#### School-Based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Identify the school-based RtI Leadership Team.

**Principal:** Provides vision, ensures that the school-based team is implementing RTI, ensures implementation of intervention support, ensures adequate professional development is provided to support RTI and communicates with outside stakeholders regarding school-based RTI.

**Select General Education Teachers:** One representative from each grade level provides information about core instruction, participates in student data collection, and collaborates with other staff to ensure implementation of Tier 1, 2 and 3 instruction and support.

**Select ESE teachers:** (Varying exceptionalities, speech, gifted) Provides information about intervention instruction, participates in student data collection, collaborates with general education teachers.

**Reading Coach:** Participates in student data collection and evaluation of data, collaborates with district personnel to identify appropriate, evidence-based intervention strategies and assists with design and delivery of professional development relative to implementation of effective reading strategies.

**School Psychologist:** Participates in collection, interpretation, and analysis of data; facilitates implementation of intervention plans. Provides professional development and technical assistance for problem-solving activities.

Program Specialist: Participates in collection, interpretation, and analysis of data; facilitates implementation of intervention plans.

Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

The RTI Leadership team met with the administration and other staff representatives to help develop the SIP. The team also collaborated with the School Advisory Council to obtain input from the council. The team provided data, helped set goals and expectations, and suggested strategies that would ensure attainment of instructional goals.

MTSS Implementation

 $Describe \ the \ data \ source(s) \ and \ the \ data \ management \ system(s) \ used \ to \ summarize \ data \ at \ each \ tier \ for \ reading, \ mathematics, \ science, \ writing, \ and \ behavior.$ 

The RTI Leadership team met with the administration and other staff representatives to help develop the SIP. The team provided data, helped set goals and

expectations, and suggested strategies that would ensure attainment of instructional goals.

Describe the plan to train staff on MTSS.

Staff Development for faculty in August. Grade Level Teams met with Guidance Counselor, Staffing Specialist, and Reading Coach on Wed., Sept.5 to discuss MTSS process. Reading Coach met with grade levels on Mon., Sept. 10 to set goals for individual students below 25<sup>th</sup> percentile in reading or math.

Describe the plan to support MTSS.

Principal meets monthly with grade levels to discuss individual student progress. MTSS team meets weekly with teachers, parents, and administrators to follow-up on specific students needing support.
