Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

- -Facilitator generates agenda and leads team discussions
- -Data Manager(s)/Data Coach(es) assist team in accessing and interpreting (aggregating/disaggregating) the data
- -Technology Specialist brokers technology necessary to manage and display data
- -Recorder/Note Taker documents meeting content and disseminates to team members in a timely manner as well as storing a hard copy in a binder for all teachers to access
- -Time Keeper -helps team begin on time and ensures adherence to agreed upon agenda

Meeting time: Thursdays at 2:00pm

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

The SBLT will be responsible for managing and coordinating these efforts between all school teams as well as reviewing and revising the School Improvement Plan.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

The data systems that the RtI Leadership Team will use to plan school wide interventions and services will be the Florida Assessment for Instruction in Reading (FAIR), district common assessments, and school common assessments, discipline data and attendance data from Portal. The Technology Specialist and Literacy Coach have been assigned the role of data management, and they will compile the data periodically throughout the year for the team to review and assess all students' progress towards academic/behavioral success. This will be done in the early Fall, the beginning of 2nd semester, and at the end of the school year. Data will be disaggregated then shared with school staff for use in driving instruction and student improvement.

Describe the plan to train staff on MTSS.

The staff will be trained regarding the RtI process throughout the school year using a variety of methods, including but not limited to whole staff PLC's, grade level PLC's and Moodle. Members from the RtI Leadership Team will attend county level trainings, and will bring the information back to the school to share with other team members as well as the rest of the staff.

Describe the plan to support MTSS.

Provide time for regularly scheduled meetings with the SBLT and supporting teams.
