Involvement of Parents

How the school will involve the parents and families in an organized, ongoing, and timely manner, in the planning, reviewing and improvement of Title I programs, including involvement in decision making of how funds for Title I will be used? [Elementary Student Education Act 1116]

Our school strives to involve all parents in the planning, review, and improvement of Title I programs and our Parent & Family Engagement Plan. All parents are invited to attend meetings regarding the development of the required plan through flyers, school marquee, and REMIND. Parents are asked for their input on activities and trainings provided by the school. The school uses the notes from the group discussion to guide writing the plan.

Coordination and Integration with Other Federal Programs

How the school will coordinate and integrate parent and family activities that teach parents how to help their child(ren) at home? [Elementary Student Education Act Section 1116]

The school will provide reasonable support for parent involvement activities, including those which are requested by parents, by doing the following: School Leadership Team members will document requests by keeping records such as phone logs and copies of notes/emails. SAC/PTO meetings will provide an opportunity to ask parents to help decide on future parent involvement events, such as Title I nights. Parents will be notified as to how money is planning/organizing all upcoming parent involvement events.

Annual Parent Meeting

A description of the specific steps the school will take to conduct the annual meeting to inform parents and families of participating children about the school's Title I Program.

For the Annual Parent meeting, multiple days and times are chosen to allow parents the opportunity to participate in the meeting at a time that fits their specific needs. A flier is sent home one week in advance and then again two days in advance to ensure that all parents are informed in a timely manner about the meeting. The custodian puts the meeting announcement on the marquee a week before to inform parents that come to the school. On the day of the meeting, the Title I coordinator will present the Powerpoint to the parents. Parents will be invited to ask questions during the presentation to ensure their understanding of the presentation. There will also be a discussion after the presentation.

Flexible Parent Meetings

How will the school offer a flexible number of meetings, such as meetings in the morning or evening?

Throughout the school year, we will offer various events and activities on a variety of weekly nights and mornings offered at different times. Our Annual Meeting will be offered on different days and two different times to accommodate different work schedules.

How will the school provide, with Title I funds, transportations, child care or home visits, as such services relate to parents and family engagement? [Every Student Education Act Section 1116]

Separate childcare is not provided. We have a variety of events where parents and children learn alongside each other. In the event of an activity that parents need to be focused to learn or participate, age appropriate activities are provided for students during those events.

Building Capacity

How the school will provide other reasonable support for parent/family engagement activities. [Every Student Education Act Section 1116]

The school provides all fliers in English and Spanish to parents for events and meetings that occur. Fliers are provided for parents to access academic resources such as Classlink. Each parent must have at least one parent/teacher conference to discuss students' academic progress. The ESOL department will provide meetings to all parents that have ESOL children enrolled to provide additional resources to support the language barrier.

Other Activities

How other activities the school will conduct to encourage and support parents and families in more meaningful engagement in the education of their child(ren)? [Every Student Education Act Section 1116]

The school is holding multiple events that will allow for parent involvement related directly to core subjects. The Family Science/STEM night will allow parents and students an opportunity to learn about various science standards to enhance knowledge. The Arts Integration night will allow parents an opportunity to see and experience activities that will show how PAFA integrates the arts into literacy, math, and science to provide a well-rounded curriculum. The Family Literacy night will allow for application of literacy standards through hands on activities. Parents will also learn strategies to encourage reading at home with their child. Math Family night will allow for parents to learn ways to incorporate games and activities utilizing math standards to reinforce academics.

Communication

How the school will provide timely information about the Title I programs?

At the beginning of the school year, Open House allows parents to visit the school and view its resources. Welcome Back Packets are provided to all students that includes a Title I booklet, District LEA Parent & Family Engagement Plan Summary and School Parent & Family Engagement Plan Summary. Every new student that is enrolled throughout the year is provided a copy of the packet upon registration. In addition, a Title I menu to access links to Title I is available through the school's website.

How the school will describe and explain the curriculum at the school, the forms of assessment used to measure student progress and the achievement levels students are expected to obtain?

Curriculum being used at the school is addressed at the school SAC and PTO meetings. At our Title I Annual Meeting, a PowerPoint is shared with the parents and families regarding information on the standards the child is expected to achieve, what the child is learning, how the children are being evaluated, and how to get in touch with the teacher.

How, if requested by parents, the school provides opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their child(ren)?

Any parent is able to request a parent/teacher conference in person or telephone. Parents may contact teachers via email. All teacher email addresses are available on our school website.

How the school will submit parents/families comments if the school-wide plan is not satisfactory to them? [Every Student Education Act Section 1116]

A Title I survey is sent home to parents in order to get feedback on curriculum, testing, barriers, etc. All surveys are collected and evaluated. Results from the surveys are provided in the Spring and shared with parents. All parents are invited to discuss the results and ways to improve our school for the upcoming year.

Accessibility

A description of how the school will provide full opportunities for participation in parent/family engagement activities for all parents/families?

Our school will be using REMIND to keep in contact with parents and students about events. Osceola County School District has a virtual backpack website that parents can visit in order to see the various community businesses that are involved with the district schools and areas. Fliers are sent home in English and Spanish to communication meetings and events.

A description of how the school will share information related to school and parent/family programs, meetings, school reports, and other activities in an understandable, uniform format, and in languages that the parents/families can understand?

There is school wide parent communication with the use of handbooks, announcements, meetings, and activities which are provided in English and Spanish. All Title I events and meetings are held in either the school cafeteria or media center. Each of these locations are wheelchair accessible from both school parking lots on the PAFA campus. Agendas are given to each student to help promote and support parent communication

Discretionary (Optional)

Any activities that are not required, but will be paid for through Title I, Part A funding (for example, home visits, transportation for meetings, activities related to parent/family engagement. Etc.)

Barriers

A description of the barriers that hindered participation by parents during the previous school year from the school end of year survey?

The parents expressed that there were a couple of barriers that hindered them from participation in school activities. The largest barriers were stated to be work schedule, childcare, and time constraints.

A description of the steps the school will take during the upcoming school year to overcome the barriers (with particular attention paid to parents/families who are disabled, have limited English proficiency, and parents/families of migratory children?

During the Title I annual parent meeting we proved all parents with the power point in English as well as Spanish. This helps any parents who may have a language barrier. During our building events, we have volunteers that speak Spanish to assist or explain the activities for the parents to understand. For the time constraints, we make sure to schedule our events on different days of the week and certain events are offered at varying times of the day. For parents who are struggling with their work schedule we offer different nights of the week. We will provide a calendar of projected events at the beginning of each semester to allow plenty of time for parents to plan for the event.

Count	Barrier (Including the Specific Subgroup)	Steps the school will take to overcome
1.	Transportation	Give information to teachers and they will send out an email to all teachers with the information provided
2.	Language Barrier	Provide fliers in Spanish and provide translators as needed.
3.	Child Care	If events require full parental involvement, age appropriate activities are provided
