**Note:** The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

### School Board Approval

This plan is pending approval by the Dade County School Board.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

### DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A, B or C with at least one F in the prior three years
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-C with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

### Supportive Environment

#### School Mission and Vision

##### **Provide the school's mission statement**

In our infinite pursuit of excellence, Auburndale Elementary Community School provides its students with a well-rounded educational experience, which will enable them to reach their highest potential and become the effective leaders of our future global community.

##### **Provide the school's vision statement**

At Auburndale Elementary Community School we envision our students receiving a state-of-the-art educational experience, which will nurture and encourage them to become effective information managers, creative and complex thinkers and ultimately life-long learners.

#### School Environment

##### **Describe the process by which the school learns about students' cultures and builds relationships between teachers and students**

The school regularly reviews the school demographics and provides bilingual translation services in English and Spanish to parents and the community, as needed. The school regularly communicates in English and Spanish in Blackboard NTI Connect-ED messages and through bilingual English/Spanish written communications. The school celebrates students' cultures through Hispanic Heritage Month and Black History Month activities.

##### **Describe how the school creates an environment where students feel safe and respected before, during and after school**

The school creates a "Safe Zone" environment through appropriate placement of supervisory staff throughout the campus and through the enforcement of District security recommendations. The faculty and staff are made aware of the District School Board policies regarding ethical behavior. The school counselor provides proactive counseling for mutually respectful behavior among student peers. The counselor is available before- during- and after-school to provide counseling to students and parents with specific concerns.

##### **Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced**

The Principal with the Leadership Team establish clear school-wide expectations for behavior and define the protocols for maintaining students engaged during instructional time. The Principal and the Administrative Team supervise the established protocols to ensure that the system is fairly and consistently enforced.

##### **Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services**

The Principal, the Administrative Team and the Leadership Team meet regularly to determine which students may need to be brought into the Response to Intervention (RtI) process during which students' progress is monitored carefully according to State and District protocols. The counselor provides group and individual counseling to meet the social and emotional needs of learners.

Mentoring is provided both formally by faculty and staff through sponsorship of service programs like: Future Educators of America and Safety Patrols.

## Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress**

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

### Will the school use its PIP to satisfy this question?

Yes

#### PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/196684>.

#### Description

A PIP has been uploaded for this school or district - see the link above.

**Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

The school nurtures partnership with the Kiwanis of Little Havana, Baptist Hospital Urgent Care of Coral Gables, the Shenandoah Branch Library of the Miami-Dade County Public Library System, Winn Dixie, the Parent Academy, The Miami-Dade County Neighborhood Enhancement Team (NET) as well as others.

## Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

### School Leadership Team

#### Membership:

Name	Title
Gutierrez, Ana	Principal
Marti, Ania	Assistant Principal
de Posada, Dorothy	Assistant Principal

#### Duties

**Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making**

The MTSS/Rtl Leadership Team will monitor and adjust the school's academic and behavioral goals through data gathering and data analysis. They will also monitor the fidelity of the delivery of instruction and intervention as well as provide varying levels of support and interventions to students based on data. The Principal, Ana Gutierrez and/or Assistant Principals, Ania Marti or Dorothy Deposada, facilitate all MTSS/Rtl meetings.

The Counselor, Ana Garces, provides appropriate services to students and their families and

provides referral services.

The SPED Chairperson, Maria Gonzalez, monitors and provides support to students and parents and facilitates the development of the IEP.

The School Social Worker, Jody Schenk, meets with parents to gather social histories and provide support to student and family.

The School Psychologist, Karen Zambrano, participates in collecting, interpreting and analyzing data and facilitates in the development of intervention plans and the monitoring of intervention.

***Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact***

The MTSS/Rtl Team meets monthly to identify barriers which impede student achievement and to develop strategies and resources to ensure student academic and social improvement. The effectiveness and fidelity of enrichment and intervention programs are analyzed and modifications are made accordingly. Data from state, district and school assessments is also analyzed to determine effectiveness of the core instruction, identify areas which need improvement and students who are at risk of not meeting grade level expectations and/or target benchmarks. Based on the needs identified from the data gathered, the team develops plans for providing professional development and determines what supplemental resources are needed to aide students in achieving mastery. The team addresses the effectiveness of core instruction as well as the response of individual students at each Tier as follows:

Tier 1- The MTSS Leadership Team utilizes the Tier 1 Problem Solving process to set Tier 2 goals, and monitors academic and behavioral data to evaluate progress towards those set goals at least 3 times a year by:

- Utilizing the four step problem solving model as a basis for setting goals, planning and program evaluating during all team member meetings with the focus on student achievement and /or behavioral success
- Deciding on what measures will be used to determine expected levels of progress towards proficiency
- Responding when students are not showing a positive response towards expected levels of growth
- Responding when students are demonstrating a positive response or have met proficiency levels by providing enrichment
- Gathering and analyzing data at all Tiers to determine professional development needs for teachers
- Ensuring that students in need of intervention are actually receiving appropriate supplemental Tier 2 interventions

