FLORIDA DEPARTMENT OF EDUCATION

School Improvement Plan (SIP) for Juvenile Justice Education Programs

2012-2013

2012 – 2013 SCHOOL IMPROVEMENT PLAN

PART I: SCHOOL INFORMATION

School Name: Brevard Regional Detention Center	District Name: Brevard
Principal: Dr. Kimberly Rogers	Superintendent: Dr. Brian Binggeli
SAC Chair: Toniamae Dykes	Date of School Board Approval:

Student Achievement Data:

Use data from the Common Assessment to complete reading and mathematics goals. Programs may include math data from the math assessment used in 2011–2012.

Administrators

List your school's on-site administrators who are responsible for educational services (e.g., principal, lead educator) and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include the history of common assessment data learning gains. Programs may include math data from the math assessment used in 2011–2012. The school may include the history of Ambitious but Achievable Annual Measurable Objective (AMO) progress.

Position	Name	Degree(s)/	Number of	Number of Years	Prior Performance Record (include prior common assessment data
		Certification(s)	Years at	as an	learning gains). The school may include AMO progress along with the
			Current School	Administrator	associated school year.
Principal	Dr. Kimberly Rogers	Ed. D	2	18	
Lead					
Educator					

2012-2013 School Improvement Plan Juvenile Justice Education Programs <u>Instructional Coaches</u>

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include the history of common assessment data learning gains. Programs may include math data from the math assessment used in 2011–2012. The school may include the history of AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science.

Subject	Name	Degree(s)/	Number of	Number of Years as	Prior Performance Record (include prior common assessment
Area		Certification(s)	Years at	an	data learning gains). The school may include AMO progress
			Current School	Instructional Coach	along with the associated school year.
	Toniamae Dykes	Reading Specialist M.A.,	3	9	Effective Performance Appraisal
Reading		Elementary Education B.			
		S., ESOL			

Effective and Highly Effective Teachers

List your school's highly effective teachers and briefly describe their certification(s), number of years at the current school, number of years as a teacher, and their prior performance record with increasing student achievement at each school. Include the history of common assessment data learning gains. Programs may include math data from the math assessment used in 2011–2012. The school may include the history of AMO progress. Highly effective teachers refers to teachers who provide instruction in core academic subjects, hold an acceptable bachelor's degree or higher, have a valid temporary or professional certificate, and whose students demonstrate learning gains via the common assessment, end of course exams, or any supplemental assessment the school uses.

Subject	Name	Degree(s)/	Number of	Number of Years as	Prior Performance Record (include prior common assessment
Area		Certification(s)	Years at	an	data learning gains). The school may include AMO progress
			Current School	Instructional	along with the associated school year.

Effective and Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable	
			(If not, please explain why)	
1. Provide professional development opportunities to maintain	Principal	continuous		
professional certifications.				
2.				
3				
J.				
4.				

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and who are NOT highly effective.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Provide the strategies that are being implemented to support the staff in becoming highly effective

2012-2013 School Improvement Plan Juvenile Justice Education Programs Staff Demographics

Please complete the following demographic information about the instructional staff in the school who are teaching at least one academic course.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers
2	0	0	0	2	0	100%	50%	0	0

Teacher Mentoring Program

Please describe the school's teacher mentoring program by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
N/A			

*Grades 6-12 Only- Sec. 1003.413 (2)(b) F.S

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

Brevard County will be looking closely at the Common Core Reading Standards and discussing their impact on instruction. There will be two mandatory district in-service days dedicated to delivering professional development with the focus on aligning CCSS with the county's curriculum. Following the professional development, administrators will monitor implementation through the teacher appraisal system. Support will be provided by the reading coach as needed.

*High Schools Only

Note: Required for High School- Sec. 1003.413 (2)(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

Through courses offered and Common Core State Standards, relationships between course work and real world scenarios are built.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful to their future?

Upon entry to the school, students take a learning styles inventory, a career interest inventory, and meet with a guidance counselor/transition coordinator to develop a class schedule.

Postsecondary Transition

Note: Required for High School- Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report.

