FLORIDA DEPARTMENT OF EDUCATION

School Improvement Plan (SIP) Form SIP-1

2012-2013 SCHOOL IMPROVEMENT PLAN

PART I: SCHOOL INFORMATION

School Name: Seminole Heights Elementary School	District Name: Hillsborough
Principal: Jackie Masters	Superintendent: MaryEllen Elia
SAC Chair: Sarah Wright	Date of School Board Approval:

Student Achievement Data:

The following links will open in a separate browser window.

School Grades Trend Data (Use this data to complete Sections 1-4 of the reading and mathematics goals and Sections 1 and 2 of the writing and science goals.)

Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data (Use this data to inform the problem-solving process when writing goals.)

High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

Highly Qualified Administrators

List your school's highly qualified administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and Ambitious but Achievable Annual Measurable Objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
Principal	Jackie Masters	EdD EdLeadership, EdS Media and Tech, MS Admin, BA ElemEd Certifications: ElemEd 1- 6, Gifted, Principalship & ESOL	13	14	Seminole 11-12 C Seminole 10-11 C @ 79% AYP Seminole 09-10 A @ 82% AYP Seminole 08-09 A @ 92% AYP Seminole 07-08 B @ 95% AYP Seminole 06-07 B @ 100% AYP
Assistant Principal	Cynthia Wilkinson	BA Ed, MSEdLdrshp Certifications: Ed Ldrshp, ElemEd, Gifted & ESOL	3.75	3.75	Seminole 11-12 C Seminole 10-11 C @ 79% AYP Seminole 09-10 @ 82% AYP Seminole 08-09 A @ 92% AYP Potter 07-08 C @ 77% AYP Cahoon 06-07 A @ 100% AYP

Highly Qualified Instructional Coaches

List your school's highly qualified instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject Area	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
Reading Coach	Diana Sequeira-Torres	BS Elementary Education	2	2	Seminole 11-12 C Carrollwood 10-11 A @ 85% AYP
ESE Specialist	Tina Herbst	MS, VE, BS Elementary ED & SLD, Certif. – Elementary Ed, VE, SLD, ESOL	13	3	Seminole 11-12 C Seminole 10-11 C @ 79% AYP Seminole 09-10 @ 82% AYP Seminole 08-09 A @ 92% AYP Seminole 07-08 B 95% AYP
Writing Contact	Oriana Eversole	Bachelor of Science Education	2	2	Seminole 11-12 C Seminole 10-11 C @ 79% AYP

Highly Qualified Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly qualified teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1. Teacher Interview Day	Leadership Team & Administrators	June, 2012	
2. MAP	Supervisor of Data Analysis	July, 2012	
3. Pay for Performance	Gn. Dir. Federal Prog. And Prin.	June, 2012	
4. New Teacher School Induction	Administration	August, 2012	
5. New Teacher Orientation	District Elementary Staff	July, 2012	

6. School Mentorship Program	Administrators	ongoing	
7. District Mentor Program	District Mentors	ongoing	
8. District Peer Program	District Peers	ongoing	
9. Opportunities for teacher leadership	Principal	ongoing	
10. Regular time for teacher collaboration	Principal	ongoing	

Non-Highly Qualified Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field (not ESOL certified) and not highly qualified.

Number of staff and paraprofessional that are teaching out-	Provide the strategies that are being implemented to support the staff in becoming highly effective
of-field/ and who are not highly qualified.	
Teachers	<u>Administrators</u>
• 11 out of field	Meet with the teachers at least two times per year to discuss:
	Preparing for and taking the certification exam
	Completing classes needed for certification
	Provide substitute coverage for the teachers to observe other teachers
	 Discussion of what teachers learned during the observation(s)
	Reading Coach
	• The coach co-plans, models, co-teaches, observes and conferences with the teacher on a regular
	basis
	Team Leaders
	• The teachers will attend PLC meetings for on-going adult learning, striving to understand how they
	as an individual teacher and PLC member can improve learning for all

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)