Tier 2- The second level of support consists of supplemental instruction and interventions provided in addition to and in alignment with effective core instruction and behavioral supports to groups of targeted students who need additional instructional and/or behavioral support. Tier 2 problem solving meetings occur regularly to:

- Review OPM data for intervention groups to evaluate group and individual student progress
- Response Support interventions where there is not an overall positive group
- Response Select students (see SST guidelines) for SST Tier 3 intervention

Periodically the team evaluates the SIP efforts and dictates strategies for the next year's SIP. Trend data across grade levels is used to examine impact grades for support focus or prevention/early intervention efforts. While the SIP plan does not focus on the primary grades, the MTSS/Rtl Leadership Team extends the intent of the SIP to kindergarten, first, and second grades as they contribute extensively to later grades performance and student engagement. Input from the primary teachers is solicited and considered when developing strategies and identifying resources.

The principal will cultivate the vision for the coordination of the MTSS/Rtl implementation by being an active participant in all MTSS/Rtl Leadership Team meetings and activities. The principal will also

build a school culture that supports and promotes data-based decision-making.

The Assistant Principal ensures that the MTSS/RtI Leadership team is fulfilling its functions and monitors the academic progress of students that are receiving interventions.

The Reading, Math and Science Liaisons model effective instructional practices through lesson studies or Professional Learning Communities, provide professional development, and locate supplemental resources that are aligned to the Florida State Standards.

The Counselor, Psychologist, and Social Worker provide support services to parents, teachers, and students throughout the intervention process.

The SPED Chairperson identifies effective strategies for SPED students, monitors student progress, and collaborates with general education teachers to meet the needs of all students.

Title 1: Part A:

Auburndale Elementary will provide additional remediation to students requiring assistance through extended

learning opportunities, i.e. after-school programs. The district coordinates with Title II and Title III in ensuring staff development needs are provided. Support services are provided to students. The Administrative Team develops, leads, and evaluates school core content standards/ programs; identifies and

analyzes existing literature on scientifically based curriculum/behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assist with whole school screening programs

that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participate in the design and

delivery of professional development; and provide support for assessment and implementation monitoring.

Other components that are integrated into the school-wide program include an extensive Parental Program;

Supplemental Educational Services; and special support services to special needs populations such as

homeless, migrant, and neglected and delinquent students.

Title II:

Auburndale Elementary will use supplemental funds from the district for improving basic education as follows:

- Training for add-on endorsement programs, such as Reading, Gifted, ESOL training and substitute release

time for Professional Development Liaisons (PDL) at each school focusing on Professional Learning Community (PLC) development and facilitation, as well as Lesson Study Group implementation and protocols.

Title III:

Auburndale Elementary will use Title III funds to supplement and enhance the programs for English Language Learners (ELL) and immigrant students by providing funds to implement and/or provide:

- Tutorial programs (K-5)
- Reading and supplementary instructional materials (K-5)

Title X-Homeless:

Auburndale Elementary will collaborate with the district's Homeless Assistance Program that seeks to ensure

a successful educational experience for homeless children by collaborating with parents, schools, and the

community.

Supplemental Academic Instruction (SAI):

Auburndale Elementary will receive funding from Supplemental Academic Instruction (SAI) as part of its

Florida Education Finance Program (FEFP) allocation.

Violence Prevention Programs:

- Anti-Violence Message – Through WLRN-ITV Programming, presented year-round
- In-house Anti-Bullying classroom presentations presented by school counselor and school social worker(Beginning of school year)
- Safety Patrol – School-wide program to promote a safe non-violent environment
- Counselor will implement conflict resolution sessions and document them on a Student Services SCM

Nutrition Programs:

- Auburndale Elementary adheres to and implements the nutrition requirements stated in the District Wellness Policy.
- Nutrition education, as per state statute, is taught through physical education.
- The School Food Service Program, school breakfast, school lunch, and after care snacks, follows the

Healthy Food and Beverage Guidelines as adopted in the District's Wellness Policy.

Head Start:

Auburndale Elementary encourages parents of students that completed a Head Start program to visit the

school campus so they become familiar with the school atmosphere and learning environment.

Parental Involvement:

Auburndale Elementary will involve parents in the planning and implementation of the Title I Program and

extend an open invitation to our school's parent resource center or parent area in order to inform parents

regarding available programs, their rights under No Child Left Behind and other referral services.

