School Board Approval

This plan was approved by the Sarasota County School Board on 11/18/2014.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridaCIMS.org>.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	8

Goals Summary	17
Goals Detail	17
Action Plan for Improvement	22
Appendix 1: Implementation Timeline	28
Appendix 2: Professional Development and Technical Assistance Outlines	29
Professional Development Opportunities	30
Technical Assistance Items	32
Appendix 3: Budget to Support Goals	33

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

2014-15 DA Category and Statuses

DA Category	Region	RED
Not In DA	4	Jim Browder
Former F	Turnaround Status

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

Bay Haven School of Basics Plus provides a highly structured environment through the collaboration of the staff, students, and parents. High expectations are maintained through written contract commitments.

Provide the school's vision statement

The Bay Haven School of Basics Plus is based on the premise that all students can grow academically, physically, and emotionally in a highly structured environment.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Bay Haven is very proud of the relationships we establish between teachers, students and parents. It begins with the registration process when all families are given the Home-Language Survey. The survey informs staff which students will require screening to determine possible placement in the ESOL program. It also alerts staff of the need to send home documents in the family's native language. Many events are held throughout the year to provide opportunities for families and school staff to further develop cultural awareness and foster relationships. These events include, but are not limited to, Meet the Teacher, Parent Conferences, ESOL Family Nights, Build-A-Book Night, Multi-Cultural Day, Run Club, Bricks 4 Kids, Odyssey of the Mind, Chorus, Dance, Science Fair Nights, Green Team, Indian Heritage Presentation, Magical Math Connections with USF, Ballet Collaboration, and Family Math Nights. In addition, students are encouraged to share about their cultural heritages, values and traditions through morning meetings, special class projects and sharing days.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Bay Haven follows district guidelines for allowing visitors on campus. Students and staff are aware that visitors must be wearing a RAPTOR badge when on campus during school hours. During the instructional day, entrance to the school is only available through the front office. In addition, the Bay Haven Pledge is posted in all classrooms and recited each morning during the news. The pledge is an agreement for all to be respectful, responsible and safe each day and provides us with a common language to be used in all situations.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Bay Haven has a school-wide Positive Behavior Support (PBS) plan. It sets clear expectations for all environments on campus. Messages from Project Wisdom are shared each morning via the morning news show. Teachers also have behavior/character education lessons which correlate to the messages which are used to further the understanding of the topic. Positive behavior is encouraged

and reinforced through various incentives such as Super Star Charts, Manatee Moments, High 5s, and Lunch Bunch.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

The students at Bay Haven receive whole class guidance lessons focusing on the 8 standards from the Florida School Counseling Framework. Topics include, but are not limited to, sharing, bullying, empathy, being a kind friend, team building, self management and career awareness. Students also receive small group or individual counseling on an as needed basis. Students participate in service projects sponsored by the Student Leadership Team. The projects support Families in Need, Mayors Feed the Hungry, United Way and Make a Difference day. Outside organizations, including the Child Protection Team, SPARCC, fire department, and outside agencies who provide counseling services are regular visitors on the campus. Plymouth Harbor, Sara Bay Club and the All Faith's Food Bank provide weekend groceries and daily snacks to students in need.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Student behavior and attendance is reviewed monthly. Communication with families is on-going. Interventions are planned to support students and families as needed. All interventions are monitored regularly and adjusted as appropriate.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	0	3	4	3	4	4	18
One or more suspensions	0	1	1	3	1	0	6
Course failure in ELA or Math	1	2	1	0	0	0	4
Level 1 on statewide assessment	0	0	0	2	4	7	13

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level	Total
Students exhibiting two or more indicators		

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Grade level teams meet weekly to discuss students of concern. Instructional strategies and interventions are implemented as needed. If further support is needed, teachers refer students to the MTSS team where specific academic and behavioral needs are addressed. Student progress is monitored weekly at PLC meetings and monthly at SWST meetings to review progress and assess intervention success.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

No

PIP Link

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

Description

Approximately 99% of parents will attend general PTO meetings.

