**Note:** The school grades calculation was revised substantially for the 2014-15 school year to implement statutory changes made by the 2014 Legislature and incorporate the new Florida Standards Assessments. The 2014-15 school grades serve as informational baseline data that schools can use to improve in future years.

### School Board Approval

This plan is pending approval by the Pasco County School Board.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

### DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A, B or C with at least one F in the prior three years
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-C with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

## Part I: Current School Status

### Supportive Environment

#### School Mission and Vision

##### **Provide the school's mission statement**

Our school will empower all children to reach their highest potential in a positive, supportive, child-centered learning environment that encourages collaboration and respect to meet individual needs.

##### **Provide the school's vision statement**

We will teach our students the knowledge, skills and dispositions they need in order to have endless possibilities after graduation.

#### School Environment

##### **Describe the process by which the school learns about students' cultures and builds relationships between teachers and students**

Instructional staff participated in a bus ride through our school zone on the first day of planning week. Teachers were able to get off the bus in several neighborhoods and passed out school supplies to students.

Teachers begin to build relationships with our students and families by calling each home prior to the start of the school year to introduce themselves and to welcome them to Hudson Elementary. Relationships are reinforced as teachers greet students at the classroom door every morning.

##### **Describe how the school creates an environment where students feel safe and respected before, during and after school**

Staff is on duty during arrival and dismissal to support and greet students. Our school-wide expectations are for students to be respectful, responsible and safe. These expectations are posted throughout the school with location specific examples of what those expectations look like (ie cafeteria, hallway, playground, etc).

##### **Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced**

School-wide expectations are posted around the school and communicated daily through the news. Our tier 1 PBIS plan requires teachers to post and teach classroom rules and to have an agreed upon team-wide behavior system. The behavior specialist, graduation enhancement teacher and school counselor support teachers with classroom management, problem solving individual students concerns and developing and implementing behavior intervention plans and FBA's.

The Behavior Education Program (BEP) serves students needing tier 2 support for behavior. This support includes daily check in/check out with a designated staff mentor and home-school communication regarding the students behavior throughout the day.

Professional development is provided throughout the year to reinforce consistent expectations.

##### **Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services**

Our student services team consists of a school counselor, social worker, school psychologist and nurse among others who support the social-emotional needs of our students. Tier 1 support includes

monthly guidance lessons. Tier 2 includes small needs based groups facilitated by the school counselor and/or graduation enhancement teacher.

**Early Warning Systems**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

**Describe the school's early warning system and provide a list of the early warning indicators used in the system**

Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension  
 One or more suspensions, whether in school or out of school  
 Course failure in English Language Arts or mathematics  
 A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics

**Provide the following data related to the school's early warning system**

*The number of students by grade level that exhibit each early warning indicator:*

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	6	18	18	21	23	16	102
One or more suspensions	0	4	4	6	12	7	33
Course failure in ELA or Math	1	4	3	4	6	14	32
Level 1 on statewide assessment	0	0	0	0	3	18	21

*The number of students identified by the system as exhibiting two or more early warning indicators:*

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Students exhibiting two or more indicators	1	4	1	5	7	11	29

**Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system**

Support Facilitation teachers support students as they work toward their IEP goals. Each support facilitator serves two grade levels in all academic areas.  
 Reading Intervention teachers have been assigned to serve students in grades K-1 and 2-3. Their role is to facilitate the planning and implementation of interventions for our students who are at risk in reading.  
 Classroom teachers collaborate to provide interventions in reading and math as a team.  
 Interventions may include: Leveled Literacy Intervention (LLI), iReady Math, iRead, Extended School Day, additional small group instruction, more frequent 1:1 conferencing.

**Family and Community Involvement**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress**

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

### Will the school use its PIP to satisfy this question?

Yes

#### **PIP Link**

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

#### **Description**

Increase the number academic, school-based activities offered to families during the year.

### **Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

Our Partner in Education programs goal is to enhance our educational program to help our students reach their highest potential. Partnerships between the business and school are used to recognize students who have made improvements and/or to celebrate and achievement. We invite our business partners to participate in our events and send them a monthly newsletter. Partners are thanked during the year with thank-you notes and recognition on our school marquee.

### **Effective Leadership**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

#### **School Leadership Team**

##### **Membership:**

<b>Name</b>	<b>Title</b>
Graziaplene, Tracy	Principal
Hlady, Tracy	Assistant Principal
Broughton, Kristin	Instructional Coach
Divino, Barbara	Teacher, K-12

##### **Duties**

#### **Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making**

The school based leadership team consists of grade level facilitators, intervention teachers, guidance, behavior specialists and administration. SBLT members are responsible for leading and facilitating their grade level Professional Learning Communities as they plan for instruction, review data, and implement SIP strategies. The SBLT meets twice a month after school to review data and provide professional development for team members.

