Mission Statement

Parental Involvement Mission Statement (Optional)

Response: Robert Renick Educational Center believes that positive parent/family involvement is essential to student achievement and thus encourages such involvement in school educational planning and operations. In the spirit of the District/school/family and community partnerships this plan seeks to strengthen the partnership among parents/guardians, staff, school, the community, the superintendent, and the District by providing for parents' involvement in decision making as members of school-based planning teams, local parent groups, and the District-wide committees. Expanding training programs that help the individual parent support their child at home will further

strengthen this partnership.

Involvement of Parents

Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1118(c)(3), 1114(b)(2), and 1118(a)(2)(B)].

Response: Robert Renick Educational Center believes in involving parents in all aspects of its Title I programs. The SAC has the responsibility for developing, implementing, and evaluating the various school level plans, including the SIP and PIP. More than 50 percent of the members of the SAC are parent (non-employee) representatives. In addition, all parents were given the opportunity to review the plan and offer their input prior to approval. For the PIP, all parents were given surveys at the end of the school year seeking their input on activities, training, and materials they needed to help their child. Results of parent surveys are reviewed by the SAC to determine needed changes. During the SAC meeting when the PIP and/or SIP are developed, the committee will decide, with the input from parents how the parental involvement funds will be used.
