SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

The mission of Inwood Elementary is to develop caring, productive, life-long learners, who accept responsibility for their own learning and behavior.

Provide the school's vision statement

Inwood Elementary's school vision is to create a learning environment where students are recognized as individuals that feel respected and valued so they can be successful academically, socially, and emotionally.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Inwood Elementary will use a variety of techniques to learn about our students' cultures and build relationships between teachers and students. We will use data collected from interest and belief surveys, to make informed decisions to build relationships. Academic parent events, community events, and Homework Help Nights will help build trusting relationships between the school and the student, as well as between the school and home.

In addition, all of the staff at Inwood Elementary will participate in school-wide professional development based on the book, *Understanding the Frameworks of Poverty*, by Ruby Payne, and the book, *Do You Know Me Well Enough To Teach Me*, by Stephen Peters.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Inwood Elementary uses professional learning communities to work together to develop techniques and strategies that create safe and respectful learning communities before, during, and after school. Inwood Elementary is a school where all students are provided a healthy breakfast and lunch. Before school, students are welcomed into the school and have a central meeting location where staff members are there to monitor and assist to ensure the environment is safe and the students' needs are being met. After school, all staff members work together to ensure the safety of the students as they exit the campus.

Inwood Elementary is a Positive Behavior Support School. Our school-wide expectations are for students to:

Be Respectful

Be Responsible

Be Ready

These expectations are taught, modeled, and reinforced school-wide by all staff members.

Administration models and reinforces these expectations by recognizing students and teachers for being respectful, responsible, and ready.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Inwood Elementary is a Positive Behavior Support School. Our school-wide expectations are for students to:

- Be Respectful
- Be Responsible
- Be Ready

Staff members have been provided professional development on the Positive Behavior Support System and the School-wide Discipline Policies and Procedures Protocol.

The MTSS team meets monthly to discuss tier ii and tier iii behaviors and develop interventions to ensure successful, engaging learning environments where ALL students succeed.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Inwood Elementary has a full time guidance counselor and a part time school psychologist. A check-in/check-out program is used within the school to provide identified students with a school based mentor. Through the monthly MTSS meetings, students who are identified with specialized needs will be addressed individually and recommended for school-based and district-based programs that are available to meet their needs.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

A report generated by the Early Warning System is generated and sent to the school at the first of every month. Monthly meetings held by the MTSS team, as well as the PBS team meet to discuss the Early Warning Report and Discipline Reports to identify high risk students. Each month the MTSS team with all grade levels to discuss student academic progress and discipline indicators. Progress monitoring data is collected and reviewed monthly so that intervention plans can be developed or modified and identified by the data.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	15	13	9	11	10	10	68
One or more suspensions	8	15	6	14	11	21	75
Course failure in ELA or Math	3	3	0	0	0	0	6
Level 1 on statewide assessment	0	0	0	19	16	16	51
Math FCAT 2.0	0	0	0	9	16	22	47
	0	0	0	0	0	0	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Students exhibiting two or more indicators	2	1	1	3	1	9	17

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

A report generated by the Early Warning System is generated and sent to the school at the first of every month. On the second Tuesday of each month, the MTSS Team meets with all grade levels and discusses the information generated in the report, information from teachers, and RtI Progress monitoring. RtIB is also discussed and behavior goals are discussed and set. Data is collected and student progress is recorded and discussed. New plans are created if necessary.

The district assigned Social Worker meets each week the Assistant Principal, Guidance Counselor, and Terminal Operator to discuss students identified by the early warning systems and attendance reports generated in Genesis. Intervention plans are create and meetings with parents are held.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/56127>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Inwood Elementary is actively seeking to establish business partners in the community. At this time, the business partners involved are members of the School Advisory Council. In addition to the Title I Parent Involvement Plan, Inwood Elementary has a community involvement plan that includes one nightly community event a month, one homework help night (all community members welcome) each month, and one community involvement academic nightly event a month. The purpose of the events is the create a partnership with the school and the community.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
BRUNO, POLLY	Principal
Neidringhaus, Laura	Assistant Principal
Webb, Rachel	Psychologist
Floyd, Sharon	Teacher, K-12

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

This team will meet at a minimum of at least once a month to problem-solve using school wide academic and behavioral data. The focus will be on evaluating effectiveness of programs, grade levels, and determining what is working within the school setting.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

Title I, Part A

Title 1, Part A, funds school-wide services to Inwood Elementary. The Title 1 funds provide supplemental instructional resources and interventions for students with academic achievement needs. This program supports after-school programs, supplemental instructional materials, technology for students, professional development for the staff, and resources for parents. The district coordinates with Title II and Title III to ensure that staff development needs are addressed accordingly.

