### **PIP Development Meeting**

**September 8, 2016**

#### **Call to Order :**

- \* The meeting was called to order by Mr. Seth Happel at 6PM.

#### **Review of School Parent Compact:**

- \* There was discussion and unanimous agreement that the Compact should be approved.

#### **Review of Last the 2015-2016 PIP:**

- \* There was discussion about the workshops that were held last year. The recommendation was to repeat the same workshops with the possibility of adding additional programs and to adjust the dates of one because of the change with FAFSA deadlines.

1. Financial Aid Night-October
2. Testing Night (FSA/ACT/SAT/PERT)-November
3. Dual Enrollment/Honors/ AP Night- January/February
4. Transition to High School-May

- \* There was discussion about forms of effective communication between the school and parents and those in attendance felt it would be beneficial if we added a texting component to our other forms of communication .(call outs, printed notices, website and marquee). Mr. Happel will check to see which program would suit our needs best.

- \*All in attendance agreed that meeting times are a big factor in their attendance at parent involvement activities. Most were in agreement that the 7PM time would allow more parents to be able to participate. It was also suggested to schedule events when there were no sporting events on the calendar.

- \* Parents would like to see more ACT/SAT study materials available for checkout in the Parent Involvement Center.

Having no further business the meeting was adjourned at 7:30PM
