## Beginning of School Orientation Response to Intervention

Written communication will be provided for parents in English and Spanish. Translators will be available at all parent meetings and in the front offices to provide translation services to ensure that parents are able to fully participate in meetings.

## A colorful cartoon illustration of ten diverse people of various ages and ethnicities standing in a row. Each person is holding a large, bold letter that together spell out the word 'VOLUNTEERS'. The people are dressed in casual clothing, and the overall style is friendly and inclusive.

We love volunteers! Parents wishing to volunteer at the school or on a field trip need to complete the application for TEAMS and be approved by OASIS. The process may take some time. When you volunteer, you will need to have your ID when arriving at the school. Parents will be encouraged to participate in 30 volunteer hours at school.