N/A

PART II: EXPECTED IMPROVEMENTS

May 2012 Rule 6A-1.099811 Revised May 25, 2012

Reading Goals

Please refer to questions below to guide your responses when completing the goal chart. Specific responses are not required for each question on the template.

Guiding Questions to Inform the Problem-Solving Process

- Based on a comparison of 2010-2011 common assessment data and 2011-2012 common assessment data, what was the percent increase or decrease of students maintaining learning gains?
- What percentage of students made learning gains?
- What was the percent increase or decrease of students making learning gains?
- What are the anticipated barriers to increasing the percentage of students making learning gains?
- What strategies will be implemented to increase and maintain proficiency for these students?
- What additional supplemental interventions/remediation will be provided for students not achieving learning gains?
- * When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

READING GOALS		Problem-Solving Process to Increase Student Achievement

Career Education Goals

Please refer to questions below to guide your responses when completing the goal chart. Specific responses are not required for each question on the template.

Guiding Questions to Inform the Problem-Solving Process

- What career type does the program offer?
- How does the program provide career exploration for all students?
- What hands-on technical training does the program provide (type 3 programs)?
- For type 3 programs what industry certifications are offered?
- How many students earned industry certifications?
- Is the program a Career and Professional Education (CAPE) Academy?

* When using percentages, include the number of students the percentage represents next to the percentage (e.g. 70% (35)).

CAREER EDUCATION GOAL(S)			Problem-Solving Process to Increase Student Achievement

End of Career Education Goal(s)

Transition Goal(s)

Please refer to questions below to guide your responses when completing the goal chart. Specific responses are not required for each question on the template.

May 2012 Rule 6A-1.099811 Revised May 25, 2012

Guiding Questions to Inform the Problem-Solving Process

- How does the program deal with transition planning (entry and exit transition)?
- How many students successfully transition (e.g., return to school, find employment)?

* When using percentages, include the number of students the percentage represents next to the percentage (e.g. 70% (35)).

	TRANSITION GOAL(S)		percentage	Problem-Solving Process to Increase Student Achievement				
Based on the analysis of school data, identify and define areas in need of improvement:		Anticipated Barrier	Strategy	Person or Position Responsible for Monitoring	Process Used to Determine Effectiveness of Strategy	Evaluation Tool		
Assessments will be reviewed with students on an individual basis. Educational placement options, career opportunities, and resources for post-secondary education will be discussed.	2012 Current Level :*	2013 Expected Level:* 100% (Enrollment varies, cannot pre-determine numbers)	This may prevent the guidance counselor from reviewing the required information with them.	counselor/transition specialist	Specialist	1.1. Check educational status in the AS-400 for those students having served more than 21 days.	1.1.The Transition Specialist will keep a spreadsheet of the educational status for those students who were enrolled at the detention center for more than 21 days.	
			1.2. Students attend court the following day after enrollment and quite often do not return to school or are sentenced to DJJ programs. Follow-up data will be difficult to obtain for these students. 1.3.		1.3.	1.3.	1.3.

Attendance Goal(s) (For Day Treatment Programs Only)

Please refer to questions below to guide your responses when completing the goal chart. Specific responses are not required for each question on the template.

Guiding Questions to Inform the Problem-Solving Process

What was the attendance rate for 2011-2012?

- How many students had excessive absences (10 or more) during the 2011-2012 school year?
- What are the anticipated barriers to decreasing the number of students with excessive absences?
- What strategies and interventions will be utilized to decrease the number of students with excessive absences for 2012-2013?
- How many students had excessive tardies (10 or more) during the 2011-2012 school year?
- What are the anticipated barriers to decreasing the number of students with excessive tardies?
- What strategies and interventions will be utilized to decrease the number students with excessive tardies for 2012-2013?

* When using percentages, include the number of students the percentage represents next to the percentage (e.g. 70% (35)).

ATTENDANCE GOAL(S)			Problem-solving Process to Increase Attendance

School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.

2012-2013 School Improvement Plan Juvenile Justice Education Programs X Yes	No	
If No, describe measures being taken to comply with SAC requirement.		
Describe projected use of SAC funds.		Amount
Purchase consumable materials.		\$40.00
Describe the activities of the School Advisory Council for the upcoming year.		
The council will be investigating ways to improve the use of technology in the classroom.
