

Cholee Lake Elementary School

2019-2020 Parent and Family Engagement Plan (PFEP) Summary

The goal of the Parent and Family Engagement Plan is to empower parents and families to be active participants in their child's academic success.

Mission:

The mission of Cholee Lake Elementary School is to increase academic achievement for all students, while providing behavioral and social-emotional supports for the well-being of the whole child.

Involvement of Stakeholders:

Parents are encouraged to attend our monthly School Advisory Council (SAC) and other informational meetings to have the opportunity to voice their opinions and concerns according to the following:

- Review and solicit input and monitor the School Improvement Plan
- Review and provide revisions (as needed) to the School-Parent Compact and Parent and Family Engagement Plan
- Share input regarding use of Title 1 Parent Involvement funds
- Provide academic strategies and materials for parents to utilize with students at home
- Updates and information to assist parents in supporting students' test-taking strategies and skills.

Title Annual Meeting:

Parents are invited to attend this meeting on Tuesday, September 10th to learn more about the requirements of Title I and our School-wide Title I Program. At this meeting, there will be opportunities to review the Title I documents and give input into the following:

- Schoolwide Plan
- Parent and Family Engagement Plan (PFEP)
- Academic and Family Trainings
- School Parent- Compact
- Parents' Right to Know
- Migrant Education Program

Parent Trainings:

Based on parent survey input, we will provide the following training that will build capacity to support learning at home to improve student academic achievement:

- APPT Night: Parents will participate in a 75 minute team meeting with their child's teacher. During APTT meetings, teachers share students' performance data that are actionable, teach grade level skills for clear conceptual understanding.
- ELA-Math-Science-Night: Parents will be able to participate in a variety of standards based games and activities. During the training parents will have hands-on practice with FSA type paragraphs. In those paragraphs parents will analyze, find the theme, characters, problem/solution, plot, and main idea of literature and informational passages.
Math: Algebraic thinking, measurement, data and geometry.
Science: Nature of science, Earth and Space, Physical Science and Life Science.
- FSA Night: Parents will be able to participate in a variety of standards based games and activities. During the training parents will have hands-on practice with FSA type paragraphs. In those paragraphs parents will analyze, find the theme, characters, problem/solution, plot, and main idea of literature and informational passages. Math: Algebraic thinking, measurement, data and geometry. Science: Nature of science, Earth and Space, Physical Science and Life Science.

Coordination and Integration:

Cholee Lake collaborates with and is supported by the following agencies/organizations

- Multicultural Department
- Department of Early Childhood Education

Communication:

Parents will be provided information in a language and format which is easy to understand. We will communicate with parents by:

- Parent conferences, school flyers, school website, newsletters, school marquee, agenda planner, emails, and ParentLink

Accessibility for All Families:

Cholee Lake will accommodate all families by providing the following:

- Meeting dates and times based on input from parents
- Interpreters, translated documents, translating devices (upon request)

Childcare during select meetings
