewide<br>Assessment Achievement Levels,<br>Learning Gains, Lowest 25%), and<br>AMO Progress along with the<br>associated school year)                                   |

#### INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

#### EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

|   | Description of Strategy  | Person<br>Responsible                                   | Projected<br>Completion<br>Date | Not Applicable (If not, please<br>explain why) |
|---|--|---|---------------------------------|--|
| 1 | Mentor and Peer pairings   | Alisha<br>McKnight, AP                                  | Ongoing                         |  |
| 2 |  | Alisha<br>McKnight, AP                                  | Ongoing                         |  |
| 3 | New teachers will be offered workshops to provide opportunities for professional growth. Literacy coach is available to provide demonstrations of best practices in reading instruction. | Assistant<br>Principals,<br>Reading and<br>Math Coaches | Ongoing                         |  |
| 4 | New teachers receive extra support from coaches and LTM Facilitator.   | Reading and<br>Math Coaches,<br>LTM Facilitator         | Ongoing                         |  |

### Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

| Number of staff and paraprofessional | Provide the strategies that are being implemented to support the staff in becoming highly effective |
|--------------------------------------|---|
| No data submitted                    |   |

### Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

| Total Number<br>of<br>Instructional<br>Staff | % of<br>First-Year<br>Teachers |           | % of<br>Teachers<br>with 6-14<br>Years of<br>Experience | % of<br>Teachers<br>with 15+<br>Years of<br>Experience | % of<br>Teachers<br>with<br>Advanced<br>Degrees | % Highly<br>Effective<br>Teachers | % Reading<br>Endorsed | % National<br>Board<br>Certified<br>Teachers | % ESOL<br>Endorsed<br>Teachers |
|--|--------------------------------|-----------|---|--|---|-----------------------------------|-----------------------|--|--------------------------------|
| 81   | 6.2%(5)                        | 23.5%(19) | 40.7%(33)   | 29.6%(24)  | 32.1%(26)                                       | 100.0%(81)                        | 23.5%(19)             | 0.0%(0)                                      | 19.8%(16)                      |

#### Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

| Mentor Name | Mentee<br>Assigned | Rationale<br>for Pairing  | Planned Mentoring<br>Activities   |
|-------------|--------------------|---|---|
| Y. Tabon    | J. Atkinson        | Clinical Ed<br>certified/Same<br>Content area<br>and Grade<br>Level | Mentor will assist in tracking student data, assuring effective content teaching and classroom management strategies through weekly meetings, as well as review walk through data. LTF will review Marzano's Art and Science of Teaching. |
| Y. Garcia   | J. Bland           | Clinical Ed<br>certified/Same<br>Content area<br>and Grade<br>Level | Mentor will assist in tracking student data, assuring effective content teaching and classroom management strategies through weekly meetings, as well as review walk through data. | R. Lorenzo  | M. Theodoris       | Clinical Ed<br>certified/Same<br>Content area<br>and Grade<br>Level | Mentor will assist in tracking student data, assuring effective content teaching and classroom management strategies through weekly meetings, as well as review walk through data. LTF will review Marzano's Art and                      |

Science of Teaching.

#### ADDITIONAL REQUIREMENTS

#### Coordination and Integration

#### Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A

Services are provided to ensure students requiring remediation are assisted through tutoring and after-school programs. Title I funds are also used to ensure staff development and family involvement needs are provided. Title 1 funds area used to purchase the follows positions: Parent Liaison, Math Coach, Language Arts and Science Teacher. Title 1 funds are also used to purchase classroom materials including paper and books as well as technology for student use.

#### Title I, Part C- Migrant

District Migrant Liaison provides services and support to students and parents and coordinates with Title 1 and other programs to ensure needs are met.

Title I, Part D

District receives funds to support the Alternative Education programs.

Title II

District receives supplemental funds for improving basic education programs through the purchase of small equipment to supplement education programs.

Title III

Services are provided through the district for education materials and ELL district support services to improve the education of immigrant and ELL students.

Title X- Homeless

District personnel provide resources for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education.

Supplemental Academic Instruction (SAI)

N/A

Violence Prevention Programs

The school coordinates with the Department of Safe Schools to support violence prevention efforts on campus. Guidance Counselors provide services and programs.

District-wide implementation of Single School Culture as well as appreciation of Multicultural Diversity.

**Nutrition Programs** 

Jeaga will participate in the new Federal Provision II Breakfast Program where breakfast will be offered to all students free of charge every day.

Housing Programs

N/A

Head Start

N/A

Adult Education

N/A

Career and Technical Education

Jeaga provides and supports a Pre-Law Choice program for grades 6-8.

Job Training

N/A

Other

Required instruction listed in 1003.42(2) F.S., as applicable to appropriate grade levels.

Positions purchased with. Title 1 funds: Science Teacher, Language Arts Teacher, and Math Coach.

The science and language arts teachers will be used to further lower class sizes in two critical areas, and provide additional support for these respective departments.

The Math Coach provides services such as providing professional development to the math department and modeling effective teaching strategies in math classrooms.

The Parent Liaison serves as a link between the school and parents. Our PL provides parent education opportunities such as the Technology piece at our FCAT parent night and ongoing redline workshops. Our PL also provides home visits for a variety of reasons and initiates clothing and food drives for our low income parents and students. He is also heavily involved in recruiting students for our FRL rates.

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (Rtl)

School-based MTSS/RtI Team-

Identify the school-based MTSS leadership team.

