Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

De	scription of Strategy	Person Responsible	Projected Completion Date
1.	100% of teachers at Curlew Creek are certified, in filed instructors and have met the definition of highly qualified according to NCLB.	Principal	ongoing
2.	35% of teachers hold advanced degrees, 1 teacher is reading endorsed, and 4 are National Board Certified.	Assistant Principal	Ongoing
3.	Training in the areas of reading, math, differentiated instruction, and interventions will be provided for continual professional development.	Assistant Principal	2012-13 School Year
4.			

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who are NOT highly effective. *When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Additional Requirements

Coordination and Integration-Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A

Title I, Part A funds are utilized, in conjunction with district operating funds and other federal resources, to support teaching and learning, parental engagement, and professional development. Title I services are coordinated and integrated with other resources through the Division of Teaching and Learning, Student Assignment, and Research and Accountability.

Title I, Part C- Migrant

NA in Pinellas

Title I, Part D

The district receives Title I, Part D funds which provide transition services from alternative education programs to zoned schools. In addition, a portion of Title I, Part A funds is reserved for services to neglected and delinquent students. Funds are targeted to support continuous education services to students in neglected and delinquent facilities through tutoring, instructional materials and resources, and technology.

Title II

The district receives funds to increase student achievement through professional development for teachers and administrators. Title II funds provide math and science coaches, as required by Differentiated Accountability, in some of the district's lowest performing schools. A portion of Title I, Part A funds is used to provide additional reading and math coaches in targeted schools based on FCAT results.

Title III

Title III funds provide educational materials, bilingual translators, summer programs, and other support services to improve the education of immigrant and English Language Learners. Bilingual translators provide assistance with parent workshops and dissemination of information in various languages for Title I schools.

Title X- Homeless

The district receives funds to provide resources for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. A portion of Title I, Part A funds is also reserved to provide services to homeless students (social workers, a resource teacher, tutoring, and technology).

Supplemental Academic Instruction (SAI)

SAI funds are coordinated with Title I, Part A funds to provide extended learning opportunities for students before/during/after school and during the summer.

Violence Prevention Programs

Nutrition Programs

Title I coordinates with district food services to provide breakfast and lunch to students in Title I summer extended learning camps.

Housing Programs

Head Start

Title I, Part A funds are used to provide Pre-Kindergarten to Kindergarten transition services. Title I schools coordinate with staff from public and private preschool programs, including Head Start, to prepare students for a successful start to school. A portion of Title I, Part A funds is used to provide classes for 3 year olds at targeted elementary schools to support early literacy.

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Robert McFadden, Principal; Belinda Atkins, Assistant Principal; Carolyn Newton, Guidance Counselor; Joan Hedrick, Psychologist; Tom Fisher, Social Worker; Karen Reiss, Diagnostician

Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

-Facilitator – generates agenda and leads team discussions

-Data Manager(s)/Data Coach(es) – assist team in accessing and interpreting (aggregating/disaggregating) the data

-Technology Specialist – brokers technology necessary to manage and display data

-Recorder/Note Taker – documents meeting content and disseminates to team members in a timely manner as well as storing a hard copy in a binder for all teachers to access

-Time Keeper -helps team begin on time and ensures adherence to agreed upon agenda

Meeting time:

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

The SBLT will be responsible for managing and coordinating these efforts between all school teams as well as reviewing and revising the SIP. Programs, instruction and interventions in the SIP are based on data gathered throughout the problem solving process and based on student need.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

FCAT, PCAS, FAIR, formative assessments and ongoing progress monitoring are all data used at each tier academically. ODR, incident reports, frequency charts, and varied classroom behavior data are gathered as a means to make decisions regarding school-wide and individual behavior plans.

Describe the plan to train staff on MTSS.

The staff will be trained and through guided modeling during weekly team PLCs. These meetings are centered around student data, problem solving, interventions, and ongoing progress monitoring.

Describe the plan to support MTSS.

The SBLT will support MTSS by providing information regarding skill deficits, interventions and ongoing progress monitoring. Parent contact and meetings with teachers will also be arranged in order to document and facilitate problem solving and decision making.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

Robert McFadden, Principal; Belinda Atkins, Assistant Principal; Peggy Duncan, Media Specialist; Kris Wentworth, Classroom Teacher; Nichole Scalia, Classroom Teacher

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

Literacy Leadership Teams create capacity of reading knowledge within the school by focusing on the following areas of literacy concern:

- Support for text complexity
- Support for instructional skills to improve reading comprehension
 - o Ensuring that text complexity, along with close reading and rereading of texts, is central to lessons
 - o Providing scaffolding that does not preempt or replace text reading by students
 - Developing and asking text dependent questions from a range of question types
 - o Emphasizing students supporting their answers based upon evidence from the text
 - Providing extensive research and writing opportunities (claims and evidence)

• Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects (a focus on text, task, and instruction).

The district will provide training and tools for Literacy Leadership Teams.

What will be the major initiatives of the LLT this year?

Support for text complexity

- Support for instructional skills to improve reading comprehension
- Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects

Public School Choice

• Supplemental Educational Services (SES) Notification

Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

Kindergarten Teachers will hold an orientation for incoming students and their parents prior to the beginning of the school year. Readiness skills will be emphasized and good choices for academic and social characteristics will be presented. Materials will be available, as well as pamphlets covering a variety of helpful parenting subjects ranging from parenting skills, helping with homework, students with disabilities and what to expect at a parent teacher conference.