Total Number	% of First-Year	% of Teachers	% of Teachers	% of Teachers	% of Teachers	% Highly	% Reading	% National	%
of Instructional	Teachers	with 1-5 Years of	with 6-14 Years of	with 15+ Years of	with Advanced	Qualified	Endorsed	Board Certified	ESOL Endorsed
Staff		Experience	Experience	Experience	Degrees	Teachers	Teachers	Teachers	Teachers

46	13% (6)	20% (9)	43% (20)	24% (11)	28% (13)	91% (42)	9% (4)	0% (0)	59% (27)

Teacher Mentoring Program

Please describe the school's teacher mentoring program by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
Audrey Hines	Annemarie Fraga – Kindergarten (Second Year)	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Audrey Hines	Jaclyn Patterson – First Grade (Second Year)	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Audrey Hines	Erin Shortt – First Grade (Second Year)	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Audrey Hines	Cristina Kirchmyer – Fourth Grade	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Audrey Hines	Kris Pavone – Art (Second Year)	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Mary Wilt	Valerie Martinez	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Mary Wilt	Debra Cutler-Lurie	EET Mentorship	Modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.

Additional Requirements

Coordination and Integration-Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I. Part A

Services are provided to ensure students who need additional remediation are provided support through: after school and summer programs, quality teachers through professional development, content resource teachers, and mentors.

Title I. Part C- Migrant

The migrant advocate provides services and support to students and parents. The advocate works with teachers and other programs to ensure that the migrant students' needs are being met.

Title I, Part D

The district receives funds to support the Alternative Education Program which provides transition services from alternative education to school of choice.

Title II

The district receives funds for staff development to increase student achievement through teacher training. In addition, the funds are utilized in the Salary Differential Program at Renaissance schools.

Title III

Services are provided through the district for education materials and ELL district support services to improve the education of immigrant and English Language Learners.

Title X- Homeless

The district receives funds to provide resources (social workers and tutoring) for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education.

Supplemental Academic Instruction (SAI)

SAI funds will be coordinated with Title I funds to provide summer school, reading coaches, and extended learning opportunity programs.

Violence Prevention Programs

NA

Nutrition Programs

NA

Housing Programs

NA

Head Start

We utilize information from students in Head Start to transition into Kindergarten.

Adult Education

NA

Career and Technical Education

The career and technical support is specific to each school site in which funds can be utilized, in a specific program, within Title I regulations.

Job Training

Job training support is specific to each school site in which funds can be utilized, in a specific program, within Title I regulations,

Other

NA

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (Rtl)

School-Based MTSS/RtI Team

Identify the school-based MTSS Leadership Team.

- Principal Jackie Masters
- Assistant Principal Cynthia Wilkinson (also serves as ELP Coordinator and ELL Chair)
- Guidance Counselor Kelly Venuti
- School Psychologist Erin Anderson
- Social Worker Brittany Kier-Bayliss
- Academic Coaches Randi Bergendale, Diana Sequeira-Torres, Cherrin Brock, Oriana Eversole
- ESE Specialist Tina Herbst
- ESE Teachers Melinda DeSanto, Renee Bostwick
- SAC Chair Sarah Wright
- (Note: not all members attend every meeting, but are invited based on the goals for the meeting.)

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The purpose of the MTSS Leadership Team in our school is to ensure high quality instruction/intervention matched to student needs and using performance level and learning rate over time to make data-based decisions to guide instruction. The MTSSLT reviews school-wide data to address the progress of low-performing students and determine the enrichment and acceleration needs of high performing students. The major goal is for all students to achieve adequate yearly progress and improve other long-term outcome (behavior, attendance, etc.). The team uses the Collaborative Culture Problem Solving Model and ALL decisions are guided by the review and analysis of student data.

