Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Southwood Elementary's MTSS Leadership Team consists of:

Principal, Lee "Kip" Montgomery

Assistant Principal, Dr. Arlene Thomson

CRT, Wanda Carmenate

CT Debby Creel

Staffing Specialist, Cherry Fisher

Guidance Counselor Francesca Lampugnani

School Psychologist Hemali Jain

Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

Each member of the MTSS is assigned a grade level K-5. Members are to act as single point of contact for grade level teachers and as a liaison between classroom teachers and the MTSS. MTSS members communicate the RtI process procedures and act as support for instruction. MTSS members ensure that the process is carried out with fidelity.

After the first assessments of FAIR and Benchmarks, teams are scheduled to meet on 9-12-12 to view results. Grade level teams meet with their MTSS representative to determine students performing in the lowest 25% in each grade level, K-5. The next step is to analyze data to determine specific areas of need. RtI groups are established accordingly. The MTSS will meet with grade level teachers during Wednesday planning time on the following dates to collect graphs on student progress:

10-31-12

12-19-12

2-20-12

4-17-13

5-29-13

The MTSS convenes the following Monday to discuss Tier II students and the possibility of presenting information to the school psychologist for consideration for Tier III.

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

In development and implementation of the SIP ,the MTSS will:

Review previous years data to review successful strategies and determine areas of weakness

Create an action plan that address targeted areas Establish procedures for the execution of the plan

The MTSS used S.T.A.R. (Setting, Target, Action Reaction) as a problem-solving process

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Data sources are both formal and informal to determine student progress. These are formative assessments that are used to guide instruction.

For reading data sources include:

FAIR

FLKRS grade K

OCPS Benchmarks grades 3-5

DRA (Directed Reading Assessment)

Pinnell and Fountas Benchmark Reading Assessment

FCAT grades 4-5

For Math data sources include:

EnVision Beginning Assessment

EnVision Quick Check

OCPS Benahmark grades 3-5

FCAT grades 4&5

For Science data sources

Florida Fusion Assessment

OCPS Benchmark grade 5

For Writing data sources include:

Monthly writing prompts

Writing rubrics

FCAT grade 5

For behavior a single source is:

PBS (Positive Behavior Support)

Data management systems include:

Edusoft

PMRN

IMS

EnVision

Think Central

Describe the plan to train staff on MTSS.

During preplanning present a PowerPoint outlining the school's MTSS plan. Teachers will receive a copy of the plan. Teachers will meet on established dates with their RtI leadership team member to support implementation of the plan. Teachers will receive training on the Core Phonics and PAST (Phonological Awareness Skill Test) assessments.

Describe the plan to support MTSS.

A school-wide schedule will be implemented to support the system

On-going professional development

Single point of contact to ensure fidelity to the plan

Allocation of resources and materials

School-wide designated RtI time on master schedule

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

The school based Literacy Leadership Team is composed of the Principal, Assistant Principal, CRT, and representatives from grade K-5. (Lee Montgomery, Dr. Arlene Thomson, Carol Brody, Mary Ramirez, Grisell Pesi, Dee Frechette, Amy Cristofaro, Connie Weeks, Wanda Carmenate.)

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT meets monthly as a PLC to discuss school wide reading data, research-based strategies for fluency and comprehension, and create professional learning opportunities. The team's major focus will be to promote literacy to the school community by providing opportunities for Family Reading Nights, and research based practices for teachers to employ during reading instruction

What will be the major initiatives of the LLT this year?

The major initiatives this year will be to focus on literary content that encompasses the use of more non-fiction elements into the literary analysis process.