Approximately 94% of families will complete volunteer hours.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Parent participation is highly encouraged at Bay Haven. Parents are required to complete 10 hours of volunteer work at the school each year as well as attend 4 PTO meetings as part of the Bay Haven parent contract. The PTO and school staff have an active relationship with the community. Various events are held in collaboration with the community and local businesses. Some of these events include collaboration with the Sarasota Ballet, Magical Math Connections with USF, and a new addition of the Bay Haven Reign Garden. The Reign Garden is a sustainable food forest that students, teachers, parents and community volunteers are creating on the campus. The school is also involved in several recycling programs overseen by the Green Team and Red Team. The Red Team is responsible for collecting used tape dispensers and glue containers to be recycled. The Green Team is responsible for helping to make the school campus more "green". The team consists of staff, parents, district personnel and community volunteers. A few projects they are working on include the collection of drink pouches and chip wrapper, paper recycling, old shoe recycling, Reign Garden planning, Courtyard Visioning and FPL solar panel usage. Campus beautification days are held twice annually where staff, parents, students and community volunteers (including students from Ringling College) come together to spruce up the campus. Information nights for parents and students are also held throughout the year. In addition, parents receive frequent emails and phone calls informing them of upcoming events and how they can be involved.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Erickson, Chad	Principal
Kisner, Jaime	Other
Wilhelm, Susan	Guidance Counselor
Brown, Bonnie	Teacher, ESE
Mari, Jon	Psychologist
Wright, Jan	Other
Gold, Kathy	Other

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The MTSS Leadership Team consists of Chad Erickson, Principal; Jaime Kisner, Assistant Principal Intern; Susan Wilhelm, Counselor; Bonnie Brown, ESE teacher; Kathy Gold, Speech and Language Teacher; Jan Wright, ESE Liaison; Jon Mari, School Psychologist; and the Classroom teacher.

The function and responsibility of each member is as follows:

*School Administration: Provides a common vision for the use of data-based decision making, ensures that the school based team is implementing Rtl, conducts assessment of Rtl skills of school staff, ensures implementation of the intervention support and documentation, ensures adequate professional development to support Rtl implementation, and communicates with parents regarding school-based Rtl plans and activities.

*Select General Education Teachers: Provides information about core instruction, participates in student data collection, delivers Tier 1 instruction/intervention, collaborates with other staff to implement Tier 2 interventions, and integrates Tier 1 materials/instruction with Tier 2/3 activities.

*Exceptional Student Education Teachers: Participates in student data collection, integrates core instructional activities, materials into Tier 3 instruction, and collaborates with general education teachers through such activities as co-teaching.

*School Psychologist: Participates in collection, interpretation, and analysis of data; facilitates development of intervention plans; provides support for intervention fidelity and documentation; provides professional development and technical assistance for problem-solving activities including data collection, data analysis, intervention planning, and program evaluation; facilitates data-based decision making activities.

*Speech Language Pathologist: Educates the team in the role language plays in curriculum, assessment, and instruction, as a basis for appropriate program design; assists in the selection of screening measures; and helps identify systemic patterns of student need with respect to language skills.

*School Counselor: facilitates and supports data collection activities; assists in data analysis; provides information about social/emotional strategies and supports; works with staff to assist in the implementation of the RTI process

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The MTSS team meets weekly to engage in the following activities:

*review universal screening data and link to instructional decisions

*review progress monitoring data at the classroom and grade level to identify students who are at risk

for not meeting benchmarks

*problem solve, assist in development of interventions, evaluate implementation, and make decisions/recommendations