The MTSS Leadership Team is considered the main leadership team in our school. The MTSSLT will meet weekly and use the problem solving process to:

- Oversee the multi-layered model of service delivery (Tier 1/Core, Tier 2/Supplemental and Tier 3/Intensive).
- Based on student data, recommend, coordinate and implement supplemental services (Tiers 2 and 3) that match students' of skill deficits through:
 - o Tutoring during the day in small group pull-outs in reading, math and science.
 - Extended Learning Programs during and after school.
 - o Saturday Academies.
 - o Intensive Reading and Math classes.
 - o Maintain an updated school resource map.
 - Identify progress monitoring tools aligned with core curriculum and research based interventions available at our school.
- Determine scheduling needs, curriculum materials and intervention resources based on identified needs derived from data analysis.
- Determine the school-wide professional development needs of faculty and staff and arrange trainings aligned with the SIP goals.
- Review and interpret student data (academic, behavior and attendance) at school and grade levels.
- Organize and support systematic data collection as needed.
- Strengthen the Tier 1 (core curriculum) instruction through the:
 - o Implementation and support of PLCs.
 - o Use of school-based *Reinforcement Instructional Calendars for reading, writing, math, and science, Mini-Lessons and Mini-Assessments* (data will be collected by PLCs and entered and compiled for analysis by members of the MTSSLT).

7

- o Use of Common Core Assessments at the end of segments/chapters (data will be collected a by PLCs and entered and compiled for analysis by members of the MTSSLT).
- o Communication with major stakeholders (e.g., parents, business partners, etc.) regarding student outcome through data summaries and conferences.
- At the end of each nine weeks, assist in the monitoring implementation of interventions through fidelity checks and student achievement data collected during the nine weeks.
- Assist with planning, implementing, and evaluating the outcomes of supplemental and intensive interventions in conjunction with PLCs.
- Work collaboratively with the PLCs in the implementation of the C-CIM (Core Continuous Improvement Model) and F-CIM (Florida Continuous Improvement Model on specific tested benchmarks) and progress monitoring.

Hillsborough 2012 Rule 6A-1.099811

• Coordinate/collaborate with other working committees, such as the Literacy Leadership Team (which is responsible for developing a plan for embedding/integrating reading and writing strategies across all other content areas).

Use intervention planning forms to communicate initiatives between the MTSSLT and PLCs.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

- The Chair of SAC is a member of the MTSSLT.
- The MTSSLT and SAC were involved in the School Improvement Plan development that was initiated prior to the end of the 2011-12 school year and during preplanning for the 2012-13 school year.
- The School Improvement Plan is the working document that guides the work of the PSLT. The large part of the work of the team is outlined in the Expected Improvements/Problem Solving Process sections and related professional development plans for school-wide goals in Reading, Math, Writing, Science, Attendance and Suspension/Behavior.
- Given that on the main tasks is to monitor student data related to instruction and interventions, the PSLT will monitor the effectiveness of the strategies developed in problem solving plans by reviewing student data as well as data related to various levels of fidelity.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

- The PSLT will communicate with and support the PLCs in implementing the proposed strategies by assigning PSLT members as consultants to the PLCs to facilitate planning and implementation for data collection and management. Once strategies are put in place, PLCs will periodically report on their efforts and student outcomes to the larger PSLT team by the subject area PSLT representatives.
- The PSLT and PLCs both hypothesized the reasons reading and math both dropped significantly were because the staff became complacent, there wasn't a sense of urgency among any of the staff, and lessons were not rigorous enough to "make the learning stick.", to:
 - o review and analyze screening and collateral data
 - o develop and test hypotheses about why student/school problems are occurring (changeable barriers)
 - o develop target interventions based on confirmed hypotheses
 - o establish methods to track students' progress with appropriate progress monitoring assessments at intervals matched to the intensity of the interventions and/or enrichment
 - o develop progress monitoring goals to determine when student(s) need more or less support (e.g., frequency, duration, intensity) to meet established class, grade, and/or school goals (e.g., use of data-based decision-making to fade, maintain, modify or intensify interventions and/or enrichments)
 - o review goal statements to ensure they are ambitious, time-bound and meaningful (e.g., SMART goals)
 - o assess the fidelity of instruction/intervention implementation and other PS/RtI processes
- PSLT data collection:
 - o Tier 1
 - Collect universal screening an/or common assessment data
 - Identify proficiency cut points on various progress monitoring tools
 - Determine specific student (and/or subgroup) needs for differentiated instruction and remediation
 - Provide appropriate core curriculum instruction that is reflective of research based best practices and utilizes differentiated instruction
 - Use of progress monitoring tools (FAIR, DRA) and benchmark data
 - Summarize data collected for decision making purposes with regards to students requiring differentiated instruction
 - Completion of PSLT/RtI data collection forms as appropriate
 - o Tier 2