The school-based RtI Leadership Team is comprised of the following members: principal, assistant principal, ESE contact, ELL contact, school psychologist, classroom teacher, reading/math coaches, and guidance staff.

The principal provides a common vision for the use of data-based decision-making to ensure:

a sound, effective academic program is in place

a process to address and monitor subsequent needs is created

the School Based Team (SBT) is implementing RtI processes

assessment of RtI skills of school staff is conducted

fidelity of implementation of intervention support is documented

adequate professional development to support RtI implementation is provided

effective communication with parents regarding school-based Rtl plans and activities occurs.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The school-based RtI Leadership Team will meet regularly to review universal screening data, diagnostic data, and progress monitoring data. Based on this information, the team will identify the professional development activities needed to create effective learning environments. After determining that effective Tier 1- Core Instruction is in place, the team will identify students who are not meeting identified academic targets. The identified students will be referred to the school-based RtI Leadership Team.

The SBT will use the Problem Solving Model\* to conduct all meetings. Based on data and discussion, the team will identify students who are in need of additional academic and/or behavioral support (supplemental or intensive). An intervention plan will be developed (PBCSD Form 2284) which identifies a student's specific areas of deficiencies and appropriate research-based interventions to address these deficiencies. The team will ensure the necessary resources are available and the intervention is implemented with fidelity. Each case will be assigned a case liaison(e.g., teacher, RtI/Inclusion Facilitator, guidance counselor) and report back on all data collected for further discussion at future meetings.

\* Problem Solving Model

The four steps of the Problem Solving Model are:

Problem Identification entails identifying the problem and the desired behavior for the student.

Problem Analysis involves analyzing why the problem is occurring by collecting data to determine possible causes of the identified problem.

Intervention Design & Implementation involves selecting or developing evidence-based interventions based upon data previously collected. These interventions are then implemented.

Evaluating is also termed Response-to-Intervention. In this step, the effectiveness of a student's or group of students' response to the implemented intervention is evaluated and measured.

The problem solving process is self-correcting, and, if necessary, recycles in order to achieve the best outcomes for all students. This process is strongly supported by both IDEA and NCLB. Specifically, both legislative actions support all students achieving benchmarks regardless of their status in general or special education.

\*Problem Solving & Response to Intervention Project 2008

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

Members of the school-based Rtl Leadership Team will meet with the School Advisory Council (SAC) and will help develop the SY11 SIP. Utilizing the previous year's data, information on Tier 1, Tier 2, and Tier 3 targets deficient areas will be discussed. Topics for discussion include, but are not limited to, the following:

FCAT scores and the lowest 25%

AYP and subgroups

strengthens and weaknesses of intensive programs

mentoring, tutoring, and other services.

#### MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Baseline data:

Florida Comprehensive Assessment Test (FCAT)

Curriculum Based Measurement

SDPBC Fall Diagnostics

Palm Beach Writes

SRI

**FAIR** 

Progress Monitoring and Reporting Network (PMRN)

Comprehensive English Language Learning Assessment (CELLA)

Office Discipline Referrals

Retentions

Absences

Midyear data:

FAIR

SDPBC Winter Diagnostics

Palm Beach Writes

Progress Monitoring and Reporting Network (PMRN)

End of year data:

Florida Comprehensive Assessment Test (FCAT)

FCAT Writes

Frequency of required Data Analysis and Action Planning Days:

Once within a cycle of instruction (refer to appropriate focus calendar)

Describe the plan to train staff on MTSS.

In-service to the faculty will be provided on designated professional development days (PDD). These in-service opportunities will include, but are not limited to, the following:

Problem Solving Model

Consensus building

Positive Behavioral Intervention and Support (PBIS)

Data-based decision-making to drive instruction

Progress monitoring

Selection and availability of research-based interventions

Tools utilized to identify specific discrepancies in reading.

Individual professional development will be provided to classroom teachers, as needed.

| Describe the plan to support MTSS.                        |  |
|---|--|
|   |  |
|   |  |
| Literacy Leadership Team (LLT)                            |  |

Nicole Haddock, Reading Coach

Robert Lorenzo, Language Arts Instructional Leader

Claudia Echelberger, Media Specialist

Timothy Shannon, Social Studies Instructional Leader

Marlene Pryce, Reading Counts Coordinator Nicole Mangaroo, Learning Team Facilitator

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT will meet monthly to create and monitor new and current initiatives around our reading program.

What will be the major initiatives of the LLT this year?

Reading Counts Program

**FCAT Parent Night** 

Classroom Libraries: maintaining and tracking

#### Public School Choice

Supplemental Educational Services (SES) Notification No Attachment

#### \*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

N/A

\*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

Instructional focus calendars will be created that incorporate a reading benchmark as the secondary benchmark for all content Reading, Language Arts & Social Studies courses. Teachers will receive professional development on reading strategies during professional development days, after school and on Saturdays. The reading coach will model reading strategies in classrooms.

\*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

N/A

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that

| students' course of                           |   |
|---|---|

### School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

Yes. Agree with the above statement.

| Describe projected use of SAC funds | Amount |
|-------------------------------------|--------|
| No data submitted                   |        |

Describe the activities of the School Advisory Council for the upcoming year

Jeaga's School Advisory Committe will meet on a regualr basis to discuss any and all issues that stakeholders beleive are relvant to student achievement and student safety including, but not limited to tutorials, Title 1 funds, budget, and the vision and purpos eof th eschool.