*identify professional development and resources

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Chad Erickson	Principal
Angely Adam	Parent
Tracy Bakich	Teacher
Bonnie Brown	Teacher
Cathy Byler	Business/Community
Liz Compton	Parent
Lynette Dygert	Parent
Rolf Hanson	Teacher
Laurie Hayes	Teacher
Keely Henry	Parent
Annette Humphrey	Parent
Kathy Kennedy	Education Support Employee
Grace Martinez	Parent
Bev Murray	Parent
Krystalle Nichols	Teacher
Sandra Ortiz	Parent
Jen Perez	Parent
Megan Perkins	Teacher
Nicole Rissler	Parent
Maria Ruiz	Parent
Justin Saarinen	Parent
Lesa Snipes-Williams	Parent
Felice Tannen	Teacher
Catherine Walton	Teacher
Catina Wilcox	Parent
Jeff Toale	Business/Community

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

At the first SAC meeting, held September 12, 2014, student performance data from the 2013-2014 school year was reviewed.

Development of this school improvement plan

The School Advisory Council shall:

- *Review the results of any needs assessments conducted at the school.
- *Assist in the development of the school improvement plan and provide recommendations on specific components of the plan, such as the goals of the school, indicators of school and student progress, strategies, and evaluation procedures to measure student performance. The school advisory council shall be the final decision-making body at the school relating to school improvement.
- *Define adequate progress for each school goal and for the overall school improvement plan when defining adequate progress for school goals; negotiate the definition of adequate progress with the School Board; and notify and request assistance from the School Board when the school fails to make adequate progress on the overall plan.
- *Report progress in meeting the goals of the school improvement plan.
- *Prepare and distribute information to the public to report the status of implementing the school improvement plan, the performance of students and educational programs, and progress in accomplishing the school goals.
- *Make recommendations on the accumulation and reporting of data that is beneficial to parents.
- *Serve as a resource for the principal and advise the principal in matters pertaining to the school program.
- *Provide input on the school's annual budget and the use of school improvement funds to assist in the preparation of the school budget.
- *Act as a liaison between the school and the community.

Preparation of the school's annual budget and plan

The annual budget is reviewed and approved by SAC annually.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

n/a

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Boyd, Erin	Teacher, K-12
Nelson, Sarah	Teacher, K-12
Morin, Samantha	Teacher, K-12
McSwain, Pearl	Teacher, K-12
Taylor, Robert	Teacher, K-12
Brown, Laurie	Teacher, K-12
Vieira, Jaime	Teacher, K-12
Erickson, Chad	Principal
Kisner, Jaime	Other

Duties

Describe how the LLT promotes literacy within the school

School wide events to promote literacy include Book Fair, Sunshine State Readers Awards, Accelerated Reader program with incentives, Literacy night and Build-A-Book night. PALS volunteers work one-on-one with struggling 1st, 2nd and 3rd grade students. Continued professional development and discussions regarding implementation of Florida State Standards and the new reading series will continue to be a priority.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Bay Haven's master school schedule is created to allow for collaborative planning among grade level teachers. Grade level teams meet weekly to plan instruction and assessments, review standards and alignment with the district Instructional Focus Guide, and analyze academic and behavioral data.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Noted patterns and trends from administration walk throughs are part of PLC, Leadership Team and staff meeting discussions regarding best practices, instructional strategies, classroom management. Frequent discussions occur regarding PRIDE evaluations to increase understanding. A SCIP mentor is assigned to all new teachers to orient them to the county and the school.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

The SCIP Mentor Program provides district support and mentors for the first year for all beginning teachers. New teachers are paired with veteran staff whom meet with them weekly to complete a portfolio and offer support. Bi-monthly meetings are also held to discuss various school topics such professional development, RTI, PRIDE evaluation system and school routines.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

The district has provided an Instructional Focus Guide which establishes a scope and sequence for instruction, as well as, access to a variety of resources. They have also provided curriculum materials such as Reading Wonders and On Core Mathematics to support the Florida Standards. Bay Haven teachers review the IFG and curriculum materials at their weekly PLC meetings to ensure that there is alignment between the standards, curriculum and instruction.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Grade level teams discuss, review and use common assessments. They meet weekly to analyze data, plan intervention and extension activities and review overall student progress. Bay Haven also provides, via contract, an intervention teacher who works with students from each grade level on targeted reading and/or math skills. In addition, Bay Haven utilizes the SWST/CARE process as directed by the district.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 21,840

We offer a variety of both academic and enrichment activities that contribute to a well-rounded education. These activities include but are not limited to: Reading and Math tutoring for grades 1-5, violin, chorus, drama, odyssey of the mind, bricks for kids and dance.

