School Grades Trend Data

Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data

High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

ADMINISTRATORS

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO Progress along with the associated school year)
Principal	Debra Johnson	Masters	2	18	PBV yr 1 NG; Loggers Run yr 1 B, Year 2&3 A; Don Estridge A and AYP all 3 years there.
Assis Principal	Heidi Putre	Masters	2	1	PBV yr 1 B

INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

			# of	# of Years as	Prior Performance Record (include prior School Grades, FCAT/Statewide

EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

	Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1	Core Teacher Teams with Team Leaders to lead and collaborate within disciplines and interdisciplinary activities	Juliana Davis	Ongoing	
2	Recruit teachers with technology experience and high performance in content areas	Debra Johnson	Ongoing	
3	Virtual professional development meetings	Juliana Davis	Bi-monthly	
4		Sarah Mammolito Beverly Ciotti	Daily	

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of staff and paraprofessional that are teaching out- of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective
0	NA

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers		% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers
8	0.0%(0)	0.0%(0)	50.0%(4)	50.0%(4)	75.0%(6)	100.0%(8)	25.0%(2)	12.5%(1)	62.5%(5)

Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
Beverly Ciotti	Cynthia Schaub, Deborah Schepp, Dianne Tetreault	Core Class Teachers Team Collaboration and Coordination of PD, activities, and initiatives for reading and math teachers.	Ongoing Professional Development
		Science and Social Studies,	

Maryann Fornataro, Robert Swanson, Marcy Zalecki Elective Teachers Collaboration and Coordination of PD, activities for science and social studies.

ADDITIONAL REQUIREMENTS

Coordination and Integration

Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (Rtl)

-School-based MTSS/Rtl Team

Identify the school-based MTSS leadership team.

Principal RtI LEA Teacher/Reading Support teacher Instructional Specialist Guidance Specialist Teachers participation on rotation and during their students' status reviews

There are no assistant principals or coaches at this school

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

As this is a small school, all students are closely monitored.

The School Based RtI Leadership Team (SBT) is scheduled for weekly meetings to review the progress of students and to review the records and performance of students who are not on pace or making adequate progress in their academic growth.

When students demonstrate challenges at their academic level, the student is referred to a school-based team by any member of the faculty. The SBT LEA brings data and records to the meeting to discuss the student and determine next steps. Recommendations are made during the team meeting. The outcomes of the meeting are shared with all faculty and staff involved and with the parent in the form of notes, recommendations and time-specific interventions. Progress monitoring continues at SBT meetings.

Rtl processes are followed along the continuum of intervention services. The SBT LEA monitors all students demonstrating challenges in the area of academic readiness or performance at their appropriate grade level.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The SBT members are the school leadership team and will all be members of the SAC. This team brings the data, trends and academic recommendations to the council and facilitates the development and monitoring of the plan through the RtI processes.

MTSS Implementation –

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Elementary Title I Schools Only: Pre-School Transition	tary Title I Schools Only: Pre-School Transition
Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs a pplicable.	

*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

The LLT has put into place initiatives to ensure that all content area teachers are addressing the literacy needs of every student, both high achieving and struggling readers. The school targets the lowest 25% of readers as well as the readers from all other levels with varied instructional strategies and differentiated strategies for each target group.

*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

The school offers several courses to introduce students to skills that may be helpful for students to find their niche in society following high school. There are academic track courses, as well as keyboarding, computer programming, and career education classes. Students who are college-bound are given ample opportunity to meet with their guidance counselors to discuss honors, advanced placement, and dual enrollment courses geared to help them acquire the skills they will need for college or university. Students are encouraged to take the PSAT, the SAT, the ACT, and the ASVAB.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Students meet with the school guidance counselor in the spring and summer to plan for their future success through our courses and courses offered through the main branch of FLVS that may better meet their needs.

Postsecondary Transition

Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School</u> <u>Feedback Report</u>

Report Not Available

PART II: EXPECTED IMPROVEMENTS

Reading Goals

* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

	Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:

"Single School Culture and appreciation for multicultural diversity."

Respect all students regardless of race, ethnicity, age, gender, religious affiliation, language, disability, or any other cultural identities they may have. The same is true for parents. The school's mission is to maintain the integrity of a single school culture by all administrators, teachers, and staff. Goal:

Professional Development (PD) aligned with Strategies through Professional Learning Community (PLC) or PD Activity

Please note that each Strategy does not require a professional development or PLC activity.

PD Content /Topic and/or PLC Focus	Grade Level/Subject	PD Facilitator and/or PLC Leader	PD Participants (e.g., PLC,subject, grade level, or school-wide)	Target Dates (e.g., early release) and Schedules (e.g., frequency of meetings)	Strategy for Follow- up/Monitoring	Person or Position Responsible for Monitoring

School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business

and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

Yes. Agree with the above statement.

Projected use of SAC Funds	Amount
The SAC committee approved the use of past funds at the April, 2012 meeting for headsets and microphones, as well as tutoring materials for future students in need of extra help to pass state and college readiness testing.	\$1,300.00

Describe the activities of the School Advisory Council for the upcoming year

The SAC will met in September. They will meet in November, 2012, January 2013, March 2013, and May 2013. They reviewed and approved the Bylaws and the School Improvement Plan, discussed the Sunshine Law, the Vision and Mission Statements of the School, as well as discussed the budget from last year, budgets in general at a small school, the purpose of a SIP, and the goals of the School Advisory Council. The board and members were elected, nominated, and approved, minutes were taken, and future meetings were agreed upon by all. In future meetings, discussions will take place centered around issues related to the improvement of academic achievement of the students in attendance at the school.