Auburndale Elementary will increase parental engagement/involvement through developing (with on-going

parental input) our school's Title I School-Parent Compact; our school's Title I Parental Involvement Plan;

scheduling the Title I Annual Meeting; and other documents/activities necessary in order to comply with

dissemination and reporting requirements. We will conduct informal parent surveys to determine specific

needs of our parents, and schedule workshops, Parent Academy Courses, etc., with flexible times to accommodate our parents' schedules. This impacts our goal to empower parents and build their capacity for

involvement. We will complete Title I Administration Parental Involvement Monthly School Reports and the

Title I Parental Involvement Monthly Activities Report, and submit to Title I Administration by the 5th of each

month as documentation of compliance with NCLB Section.

### Duties

***Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes***

#### *Evaluation of last year's school improvement plan*

The evaluation of the 2014-2015 School Improvement Plan took place during the May 2015 meeting. Recommendations by EESAC were taken into account in the development of the 2015-2016 School Improvement Plan.

#### *Development of this school improvement plan*

The Educational Excellence School Advisory Council (EESAC) is the sole body responsible for final decision making at the school relating to the implementation of the components of the School Improvement Plan. The function of EESAC is to bring together stakeholders and involve them in an authentic role in decisions which affect instruction and the delivery of school programs. Meetings are scheduled on a monthly basis and recommendation and data findings are shared and discussed. Each grade level made recommendations for the development of the 2015-2016 School Improvement Plan. All suggestions were reviewed and considered.

***Preparation of the school's annual budget and plan***

EESAC will assist in the preparation of the school's annual budget and plan during the November meeting of EESAC.

***Describe the use of school improvement funds allocated last year, including the amount budgeted for each project***

Currently the school's EESAC budget was approximately \$4,000.00. Those funds were allocated for TIME for Kids to incorporate non-fictional text and for head phones to promote the use of technology resources such as I-Ready.

***Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC***

Yes

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

**Literacy Leadership Team (LLT)****Membership:**

Name	Title
Gutierrez, Ana	Principal
Marti, Ania	Assistant Principal
de Posada, Dorothy	Assistant Principal

**Duties*****Describe how the LLT promotes literacy within the school***

The major initiatives this year are to strengthen reading comprehension in literary and informational text through the use of interactive notebooks and technology-embedded activities. We will also continue to focus on text-based evidence and the writing in response to text.

**Public and Collaborative Teaching**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

***Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction***

The school encourages positive working relationships between teachers including collaborative planning and instruction by setting aside opportunities for common planning in the teacher schedules. The school also provides support for collaborative planning through regular professional learning opportunities offered by District Support Specialists, in-house Reading, Math and Science liaisons and grade level Department Chairs.

***Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school***

Assigning a mentor to new teachers. Providing on-going professional development and support particularly in the areas of classroom management. Offering and encouraging leadership opportunities in an effort to motivate teachers and build their capacity.

**Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities**

As part of our commitment to retain highly qualified teachers, all newly hired teachers are assigned a mentor by the principal or designee. Mentor teachers are selected for their leadership qualities, professional achievements, and years of experience. Mentors assist novice teachers with instructional practices and strategies, classroom management techniques and data analysis. Mentor teachers and novice teachers schedules are coordinated in a way that will allow for collaborative planning.

**Ambitious Instruction and Learning**

**Instructional Programs and Strategies**

**Instructional Programs**

***Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards***

The school provides professional learning experiences and professional development for its faculty in the implementation of effective data-driven teacher planning that the Florida Standards and their Assessments in Reading, Math, Science and Social Studies.

**Instructional Strategies**

***Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments***

The data from the Year-at-a-Glance is used to identify historical levels of overall proficiency, as well as strengths and weaknesses in the specific clusters for reading (grades 3, 4, and 5), math (grades 3, 4 and 5) science (grade 5) and writing (grade 4).

I-Ready diagnostic assessment data, I-Ready progress monitoring data, and Mid-Year District Assessment data are also analyzed to determine areas of improvement,

***Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:***

**Strategy: After School Program**

**Minutes added to school year: 4,800**

Auburndale Elementary offers after school activities that contribute to a well rounded education. The community school program offers courses in drama, art, music, dance, sports and tutoring.

**Strategy Rationale**

The after-school program provides assistance with home-learning, a regularly scheduled program using Reading Plus, and reading-related arts and crafts.

**Strategy Purpose(s)**

- Core Academic Instruction
- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

de Posada, Dorothy, ddeposada@dadeschools.net

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Parent surveys are collected and analyzed to determine effectiveness of program. Additionally, the APCE conducts walk-throughs and examine lesson plans to ensure the fidelity and quality of the program.