Strategy Rationale

We believe that when students receive extra instruction focused on the core curriculum that we will also see an increase in student achievement. Students are given various opportunities throughout the year to participate in extracurricular activities that focus on the whole child.

Strategy Purpose(s)

- Core Academic Instruction
- Enrichment

Person(s) responsible for monitoring implementation of the strategy

Erickson, Chad, chad.erickson@sarasotacountyschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Performance based tasks are presented to demonstrate the effectiveness and skill mastery level of students from each enrichment group. FAIR results, standardized test scores, and classroom assessment data are utilized to determine the effectiveness of academic activities.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Kindergarten teachers complete a screening of each entering kindergarten student during the summer to determine student readiness, as well as, allow teachers to plan for instruction at appropriate levels. The school offers tours to parents and students which includes a visit to several kindergarten classrooms. A "Meet the Teacher" event is held the Friday before school begins which offers students not only a chance to meet their teacher but also an opportunity to explore their classroom. The Florida Kindergarten Readiness Screener (FLKRS) is administered during the first 30 days of school which provides detailed information in 19 social and academic areas. The Florida Assessment of Instruction in Reading (FAIR) is also administered as part of this screener to determine individual student reading needs. The results allow teachers to differentiate their instruction to meet the needs of all students and increase their success in school. An assembly is also held during the first week of school to introduce staff and share school rules, policies and procedures. Bay Haven staff collaborates with the local middle schools by participating in articulation meetings with the receiving middle school staff to ensure a smooth transition for our exiting 5th graders.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

1 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** By the year 2015, targeted goals in the areas of behavior and attendance will be met for all students
- G2.** By the year 2015, all students and subgroups will meet specific performance targets in the area of reading.
- G3.** By the year 2015, all students and subgroups will meet specific performance targets in the area of math.
- G4.** By the year 2015, all students and subgroups will meet specific performance targets in the area of science

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

G1. By the year 2015, targeted goals in the areas of behavior and attendance will be met for all students

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

B091229

G2.B1.S1 Ongoing training on the new Florida Standards with support in using the Reading Wonders series will be available. Teachers will differentiate instruction and provide access to higher text complexity selections. Discussions at PLC will focus IFG alignment, assessments and lesson planning. An after school tutoring program for grades 1-5 will be offered. 4

S102113

Strategy Rationale

Action Step 1 5

1. Review FAIR reports, benchmark assessment results and progress monitoring data to ensure teachers are assessing students, using results to modify groups and instruction, and following the created assessment schedule. 2. Lesson plans will be reviewed during class walk-throughs. 3. Monitor implementation of the Florida Standards and new reading series during observations and class walk-throughs.

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

1. FAIR data, benchmark assessment results, common class assessment results and progress monitoring data 2. focused observations and class walk-throughs 3. PLC and SWST notes 4. Student achievement data

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

observation of differentiated instruction, interventions and best practices

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

data collection, PLC discussions, PD training

Plan to Monitor Effectiveness of Implementation of G2.B1.S1 7

Student achievement results and teacher feedback

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

data chat reviews, student achievement results, walk through feedback form

G3. By the year 2015, all students and subgroups will meet specific performance targets in the area of math.

