

New Dimensions High School

Vision

The vision on New Dimensions High School is to be an educational leader dedicated to excellence through commitment, collaboration, and community.

Mission

The mission of New Dimensions High School is that learning is participatory, involving hope, curiosity, and commitment so that action becomes a legitimate result of learning.

New Dimensions High School Believes:

- Every student can be successful
- Everyone is a lifelong learner
- Every student can exceed expectations
- Every student is capable of obtaining and applying knowledge
- Everyone is capable of fulfilling his or her life-long dreams

WHAT IS TITLE I

A Title I school receives Federal funding to supplement the school's existing programs. At our school we are using the Title I funds to:

- Increase student achievement
- Add a reading interventionist
- Add a paraprofessional to assist students
- Purchase classroom materials & supplies
- Provide tutoring
- Offer extra professional development for our teachers
- Purchase software & technology equipment
- Conduct parental informational meetings, trainings, & activities

PARENT ENGAGEMENT

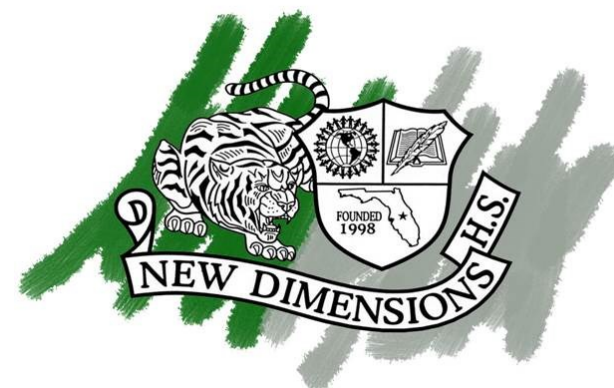

- **Decision Making:** You can help make important decisions about your child's school by participating in School Advisory Council meetings and Title I annual meetings.
- **Assessments:** There are several measures used to determine your child's process toward meeting the standards. These include standardized tests, benchmark assessments, and teacher-made tests. Results from standardized tests and interpretation of the results are distributed annually.
- **Compact:** Each school has a school/parent compact that outlines how parents and school personnel will be responsible for supporting students.
- **Participation:** Parent activities, workshops, and trainings are developed around responses to the annual parent survey, as well as needs identified throughout the year.

We're proud to be a Title I school!