Title I, Part C- Migrant

Migrant students enrolled in Inwood Elementary will be assisted by the school and by the District Migrant Education Program (MEP). Students will be prioritized by the MEP for supplemental services based on need and migrant status. MEP Teacher Advocates, assigned to schools with high percentages of migrant students, monitor the progress of these high need students and provide, or coordinate, supplemental academic support. Migrant Home-School Liaisons identify and recruit migrant students and their families for the MEP. They provide support to both students and parents in locating serviced necessary to ensure the academic success of these students whose education has been interrupted by numerous moves.

Title I, Part D

Title I, Part D, provides Transition Facilitators to assist students with transition from the Department of Juvenile Justice (DJJ) facilities back into their zoned school. The Transition Facilitators communicate with the Guidance Counselors at schools to facilitate the transfer of records and appropriate placement.

Title II

Professional development resources are available to Title I schools through Title II funds. In addition, School Technology Services provide technical support, technology training, and licenses for software programs and web-based access via Title II-D funds. Funds available to Inwood Elementary are used to purchase resources for parent communication and involvement

Title III

Title III provides supplemental resources for English Language Learners (ELL) and their teachers in Title I schools, as well as professional learning opportunities for school staff.

Title X- Homeless

The Hearth program funded through Title X provides support for identified homeless students. Title I provides additional support for this program, and many activities implemented by the Hearth program are carried out in cooperation with the Migrant Education Program (MEP) funded through title I, Part C.

Supplemental Academic Instruction (SAI)

NA

Violence Prevention Programs

Inwood Elementary provides violence and drug prevention programs in order to promote a safe school environment. Examples of violence prevention programs include anti-bullying, gang

awareness, gun awareness, etc.
 Nutrition Programs
 Inwood Elementary is not a location for a summer feeding program for the community.
 Housing Programs
 Students with housing needs are referred to the Homeless Student Advocate.
 Adult Education
 N/A

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Carl True	Parent
Polly Bruno	Principal
Venise Stinfil	Teacher
Krysta Owen	Business/Community
Bernard Wells	Education Support Employee
Bridget Matos	Parent
Shirley Corrvorubios	Parent

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The SAC reviewed data from statewide testing, discipling reports, and early warning indicators to evaluate and make suggestions for revisions to the plan for the 2014-2015 year.

Development of this school improvement plan

Throughout the 2013 - 2014 academic year, the SAC reviewed the 2013-2014 SIP and made suggestions for improvements. These suggestions were used to guide the goals, barriers, resources, and strategies for the 2014-2015 SIP.

Preparation of the school's annual budget and plan

Thoughout the year, the SAC reviews budget reports, Title I Reports, SIP, academic reports, and discipline data to make decisions regarding revisions to the SIP and the budget. Allocation of funds such as school recognition and lottery funds were decided upon and voted on the SAC.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

Funds from Title I will be used for professional development, school improvement planning, curriculum development, and parent involvement.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
BRUNO, POLLY	Principal
Neidringhaus, Laura	Assistant Principal
Floyd, Sharon	Teacher, K-12
Webb, Rachel	Psychologist