**Student Transition and Readiness**

**PreK-12 Transition**

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another**

Overall strategies that Auburndale Elementary School uses to provide support to both incoming and outgoing cohorts of students as they transition from one school level to another are as follows:

- The school participates in feeder pattern articulation meetings to develop a specific plan for articulation.
- Processes are established for communicating the needs of incoming and exiting students for the purpose of instructional planning and the delivery of support services, including post-secondary planning.
- School bulletins are developed describing curriculum, school website information, operating procedures, student activities, expectations for student conduct and parent involvement.
- Course scope and sequences and placement procedures are reviewed to provide continuity in all programs.
- Meetings and school visits are scheduled for students, parents, and teachers with the receiving schools.
- Vertical teaming is practiced to open the lines of communication for teachers to align curriculum.
- Meetings between schools are conducted to include administrators and school counselors to promote programs, such as Magnets, Career and Technical Education (CTE) Programs and support curriculum.
- The school counselor regularly communicates with students and parents to address academic, personal and social aspects of the students.
- Meetings with parents of students in Special Education Programs (SPED) are scheduled to develop

#### Individual Educational Plan (IEP).

--Individual student progress is monitored to promote placement of students into academically challenging courses.

--Articulation for case management is conducted to ensure teachers and school counselors awareness of students' needs, including academic, personal/social, 504 accommodations, etc.

--Transition meetings are conducted for students involved in non-traditional grade configuration patterns.

--Transition and orientation curricula are implemented in the designated grades.

--Parent support workshops and parent meetings are conducted.

--Required procedures for English language proficiency screening and placement are implemented for students who are new to Miami Dade County Public Schools.

--Home language and/or alternative assessment procedures are used which are appropriate for English Language Learners (ELL) students, in content area courses, to ensure appropriate placement.

Specifically, with regard to the transition from Pre-K to K, Auburndale Elementary offers informational meetings and articulation events to nearby pre-schools and day care sites. Parent Orientation Day is also offered to parents of Pre-Kindergarten and Kindergarten students. Auburndale Elementary School also assesses all students prior to entering Kindergarten. The areas that were assessed were knowledge of English skills. The assessment instruments are the Comprehensive English Language Learning Assessment (CELLA) and The Florida Kindergarten Readiness Screener (FLKRS). These are administered to assess the readiness of each child for Kindergarten. The FLKRS includes a subset of the Early Childhood Observation System (ECHOS) to gather information on a child's development in emergent literacy. Data was used to plan instruction and determine need for interventions. Core academic and behavioral instruction is based on data and includes social skills instruction. Screening tools will be re-administered mid-year and at the end of the year. Early childhood programs are encouraged to visit our Elementary School. Invitations are sent to neighboring pre-school programs.

To assist students in the Kindergarten to first grade academic transition and continuing the academic transitions through the elementary grades and including the transition from grade 5 to 6, the i-Ready assessment is administered three times per year and student progress is monitored throughout the year. I-Ready remediation and enrichment is provided for reading and mathematics. With regard to ELL students, the Comprehensive English Language Learning Assessment (CELLA) is administered to all current and eligible English Language Learners (ELL) and students are provided with appropriate academic placement. ESOL students receive two or more hours of instruction in English. Levels 1 and 2 are provided with instruction in reading and writing, composition, handwriting, and spelling within the English program in both the ESOL classroom or in the regular classroom. In math, science and social studies, students are scheduled for bi-lingual instruction. ESOL students at Levels 2 through 4 receive instruction in English language development, i.e., vocabulary, listening, and speaking. Instruction in reading is based on the grade level Florida State Assessment Standards for English Language Arts and includes phonemic awareness, phonics, and reading comprehension. Language arts skills in grammar, spelling, and effective writing are monitored and assessed regularly. To provide assistance to the students' general welfare as they transition from first grade through fifth, transition sessions are conducted with the following strategies:

--Basic school information, e.g., graduation requirements, programs of study;

--Implementing conflict resolution activities;

--Understanding transition issues from the student's and parent's perspective;

--Understanding student's learning styles;

--Acknowledging students early warning signs to avoid future conflicts;

--Identifying student discipline, e.g., positive reinforcement;

--Providing parents with the Student Exhibition dates and expectations;

--Providing a formal forum for open dialogue based on RtI to ensure parental support.

Specifically with regard to the transition from fifth to sixth grade, transition sessions will be implemented by the school counselor as follows:

--Four (4) lesson plans (2 hours/block period) using the Student Personal Reflection Guide.  
--Lessons will include: requirements for middle school, organizational skills, confronting/resolving fears and insecurities, and interpersonal and communication skills for dealing with new people and new experiences.  
--All lessons incorporate literacy skills, home learning/parent components and accommodations for diverse learners  
--All lessons are aligned with the Student Development Framework.  
Additionally, transition sessions will be implemented between elementary and middle schools. The sessions will address the areas of educational, personal/social, career/community awareness, and health and wellness.

## Needs Assessment

### Problem Identification

#### Data to Support Problem Identification

##### Portfolio Selection

Portfolio selection is not required by the Florida Department of Education but is offered as a tool for needs assessment.

##### Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

#### Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

### **Problem Analysis Summary**

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying “why” or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

## Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.