- Use Tier 1 information as well as the following:
- Ongoing progress monitoring tools (FAIR, DRA)
- Documentation of small group or individual instruction on a specific skills delivered with intensity and rigor
- Ongoing classroom assessment using teacher made assessments
- Documentation of use of strategic supplemental and academic programs
- Documentation of implementation of small group training in behavior skills
- Documentation of student participation in ELP program to provide additional interventions
- Summarization of student data into graphic formats to determine if interventions provided are effective and if students are responding to interventions
- Completion of PSLT/RtI data collection forms as appropriate
- Implementation of research-based, scientifically validated instructional strategies and/or interventions (e.g., Differentiated Instruction)
- Completion of fidelity checks
- o Tier 3
 - Tier 1 and 2 information as well as the following:

Collection of data on a daily or weekly basis, appropriateness determined by the PST and rigor and intensity of intervention

- Graphic documentation of results of evidence-based hypotheses interventions provided to determine whether student is responding to interventions
- Documentation of individualized interventions provided daily and with intensity
- Completion of PSLT/RtI forms as needed
- Completion of fidelity checks

Describe the plan to train staff on MTSS.

The Leadership Team will continue to work To build consensus with all stakeholders regarding a need for and a focus on school improvement efforts. The Leadership Team will work to align the efforts of other school teams that may be addressing similar identified issues.

As the District's Rti committee/Rti Facilitators develop resources and staff development trainings on PS?Rti, these tools and staff development sessions will be conducted with staff when they become available. Professional Development sessions, as identified by teacher needs assessment and/or EET evaluation data, will occur during faculty meeting times or rolling faculty meetings. The Leadership Team will send school team representatives to ongoing PS/RtI trainings/support sessions that are offered districtwide. Our school will invite our area RtI facilitator to visit quarterly (or as needed) to review our program in implementation of PS/RtI and provide on-site coaching and support to our Leadership Teams/PLCs. New staff will be directed to participate in trainings relevant to PLCs and PS/RtI as they become available.

Describe plan to support MTSS.

Response to Intervention (RtI) has also been described in Florida as a multi-tiered system of supports (MTSS) for providing high quality instruction and intervention matched to student needs using learning rate over time and level of performance to inform instructional decisions. In order to support MTSS in our schools, we will:

- Consistently promote the shared vision of one system meeting the needs of ALL students with MTSS as the platform for integrating all school initiatives (i.e., PLC, PSLT, Steering and SAC meetings, lesson study, school-wide behavior management plans).
- Provide designated school personnel with the requisite of knowledge and experience to support coordination and implementation of MTSS.
- Provide continued training and support to all school based personnel in problem-solving, responding to student data and the use of a systematic method to increase student achievement.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

The Literacy Leadership Team serves as the school's literacy Profession al Learning Community. The team is comprised of:

- Principal
- Assistant Principal for Curriculum
- Reading Coach
- Reading Teachers

Hillsborough 2012

Rule 6A-1.099811

Revised July, 2012

- Media Specialist
- Teachers across content areas (Language Arts, Math, Science, Social Studies and Electives) who have demonstrated effective reading instruction as reflected through positive student reading gains
- Grade Level Team Leaders

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT is a subset of the Problem Solving Leadership Team. The team provides leadership for the implementation of the reading strategies on the SIP.

The principal is the LLT chairperson. The reading coach is a member of the team and provides extensive expertise in data analysis and reading interventions. The reading coach and principal collaborate with the team to ensure that data driven instruction support is provided to all teachers.

The principal also ensures that the LLT monitors reading data, identifies school-wide and individual teachers' reading-focused instructional strengths and weaknesses, and creates a professional development plan to support identified instructional needs in conjunction with the Problem Solving Leadership team's support plan. Additionally the principal ensures that time is provided for the LLT to collaborate and share information with all site stakeholders including other administrators, teachers, staff members, parents and students.