Duties

Describe how the LLT promotes literacy within the school

1. Lesson Study using the coaching model.
2. Uses data from a variety of assessments to make informed curriculum decisions.
3. Differentiated Instruction.
4. Evidenced Based Textual Reading Responses.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Teachers at all grade levels will have a common planning time so they participate in the lesson study model and collaborative planning. Teachers will meet one day a week during their common planning time to take part in collaborative planning. The day of the week will be determined by each grade level and will be scheduled around school and district professional learning communities. A copy of collaborative planning minutes will be turned into the Assistant Principal each week. A resource room has been developed that provides teachers with access to the internet, technology, and necessary resources for effective planning. Administration will meet with grade levels to assist with planning and take part in the lesson study model.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Inwood Elementary recruits highly qualified teachers by hiring district approved personnel. Highly qualified teachers are retained through the dedication of the leadership team to provide support

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Highly effective teachers will be paired with new teachers, or teachers with identified needs. Instructional coaches and administration will also serve as mentors.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

At Inwood Elementary, Florida Standards and district maps are used to drive instruction. Teachers at all grade level participate in collaborative planning using the Florida Standards. In addition, professional development has been provided to all teachers on unpacking the new standards. Teachers will collect data on benchmark assessments to ensure students are mastering all grade level standards.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

At Inwood Elementary, administration holds data chats with teachers and students. During collaborative planning sessions, data is used to make curriculum decisions and differentiate instruction. In addition to collaborative planning sessions, data is collected for monthly MTSS meetings. The MTSS Team meets with all teachers during individual grade level meetings to discuss diagnostic data, progress monitoring data, and classroom data to make curriculum decision and develop intervention plans.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 200

Inwood Elementary has applied for SAI Funds to fund the extended learning initiative. Identified students in grades 3-5 will have 4 hours extended learning weekly. Students in grades 1 and 2 will have two hours a week.

Strategy Rationale

The rationale for this strategy is to provide students identified with a learning need additional assistance beyond the school day. These students will be provided additional assistance in the area of reading, writing, and/or math based upon their learning need.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Neidringhas, Laura, laura.neidringhas@polk-fl.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

FAIR data, District Writing Benchmark Assessment data, and on-going progress monitoring data will used to determine the effectiveness of this strategy.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Head Start

At Inwood Elementary, we currently have one Title I Pre-Kindergarten Program. We do have have a Head start program. Resources are provided to the program to assist in the transition of students from pre-k to kindergarten. Head Start teachers may participate in professional learning opportunities offered to school staff, and they are involved in Professional Learning Community activities with kindergarten teachers. Parents of Head Start students are invited to participate in parent workshops and activities provided by the school.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** The Inwood learning community will strive to develop a belief system that increases positive relationships in order to increase student attendance, student time on task, and instructional time to reduce discipline referrals and out of school suspensions therefore increasing student achievement.
- G2.** At Inwood Elementary, we will strive to create a risk free environment and create a culture of high expectations so standards based instruction will lead to year-over-year change in ELA and Math proficiency in 2014-2015 that will place it in the 75th percentile for growth.
- G3.** Teachers will use data to make informed instructional decision to differentiate instruction based on student's academic needs.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

Evidence of Completion

Increased student achievement on on-going progress monitoring assessments including, but not limited to, FAIR Data; IMPROVE Assessment data; On-going Progress Monitoring Data including, but not limited to, benchmark progress monitoring data.

Action Step 2 5

Administration will celebrate staff attendance.

Person Responsible

POLLY BRUNO

Schedule

Monthly, from 1/9/2015 to 6/5/2015

Evidence of Completion

Decrease in the number of staff absences.

Action Step 3 5

Teachers will participate in a year long professional development to better understand the affects of poverty on student learning to lead to an understanding of the need for consistency and structure at the school level.

Person Responsible

Laura Neidringhaus

Schedule

Monthly, from 10/1/2014 to 6/3/2015

Evidence of Completion

Plan to Monitor Fidelity of Implementation of G1.B4.S1 6

Staff attendance

Person Responsible

POLLY BRUNO

Schedule

Biweekly, from 9/5/2014 to 5/29/2015

Evidence of Completion

Increase in instructional time delivered consistently by highly-qualified teachers; Increased student achievement on on-going progress monitoring assessments including, but not limited to, FAIR Data; Discovery Assessment Data; On-going Progress Monitoring Data including, but not limited to, Most Missed Math FCIM; Math Fact Fluency; Most Missed Math iii and LLI Progress Monitoring Data.