1

G037940

G3.B1 knowledge/understanding with the depth and complexity of the Florida State Standards, current series not aligned with new standards, locating additional resources that are meaningful to successfully address the new standards 2

B091230

G3.B1.S1 Ongoing training on the new Florida Standards. Support in using supplemental materials and locating meaningful resources. Discussions at PLC will focus IFG alignment, assessments and lesson planning. An after school tutoring program for grades 1-5 will be offered. Professional Development with Sue D'Angelo 4

S102114

Strategy Rationale

Action Step 1 5

1. Review benchmark assessment results and progress monitoring data to ensure teachers are assessing students, using results to modify groups and instruction, and following the created assessment schedule. 2. Lesson plans will be reviewed during class walk-throughs. 3. Monitor implementation of the Florida Standards and use of On Core Mathematics materials during observations and class walk-throughs. 4. Professional development with Sue D'Angelo

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

1. FAIR data, benchmark assessment results, common class assessment results and progress monitoring spreadsheets 2. focused observations and class walk-throughs 3. PLC and SWST notes 4. Student achievement data

Plan to Monitor Fidelity of Implementation of G3.B1.S1 6

observation of differentiated instruction, interventions and best practices

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

data collection, PLC discussions, lesson plans, classroom walk throughs

Plan to Monitor Effectiveness of Implementation of G3.B1.S1 7

Student achievement results and teacher feedback

Person Responsible

G4. By the year 2015, all students and subgroups will meet specific performance targets in the area of science

1

 G037945

G4.B1 Time management, ongoing professional development, understanding of science standards 2

 B091235

G4.B1.S1 Teachers will integrate science across the content areas especially during the ELA block. Creative and flexible scheduling will be used to ensure science focus in classroom daily. 4

 S102119

Strategy Rationale

Action Step 1 5

collaboration of classroom teachers with science lab teacher, science nights

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

training documentation, PLC notes, school events

Plan to Monitor Fidelity of Implementation of G4.B1.S1 6

classroom walk-through and observation data regarding integration of science across the content areas, PLC discussions, participation in science events, professional development

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

Student achievement data, training logs, PLC notes

Plan to Monitor Effectiveness of Implementation of G4.B1.S1 7

observations, PLC discussions/notes

Person Responsible

Chad Erickson

Schedule

Monthly, from 8/18/2014 to 5/29/2015

Evidence of Completion

Student achievement data, lesson plans

Appendix 1: Implementation Timeline

Action steps and monitoring activities identified in the SIP as necessary to achieve the school's goals.

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
G2.B1.S1.A1	1. Review FAIR reports, benchmark assessment results and progress monitoring data to ensure teachers are assessing students, using results to modify groups and instruction, and following the created assessment schedule. 2. Lesson plans will be reviewed during class walk-throughs. 3. Monitor implementation of the Florida Standards and new reading series during observations and class walk-throughs.	Erickson, Chad	8/18/2014	1. FAIR data, benchmark assessment results, common class assessment results and progress monitoring data 2. focused observations and class walk-throughs 3. PLC and SWST notes 4. Student achievement data	5/29/2015 monthly
G3.B1.S1.A1	1. Review benchmark assessment results and progress monitoring data to ensure teachers are assessing students, using results to modify groups	Erickson, Chad	8/18/2014	1. FAIR data, benchmark assessment results and progress monitoring spreadsheets 2. focused observations	5/29/2015 monthly