What will be the major initiatives of the LLT this year?

- Implementation and evaluation of the SIP reading strategies across the content areas
- Professional Development Common Core, Reciprocal Teaching, Reading trainings: DRA, Running Records, and Readers Workshop
- Co-planning, modeling and observation of research-based reading strategies within lessons across the content areas
- Data analysis (on-going)
- Implement K-12 Reading Plan

NCLB Public School Choice

• Supplemental Educational Services (SES) Notification

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

In Hillsborough County Public schools, all kindergarten children are assessed for Kindergarten Readiness using the FLKRS (Florida Kindergarten Readiness Screener.) This state-selected assessment contains a subset of the Early Childhood Observation System and the first five measures of the Florida Assessments in Reading (FAIR). The instruments used in the screening are based upon the Florida Voluntary Prekindergarten (VPK) Education Standards. Parents are provided with a letter from the Commissioner of Education, explaining the assessments. Teachers will meet with parents after the assessments have been completed to review student performance. Data from the FAIR will be used to assist teachers in creating homogeneous groupings for small group reading instruction. Children entering Kindergarten may have benefited from the Hillsborough County Public Schools' Voluntary Prekindergarten Program. This program is offered at elementary schools in the summer and during the school year in selected Head Start classrooms and as a blended program in several Early Exceptional Learning Program (EELP) classrooms. Starting in the 2012-2013 school year, students in the VPK program will be given the state created VPK assessment that looks at Print Knowledge, Phonological Awareness, Mathematics and Oral Language Vocabulary. This assessment will be administered at the start and end of the VPK program. A copy of these assessments will be mailed to the school in which the child will be registered for kindergarten, enabling the child's teacher to have a better understanding of the child's abilities from the first day of school. Parent Involvement events for Transitioning Children into Kindergarten include Kindergarten RoundUp. This event provides parents with an opportunity to meet the teachers and hear about the academic program. Parents are encouraged to complete the school registration procedure at this time to ensure that the child is able to start on time.

PART II: EXPECTED IMPROVEMENTS

Reading Goals

Readin	ng Goals			Problem-Solving P	rocess to Increase	Student Achievement	
Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:			Anticipated Barrier		fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
1. FCAT 2.0: Students sco (Level 3-5).	1. FCAT 2.0: Students scoring proficient in reading (Level 3-5).		of this strategy needs	Common Core Reading Strategy Across All	<u>Who</u> -Principal	-Teachers reflect on lesson	1.1. <u>3x per year</u> -FAIR
Reading Goal #1: In grades 3-5, the % of students scoring a Level 3 or higher on the 2013 FCAT Reading will increase from 51% to 54%.	2012 Current Level of Performance:* 51% (47)	Level of Performance:* 54%	professional development. Training for this strategy is being rolled out in 12-13.	Content Areas Reading Comprehension improves when students are engaged in grappling with complex text. Teachers need to understand how to select/identify complex text, shift the amount of informational text used in the content curricula, and share complex texts with all students. All content area teachers are responsible for implementation. Action Steps Action steps for this strategy are outlined on grade level/content area PLC action plans.	-APEI -Instructional Reading Coaches -School Psychologist -Guidance Counselor -Peer & Mentor Evaluators How -Reading PLC Logs -Language Arts PLC Logs -Social Studies PLC Logs -PLCs turn their logs into administration after a unit of instruction is completePLCs receive feedback on their logs. instruction determine the	data, PLCs calculate the
following:	SWD SMART goal data
-What do we want our SWD	across all classes/courses.
to learn by the end of the	-PLCs reflect on lesson
unit?	outcomes and data used to
-What are standards that our	drive future instruction.
SWD need to learn?	-For each class/course, PLCs
-How will we assess these	chart their overall progress
skills/standards for our	towards the SWD SMART
SWD?	Goal.
-What does mastery look	Leadership Team Level
like?	-PLC facilitator/ Subject
-What is the SMART goal	Area Leader/ Department
for this unit of instruction	Heads shares SWD SMART
for our SWD?	Goal data with the Problem
	Solving Leadership Team.
Plan for the "Do"	-Data is used to drive teacher
What do teachers need to do	support and student
in order to meet the SWD	supplemental instruction.
SMART goal?	
-What resources do we	
need?	
-How will the lessons be	
designed to maximize the	
learning of SWD?	
-What checks-for-	
understanding will we	
implement for our SWD?	
-What teaching	
strategies/best practices will	
we use to help SWD learn?	
-Specifically how will we	
implement the	
strategy during the	
lesson?	
-What are teachers going to	
do during the lesson for	
SWD?	
-What are SWD going to do	
during the lesson to	
maximize learning?	
Reflect on the	
"Do"/Analyze Checks for	
Understanding and Student	
Work during the unit.	
non auning me unu.	

