## **Effective and Highly Effective Teachers**

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1. Mentoring Program	Instructional Coach	6/2013	
2. Pairing veteran teachers with new teachers for assistance	Instructional Coach	6/2013	
3. Professional Learning Communities	Principal & CRT	6/2013

## **Additional Requirements**

#### Coordination and Integration- Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

#### Title I. Part A

Students requiring additional remediation are provided services within the school day as needed. Services include academic remediation, counseling, and physiological needs.

#### Title I. Part C- Migrant

Students requiring additional remediation are provided services within the school day as needed. Services include academic remediation, counseling, and physiological needs.

#### Title I, Part D

Our guidance counselor communicates with the middle schools in our feeder pattern to make sure our students have adequate training to transition to sixth grade.

#### Title II

Title II funds are used for professional development activities designed to improve instruction and promote higher levels of student achievement. This year the funds are being used for the Lesson Study for the 1st grade team. They will have 3 sessions this year working under the guidance of an OCPS Lesson Study Trainer.

#### Title III

Title III funds from the district level will be used to provide tutoring support for the ELL population if they become available this year.

#### Title X- Homeless

The Homeless Education Program, provided through the McKinney Vento Act, allows for transportation costs and counseling for students who are classified as homeless. We also have a clothes closet with clothing and a food pantry with food for available for students and their families in need.

#### Supplemental Academic Instruction (SAI)

SAI funds will be used to pay partial salary of a reading coach to support teachers in reading for at-risk students. The remaining money will be used to purchase reading materials.

#### **Violence Prevention Programs**

Conway offers several types of programs to prevent violence. We have Bully Prevention through the guidance program, MAGIC through the Orange County Sheriff's Department, and Red Ribbon Week activities for drug free choices. We also have a Behavior Leadership Team that leads a school-wide effort to ensure a safe and productive environment. The CHAMPS program is also in place and that teaches students the expectations for behavior and compliance during any activity from walking down the hall to participating in whole or small group learning activities.

#### **Nutrition Programs**

Conway Elementary has a breakfast and lunch program that is in compliance with the USDA guidelines. Lessons on Nutrition and Health are taught through the PE department.

### Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

#### School-Based MTSS/RtI Team

Identify the school-based MTSS Leadership Team.

Karen Babb, Principal

Cliff Enslen, School Psychologist

Mary Beth Beekman, CCT

Judy Rousseau, CRT

Kathie Flagg, Reading Coach

Beth Pekar, Student/Family Intervention Resource Teacher

Eric Unger, Dean

Julie Kilby, Counselor

Jessica Reynolds, Speech teacher

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The MTSS/RtI Leadership Team will conduct bi-monthly meetings to plan and monitor the implementation of the RtI process. Each grade level will be assigned an RtI coach from the RtI leadership team. Team members will meet monthly with their grade levels to assist in the identification of student needs based on current data, to assist in determining suitable interventions, to work with the teachers to monitor assessments and to collaborate on the progress monitoring plan for students as needed.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The MTSS/RtI Leadership Team and the teachers use data from IMS and meets to review all assessment data: FCAT, Benchmark, FAIR, DRA2, and etc. Members of the RtI Leadership Team are involved in determining the area of need for improvement in reading, math, writing, and science; and a plan of action is written for each area of need. The new teachers to Conway Elementary will be trained by the psychologist during the first quin. The RtI team and the teachers who have previously been trained in the RtI process at Conway will have an opportunity to meet with the school psychologist during their planning time to review the process on September 25<sup>th</sup>, 2012.

### MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Baseline data: FAIR (PMRN), OCPS Edusoft Benchmark Reading, Math and Science, 2012 FCAT, monthly writing prompts, and DRA2, as well as school-based tests in math, reading, science, and writing.

Mid-year: FAIR, Edusoft Benchmark Reading Math & Science, DRA2, monthly writing prompts 3rd-5th grade

End of year: FAIR, FCAT, & Writing prompts 3rd-5th grade,

Referrals for behavior and referrals to the dean & the counselor will be used for planning contracts and behavioral interventions.

Describe the plan to train staff on MTSS.

Professional development on MTSS/RtI will be provided regularly during the teachers' grade level planning time. The trainers will be the school staff members who have completed the district level training on RtI and the grade level RtI Coaches.

Describe plan to support MTSS.

Teachers will meet with the MTSS/RtI group to plan the three-tiered framework that uses increasingly more intense instruction and interventions matched to needs of their students. The team will use the problem-solving process to make the instructional adjustments needed for continual improvement.

### Literacy Leadership Team (LLT)

#### School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT). Kathie Flagg, reading coach, Karen Babb, principal & Stephanie Barksdale, Linda Allee, Kelli Jacobs, Katie Viteritto, Amber Morton, Rebecca Landrum, Pat Summers, Beth Pekar, Jessica Reynolds, Cheryl Beck

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions). The team will meet the second Thursday of each month. The role is to promote reading engagement and better understanding of the reading process. The function is to meet monthly to discuss reading issues and problem solve solutions. What will be the major initiatives of the LLT this year? Vocabulary development and reading comprehension of complex text.

#### Public School Choice

• Supplemental Educational Services (SES) Notification

Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.

#### \*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

Students who attended Conway Elementary for ESE Pre-K are supported by their pre-k teacher while the transition is made from pre-k to kindergarten. Children from private VPK sites are welcomed during Kindergarten Round-up and were also invited to come to a summer program during June that lasted for 13 days to help them become acclimated to kindergarten.

\*Grades 6-12 Only Sec. 1003.413 (b) F.S

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

N/A

### \*High Schools Only

Note: Required for High School-Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

N/A

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

N/A			

### Postsecondary Transition

School Differentiated Accountability Status  Priority Focus Prevent  Are you reward school? Yes No  (A reward school is any school that has improved their letter grade from the previous year or any A graded school.)
• Upload a copy of the Differentiated Accountability Checklist in the designated upload link on the "Upload" page
School Advisory Council (SAC)  SAC Membership Compliance  The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.
If No, describe the measures being taken to comply with SAC requirements.

We will comply, however the roster is not completed at this time. We are inviting parents to join our School Advisory Council. Our focus for membership is to mirror the demographics of our student population.

#### Describe the activities of the SAC for the upcoming school year.

We meet monthly and follow the suggested guidelines for the School Advisory Council reviewing and monitoring the School Improvement Plan throughout the school year. We look at data and keep the SAC members informed of various school initiatives to improve student achievement.

Describe the projected use of SAC funds.	Amount