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
	and instruction, and following the created assessment schedule. 2. Lesson plans will be reviewed during class walk-throughs. 3. Monitor implementation of the Florida Standards and use of On Core Mathematics materials during observations and class walk-throughs. 4. Professional development with Sue D'Angelo			and class walk-throughs 3. PLC and SWST notes 4. Student achievement data	
G4.B1.S1.A1	collaboration of classroom teachers with science lab teacher, science nights	Erickson, Chad	8/18/2014	training documentation, PLC notes, school events	5/29/2015 monthly
G1.B1.S1.A1	Review school wide expectations with students, review PBS expectations with staff, use of school wide recognition program, utilize MTSS to develop interventions as needed	Erickson, Chad	8/18/2014	reduction in number of referrals, fewer suspensions, increased student attendance	5/29/2015 daily
G1.MA1	Number of students receiving referrals, number of total referrals, office response system data, and attendance reports	Erickson, Chad	8/18/2014	referrals and suspensions will decrease, attendance will increase	5/29/2015 quarterly
G1.B1.S1.MA1	Staff feedback and continuous analysis of data to determine school wide implementation	Erickson, Chad	8/18/2014	discipline data, office response system, ESD attendance report, contract violation forms	5/29/2015 quarterly
G1.B1.S1.MA1	School wide discipline and attendance data will be reviewed and analyzed	Erickson, Chad	8/18/2014	Discipline data, office response system, ESD attendance reports	5/29/2015 quarterly
G2.MA1	Student Achievement and progress monitoring of all students with all teachers	Erickson, Chad	8/18/2014	FSA ELA Results	5/29/2015 monthly
G2.B1.S1.MA1	Student achievement results and teacher feedback	Erickson, Chad	8/18/2014	data chat reviews, student achievement results, walk through feedback form	5/29/2015 monthly
G2.B1.S1.MA1	observation of differentiated instruction, interventions and best practices	Erickson, Chad	8/18/2014	data collection, PLC discussions, PD training	5/29/2015 monthly
G3.MA1	Student Achievement and progress monitoring of all students with all teachers		8/18/2014	FSA Math results	5/29/2015 monthly
G3.B1.S1.MA1	Student achievement results and teacher feedback		8/18/2014	data chat reviews, student achievement results	5/29/2015 monthly
G3.B1.S1.MA1	observation of differentiated instruction, interventions and best practices	Erickson, Chad	8/18/2014	data collection, PLC discussions, lesson plans, classroom walk throughs	5/29/2015 monthly
G4.MA1	data chat review, PLC discussions, feedback from staff, classroom assessment results, benchmark assessments	Erickson, Chad	8/18/2014	FCAT 2.0 Science Assessment	5/29/2015 monthly
G4.B1.S1.MA1	observations, PLC discussions/notes	Erickson, Chad	8/18/2014	Student achievement data, lesson plans	5/29/2015 monthly
G4.B1.S1.MA1	classroom walk-through and observation data regarding integration of science across the content areas, PLC discussions, participation in science events, professional development	Erickson, Chad	8/18/2014	Student achievement data, training logs, PLC notes	5/29/2015 monthly

Appendix 2: Professional Development and Technical Assistance Outlines

Professional development opportunities and technical assistance items identified in the SIP as action steps to achieve the school's goals.

Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G2. By the year 2015, all students and subgroups will meet specific performance targets in the area of reading.

G2.B1 knowledge/understanding with the depth and complexity of the Florida State Standards, gaps in student achievement

G2.B1.S1 Ongoing training on the new Florida Standards with support in using the Reading Wonders series will be available. Teachers will differentiate instruction and provide access to higher text complexity selections. Discussions at PLC will focus IFG alignment, assessments and lesson planning. An after school tutoring program for grades 1-5 will be offered.

PD Opportunity 1

1. Review FAIR reports, benchmark assessment results and progress monitoring data to ensure teachers are assessing students, using results to modify groups and instruction, and following the created assessment schedule. 2. Lesson plans will be reviewed during class walk-throughs. 3. Monitor implementation of the Florida Standards and new reading series during observations and class walk-throughs.

Facilitator

Administration, district personnel

Participants

classroom teachers

Schedule

Monthly, from 8/18/2014 to 5/29/2015

G3. By the year 2015, all students and subgroups will meet specific performance targets in the area of math.

G3.B1 knowledge/understanding with the depth and complexity of the Florida State Standards, current series not aligned with new standards, locating additional resources that are meaningful to successfully address the new standards

G3.B1.S1 Ongoing training on the new Florida Standards. Support in using supplemental materials and locating meaningful resources. Discussions at PLC will focus IFG alignment, assessments and lesson planning. An after school tutoring program for grades 1-5 will be offered. Professional Development with Sue D'Angelo

PD Opportunity 1

1.