2012-2013 School Improvement Plan (SIP)-Form SIP-1_SEMINOLE ELEMENTARY

le i di d
For lessons that have
already been taught within
the unit of instruction,
teachers <u>reflect</u> and discuss
one or more of the following
regarding their SWD:
-What worked within the
lesson? How do we know it
was successful? Why was it
successful?
-What didn't work within
the lesson? Why? What are
we going to do next?
-For the implementation of
the strategy, what
une strategy, what
worked? How do we know
it was successful? Why was
it successful? What checks
for understanding were used
during the lessons?
For the implementation of
the strategy, what
didn't work? Why? What
are we going to do next?
-What were the outcomes of
the checks for
understanding? And/or
analysis of student
performance?
How do we take what we
have learned and apply it to
future lessons?
Reflect/Check – Analyze
Data
Discuss one or more of the
following:
-What is the SWD data?
-What is the data telling us
as individual teachers?
-What is the data telling us
as a grade
level/PLC/department?
-What are SWD not
learning? Why is this
occurring?
-Which SWD are learning?
Which by the teathing.

		Act on the Data After data analysis, develop a plan to act on the dataWhat are we going to do about SWD not learning? -What are the skills/concepts/standards that need reteaching/interventions (either to individual SWD or small groups)? -How are we going to reteach the skill differently? -How we will know that our re-teaching/interventions are working?		5 D.2	5D 2

NEW Career and Technical Education (CTE) Goal(s)

CTE Goal(s)		Problem-Solving P	t		
Based on the analysis of school data, identify and define areas in need of improvement:	Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
CTE Goal #1: Increase student interest in career opportunities and program selection prior to middle school. The school will increase the frequency of career exposure activities/events from 3 in 2011-2012 to 5 in 2012-2013.		Provide field trips to local businesses or CTE student competitions			CTE field trip log.

CTE Professional Development

Profes	Professional Development (PD) aligned with Strategies through Professional Learning Community (PLC) or PD Activity Please note that each Strategy does not require a professional development or PLC activity.								
PD Content /Topic and/or PLC Focus	PD Content /Topic PD Facilitator PD Participants Target Dates and Schedules								
Integration of career opportunities in core academic areas			-Teachers						
Availability of career coursework at Feeder Middle Schools			Guidance Counselors -District staff						

End of CTE Goal(s)

Differentiated Accountability

School-level Differentiated Accountability (DA) Compliance

Please choose the school's DA Status. (To activate the checkbox: 1. double click the desired box; 2.when the menu pops up, select "checked" under "Default Value" header; 3. Select "OK", this will place an "x" in the box.)

School Differentiated Accountability Status				
Priority	Focus	⊠Prevent		

• Once the state has provided information, directions for how to upload the checklist will be posted on the School Improvement Icon.

School Advisory Council (SAC)

SAC Membership Compliance

If No.

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

⊠ Yes	∐ No
describe the mea	asures being taken to comply with SAC requirements.

Describe the use of SAC funds.						
Name and Number of Strategy from the School Improvement Plan	Description of Resources that improves student achievement or student engagement	Projected Amount	Final Amount			
Parent Involvement from the Parent Involvement plan	Food and gift cards - Incentives for parent involvement	\$400.00				
Reading Goal # 1 - Technology	Speakers in the classroom	\$300.00				
Attendance Goal # 1 - Attendance	Barnes & Noble Gift cards for student attendance incentives	\$447.50				
Final Amount Spent