Plan to Monitor Effectiveness of Implementation of G1.B4.S1 7

Increased staff attendance positive effect on student achievement

Person Responsible

POLLY BRUNO

Schedule

Biweekly, from 9/5/2014 to 5/29/2015

Evidence of Completion

Increase in student achievement as evidenced by on-going progress monitoring data including, FAIR Data; IMPROVE; District Benchmark Assessment Data; On-going Progress Monitoring Data.

G1.B6 6. Lack of understanding of the diverse backgrounds of the students. 2

 B145045

G1.B6.S3 Staff will participant in year-long diversity training using various books such as Understanding a Framework for Poverty by Ruby Payne, and Do You Know Me Well Enough to Teach Me by Stephen Peters to increase their awareness of the effects of poverty on student achievement. 4

 S157271

Strategy Rationale

Staff members will participate in CPI Verbal De-escalation training to learn techniques to minimize situations with students and parents before they get out of control to maximize student learning and time on task.

Action Step 1 5

Teachers will participate in a year long professional development to develop a better understanding of the diverse backgrounds of the students at Inwood Elementary.

Person Responsible

Laura Neidringhas

Schedule

Biweekly, from 10/2/2014 to 5/28/2015

Evidence of Completion

Increase in student attendance Increase in student achievement as measured on state, district, and school-based assessments Reduction in discipline referrals

Plan to Monitor Fidelity of Implementation of G1.B6.S3 6

Attendance at professional development sessions and follow-up assignments

Person Responsible

Laura Neidringhas

Schedule

Monthly, from 10/3/2014 to 6/1/2015

Evidence of Completion

Professional development sign-in sheets Professional development follow-up products
Teacher climate survey Student climate survey Title I survey

Plan to Monitor Effectiveness of Implementation of G1.B6.S3 7

The effectiveness of this strategy will be monitored by looking at student and staff attendance, student achievement data, and discipline data.

Person Responsible

Laura Neidringhas

Schedule

Biweekly, from 10/10/2014 to 6/1/2015

Evidence of Completion

Increase in student and staff attendance percentages Increase in student achievement
Decrease in discipline referrals

G2. At Inwood Elementary, we will strive to create a risk free environment and create a culture of high expectations so standards based instruction will lead to year-over-year change in ELA and Math proficiency in 2014-2015 that will place it in the 75th percentile for growth. 1

G2.B1 Time management for teachers 2

B145046

G2.B1.S1 Teachers will incorporate responding to text within the ELA block and the additional 60 minute reading block. 4

S157272

Strategy Rationale

Writing to respond text will provide students the opportunity to expand their thinking and develop skills to justify and/or defend their thinking by using text to support their thinking.

Action Step 1 5

Incorporate time in the 120 minute reading block for students to read and respond, in writing, to higher-order thinking questions using text to justify their responses.

Person Responsible

Laura Neidringhas

Schedule

Weekly, from 8/18/2014 to 6/4/2015

Evidence of Completion

Weekly collaborative planning sessions and review of lesson plans, observations during walk-throughs, and student work samples.

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

Student responses will be reviewed, as well as progress monitoring data.

Person Responsible

Laura Neidringhaus

Schedule

Daily, from 9/15/2014 to 5/29/2015

Evidence of Completion

Increasing complexity of student responses based on textual evidence will be used as evidence of completion. Increase in student achievement as measured by; FAIR Reading Assessment and IMPROVE Assessment data.

Plan to Monitor Effectiveness of Implementation of G2.B1.S1 7

Student literacy journals and Reading Wonders Assessment

Person Responsible

Laura Neidringhas

Schedule

Biweekly, from 9/2/2014 to 7/1/2015

Evidence of Completion

Assistant principal will conduct data chats with students. During the data chats, student strengths and weaknesses will be identified. In addition, teacher implementation of strategies will be monitored.

G2.B1.S2 Teachers, in collaborative planning teams, will create rigorous learning center for both the ELA block and the Math block based on Florida Standard and reflect high expectations for student learning. 4

 S157273

Strategy Rationale

Teachers need to work collaboratively with administration to develop rigorous lesson plans that incorporate high-yield strategies that differentiate instruction in order to engage students.

