Additional Requirements

Coordination and Integration-Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as Administratorplicable.

Title I. Part A

Title I, Part A funds are utilized, in conjunction with district operating funds and other federal resources, to support teaching and learning, parental engagement, and professional development. Title I services are coordinated and integrated with other resources through the Division of Teaching and Learning, Student Assignment, and Research and Accountability.

Title I, Part C- Migrant

NA in Pinellas

Title I, Part D

The district receives Title I, Part D funds which provide transition services from alternative education programs to zoned schools. In addition, a portion of Title I, Part A funds is reserved for services to neglected and delinquent students. Funds are targeted to support continuous education services to students in neglected and delinquent facilities through tutoring, instructional materials and resources, and technology.

Title II

The district receives funds to increase student achievement through professional development for teachers and Administrators. Title II funds provide math and science coaches, as required by Differentiated Accountability, in some of the district's lowest performing schools. A portion of Title I, Part A funds is used to provide additional reading and math coaches in targeted schools based on FCAT results.

Title III

Title III funds provide educational materials, bilingual translators, summer programs, and other support services to improve the education of immigrant and English Language Learners. Bilingual translators provide assistance with parent workshops and dissemination of information in various languages for Title I schools.

Title X- Homeless

The district receives funds to provide resources for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and Administratorpropriate education. A portion of Title I, Part A funds is also reserved to provide services to homeless students (social workers, a resource teacher, tutoring, and technology).

Supplemental Academic Instruction (SAI)

SAI funds are coordinated with Title I, Part A funds to provide extended learning opportunities for students before/during/after school and during the summer.

Violence Prevention Programs

Nutrition Programs

Title I coordinates with district food services to provide breakfast and lunch to students in Title I summer extended learning camps.

Housing Programs

Head Start

Title I, Part A funds are used to provide Pre-Kindergarten to Kindergarten transition services. Title I schools coordinate with staff from public and private preschool programs, including Head Start, to prepare students for a successful start to school. A portion of Title I, Part A funds is used to provide classes for 3 year olds at targeted elementary schools to support early literacy.

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Principal: Provides a common vision for the use of data-based decision-making, ensures that the school-based team is implementing RtI, conducts assessment of RtI skills of school staff, ensures implementation of intervention support and documentation, ensures adequate professional development to support RtI implementation, and communicates with parents regarding school-based RtI plans and activities.

Select General Education Teachers (Primary and Intermediate): Provides information about core instruction, participates in student data collection, delivers Tier 1 instruction/intervention, collaborates with other staff to implement Tier 2 interventions, and integrates Tier 1 materials/instruction with Tier 2/3 activities. **Exceptional Student Education (ESE) Teachers:** Participates in student data collection, integrates core instructional activities/materials into Tier 3 instruction, and collaborates with general education teachers through such activities as co-teaching.

Part-time Curriculum Specialist and Guidance Counselor:

Develops, leads, and evaluates school core content standards/ programs; identifies and analyzes existing literature on scientifically based curriculum/behavior assessment and intervention approaches.

Identifies systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered "at risk;" assists in the design and implementation for progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

Provides guidance on K-12 reading plan; facilitates and supports data collection activities; assists in data analysis; provides professional development and technical assistance to teachers regarding data-based instructional planning; supports the implementation of Tier 1, Tier 2, and Tier 3 intervention plans.

School Psychologist: Participates in collection, interpretation, and analysis of data; facilitates development of intervention plans; provides support for intervention fidelity and documentation; provides professional development and technical assistance for problem-solving activities including data collection, data analysis, intervention planning, and program evaluation; facilitates data-based decision making activities.

Speech Language Pathologist: Educates the team in the role language plays in curriculum, assessment, and instruction, as a basis for appropriate program design; assists in the selection of screening measures; and helps identify systemic patterns of student need with respect to language skills

Student Services Personnel: Provides quality services and expertise on issues ranging from program design to assessment and intervention with individual students. In addition to providing interventions, school social workers continue to link child-serving and community agencies to the schools and families to support the child's academic, emotional, behavioral, and social success.

Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

- -Facilitator generates agenda and leads team discussions
- -Data Manager(s)/Data Coach(es) assist team in accessing and interpreting (aggregating/disaggregating) the data
- -Technology Specialist brokers technology necessary to manage and display data
- -Recorder/Note Taker documents meeting content and disseminates to team members in a timely manner as well as storing a hard copy in a binder for all teachers to access
- -Time Keeper -helps team begin on time and ensures adherence to agreed upon agenda

Meeting time: First Wednesday of the Month

The team meets at the beginning of the month to engage in the following activities:

Review student data and review progress monitoring data of our tier 2 and tier 3 students.

We collaborate regularly, problem solve and share effective practices, evaluate implementation, make decisions and practice new processes and skills We are all part of a grade level PLC to support teachers. . Meet on an on-going basis with interventionists to provide support.

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

The team provides data and interventions being used on: Tier 1, 2, and 3 students. The RtI problem solving process is an integral part of our strategies in Reading and Math for all students.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Baseline data: Florida Comprehensive Assessment Test (FCAT) and Florida Assessment Instruction in Reading (FAIR), AIMS Web Probes.

Progress Monitoring: AIMS Web Probes and End of the unit assessments

Midyear: Florida Assessments for Instruction in Reading (FAIR) and Common Assessments

End of year: FAIR, FCAT

Frequency of Data Days: End of unit tests are monitored for Tier One. Progress Monitoring is done every two weeks for Tier 2 and every week for Tier 3. Data is reviewed every two weeks in PLC

Describe the plan to train staff on MTSS. One half day of preschool will be devoted to training teachers on new processes for Tier One. Tier 2 and 3 processes will also be gone over. On-going training will be done in PLC and faculty meeting based on input from staff

Describe the plan to support MTSS. Needs Assessment to staff and plan for support written in December.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT). Principal, Guidance Counselor, Teacher from each team, Acting Administrator.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

Literacy Leadership Teams create capacity of reading knowledge within the school by focusing on the following areas of literacy concern:

- Support for text complexity
- Support for instructional skills to improve reading comprehension
 - Ensuring that text complexity, along with close reading and rereading of texts, is central to lessons
 - Providing scaffolding that does not preempt or replace text reading by students
 - o Developing and asking text dependent questions from a range of question types
 - Emphasizing students supporting their answers based upon evidence from the text
 - o Providing extensive research and writing opportunities (claims and evidence)
- Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects (a focus on text, task, and instruction).

The district will provide training and tools for Literacy Leadership Teams.

What will be the major initiatives of the LLT this year?

Support for text complexity

- Support for instructional skills to improve reading comprehension
- Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects
