- (A) Parents and families play an integral role in assisting their child's learning.
- (B) Parents and families are encouraged to be actively involved in their child's education.
- (C) Parents and families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- (D) The carrying out of other activities, such as those described under ESSA Section 1116.

About the Parent and Family Engagement Plan

School Year: 2019-2020

A collaborative force that aligns all stakeholders in developing life-long individual learners by providing supplemental support for diverse growth opportunities.

BARRIERS

This section is not required for new Title I Schools.

Summarized data from stakeholder engagement surveys from events held during the 18-19 school year (not applicable to new Title I, Part A schools).
The overall response from OCMS parents and families has been positive. 100% of our parents who completed surveys felt that the parent engagement activities that were conducted in the 2018 - 2019 school year were worth their time, the information was applicable to implement at home and helped them to understand their child's academic needs. However from the annual survey one family who completed the Spanish Version felt as though the school could be more effective in providing information and assistance in understanding their child's progress.
Describe the barriers that hindered the participation and engagement of parents and family members during previous school years.
<ol style="list-style-type: none"> 1. All families being aware of upcoming engagement opportunities. 2. Parents at highest risk do not attend. 3. Make events relevant to individual families. 4. All parents can understand information being provided and that language is not a barrier.
(1) Prioritize the Top 3 barriers (it may be possible to combine some) and (2) describe the steps that will be taken during the upcoming school year to overcome the parent and family engagement barriers (required*include how the school will overcome barriers for students with family members who have limited English proficiency, parents and family members with disabilities, and parents and family members who are migrants).
<p>All families being aware of upcoming engagement opportunities and parents at highest risk do not attend.</p> <ul style="list-style-type: none"> • Individual phone calls to identified families of at-risk students • Signage in the car line area. • Continue Skylet, flyers, website and social media announcements. <p>Make events relevant to individual families.</p> <ul style="list-style-type: none"> • Using our approach (providing individualized information) from last year and extending it throughout the year to demonstrate growth of their students as it relates to the whole. <p>All parents can understand information being provided and that language is not a barrier.</p> <ul style="list-style-type: none"> • Communication will be provided in home language in all areas including the one on one conversation about individual performance at large group meetings. • Social Media will be improved with Spanish versions of different announcements.
What is your Parent and Family Engagement Plan goal for the 2019-2020 school year (<i>must be tied to student academic achievement and aligned with your school improvement plan</i>)?
If Ocali Charter can build capacity with parents to attend flexible events in order to learn deliberate strategies to help their children and understand state standards then reading and math proficiency will increase as measured by I-Ready data.