Action Step 1 5

Teachers, in collaborative planning teams, will create rigorous learning center for both the ELA block and the Math block based on Florida Standard and reflect high expectations for student learning.

Person Responsible

POLLY BRUNO

Schedule

Weekly, from 9/15/2014 to 5/19/2015

Evidence of Completion

Student Achievement Reports - i.e.; FAIR Data; IMPROVE Assessment Data; On-going Progress Monitoring Data including, but not limited to, benchmark assessment data.

Plan to Monitor Fidelity of Implementation of G2.B1.S2 6

Administration will monitor collaborative planning sessions to ensure questions are high-order thinking, contain grade appropriate rigor, and require students to support their responses with textual evidence.

Person Responsible

POLLY BRUNO

Schedule

Weekly, from 9/2/2014 to 5/29/2015

Evidence of Completion

Lesson plans Student responses to higher-order thinking questions Student written responses citing text based evidence to support responses Increase in student achievement as measured by state, district, and school-based assessments

Plan to Monitor Effectiveness of Implementation of G2.B1.S2 7

Administration will conduct daily walkthroughs and data chats with students reviewing literacy journals.

Person Responsible

Schedule

Evidence of Completion

Increased student achievement on on-going progress monitoring assessments such as FAIR, Discovery, and teacher created on-going progress monitoring assessments. In addition, administration will be looking for increased complexity in student responses using textual evidence to support / justify responses.

G2.B1.S3 Lesson study and the coaching model will be used to assist teachers with developing and implementing lesson with high-yield instructional strategies. 4

 S157274

Strategy Rationale

Reflecting on lesson implementation will provide teachers with opportunities to strengthen instruction practices.

Action Step 1 5

Teachers will participate with administration an alternating biweekly coaching cycle to develop and implement lessons using high-yield instructional strategies.

Person Responsible

POLLY BRUNO

Schedule

Biweekly, from 9/17/2014 to 5/28/2015

G2.B2 Student opportunities to engage with high-quality text outside of the reading block. 2

 B145047

G2.B2.S1 Employ a full time media specialist to provide students increased opportunities to engage in high-quality text outside of the regular classroom. 4

 S157275

Strategy Rationale

Students need opportunities to explore high interest text for pleasure reading and have opportunities to research a variety of topics.

Action Step 1 5

Use Title I funds to pay 1/2 of the media specialist salary and have the media center open full time to give students increased access to high quality text outside of the regular classroom.

Person Responsible

Laura Neidringhaus

Schedule

Monthly, from 8/18/2014 to 6/4/2015

Evidence of Completion

Increase in student achievement as measured by the FAIR assessment; Accelerated Reader scores, STAR assessment scores, Discovery Science and Math; Reading Wonders assessments, and teacher created on-going assessments, and FCAT 2.0 2014 Reading, Writing, Math, and Science.

Plan to Monitor Fidelity of Implementation of G2.B2.S1 6

Monitor media specialist schedule / lesson plans.

G3. Teachers will use data to make informed instructional decision to differentiate instruction based on student's academic needs. 1

G057278

G3.B1 Teachers do not know how to use data to differentiate instruction. 2

B145048

G3.B1.S1 Administration, the school-based leadership team, and the MTSS Problem Solving Team will work with teachers to interpret data and make informed instructional decision based on data. 4

S157276

Strategy Rationale

A better understanding of the data, and support from the problem solving team will provide teachers with the tools to meet the needs of student with identified learning/behavior needs.

Action Step 1 5

Teachers, with administrative support, will collect and review on-going progress monitoring data to modify instruction to meet individual student need.

Benchmark progress monitoring data will be used to individualize teacher differentiated reteaching opportunities for bell ringers.

Item analysis on Weekly / Bi-Weekly Reading Assessments - data serves as individualized teacher differentiated reteaching opportunities.

Grade Level Meeting Notes will be turned into Assistant Principal noting what data was reviewed and data based decisions.