#### **Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact**

The school-based leadership team meets twice a month for the purpose of monitoring our MTSS and progress toward our SIP goals. The team will review grade level data from common benchmark assessments to measure progress. In addition, the team will conduct instructional walkthroughs and

collect data on the implementation of SIP strategies across the school. These data points will guide professional development and coaching supports for teachers, and intervention support for students. Title 1 funding is used to support our SIP initiatives. This year funds were used to purchase 2 Reading Intervention Teachers, 1 Graduation Enhancement Teacher, .4 Social Worker (2 days) and stipends for parent conference nights.

**School Advisory Council (SAC)**

**Membership:**

Name	Stakeholder Group
Tracy Graziaplene	Principal
	Parent
	Business/Community
	Education Support Employee
	Teacher
	Parent

**Duties**

***Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes***

*Evaluation of last year's school improvement plan*

End of year data was reviewed with the SAC at our final meeting. The committee approved the use of SAC funds to continue to support schoolwide initiatives aligned to our SIP for the current school year.

*Development of this school improvement plan*

The SIP goals and action plans will be shared with the SAC during our first meeting for discussion and approval. SAC members will review the school-wide data used to develop the goals and identified action steps in the SIP.

*Preparation of the school's annual budget and plan*

The principal will present the Title 1 budget to the committee and explain how expenditures align to SIP goals.

***Describe the use of school improvement funds allocated last year, including the amount budgeted for each project***

Instructional Materials, Parent Involvement activities

***Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC***

No

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

Pending initial SAC meeting for the 2015-16 school year.

**Literacy Leadership Team (LLT)**

**Membership:**

Name	Title
Hlady, Tracy	Assistant Principal

### Duties

#### ***Describe how the LLT promotes literacy within the school***

The Lead Literacy Team supports the implementation of the Florida Standards and monitors assessment data across the school. We build capacity within the LLT for the implementation of literacy best practices and use of curricular resources. LLT members impact the learning of others as they collaboratively plan with their PLC's.

### Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

#### **Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction**

Teachers meet weekly in grade level Professional Learning Communities for the purpose of collaboratively planning. Teams agree on focus standards, expected proficiency levels, common assessments and plan for instruction based on assessment results.

#### **Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school**

Administrators will work with the Office for Human Resources and Educator Quality to hire teachers who are highly qualified and certified in their area of responsibility. In addition, the teacher evaluation system, job-embedded professional development, and school-wide recognitions will be used to retain highly effective teachers.

#### **Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities**

New teachers will be paired with a mentor to support them during their first year of teaching. Mentors will be selected based on experience and effectiveness in a similar teaching position. Mentors will meet monthly with their new teacher. In addition to the mentor-mentee relationship, new teachers will meet as a group to assist them build knowledge of school specific procedures, culture and to support on areas of common need. All new teachers were given a handbook to help orient them to school and district expectations.

### Ambitious Instruction and Learning

#### **Instructional Programs and Strategies**

##### **Instructional Programs**

#### ***Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards***

We follow district curriculum maps for all content areas and utilize district approved curriculum resources. Teachers and coaches utilize CPALMS for support with Florida's standards.

##### **Instructional Strategies**

**Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments**

PLC's routinely review grade level common assessment data and use results to differentiate instruction for students. This may include re-grouping students to provide intervention and/or enrichment. In addition to PLC data reviews, teachers are participating in team-based intervention planning to problem solve individual students who need additional supports in order to achieve grade level standards.

**Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:**

**Strategy:** Extended School Day

**Minutes added to school year:** 0

Extended School Day provides additional explicit instruction in math and/or reading. We have not yet received information regarding extended school year opportunities for the 2015-16 school year.

**Strategy Rationale**

**Strategy Purpose(s)**

- Core Academic Instruction

**Person(s) responsible for monitoring implementation of the strategy**

Hlady, Tracy, thlady@pasco.k12.fl.us

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Pre/Post data is reviewed to determine if the student made progress as a result of the extended day program.

**Strategy:** Summer Program

**Minutes added to school year:** 5,040

All 3rd grade students scoring a Level 1 on FCAT 2.0 Reading are invited to attend Summer Reading Camp. Students receive explicit instruction in reading and receive support from the teacher during one on one student:teacher conferences. Small groups meet daily and are targeted to student needs.

**Strategy Rationale**

**Strategy Purpose(s)**

""

**Person(s) responsible for monitoring implementation of the strategy**

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Teachers assess students on high frequency words, informal conferencing notes and the SAT.

## Student Transition and Readiness

### PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

***Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another***

The teacher for our Pre-K class plans with our kindergarten PLC.

We offer a kinder camp for incoming kindergarten students in order for them to become familiar with the school and school routines. Parents are invited in for a portion of this camp in order to provide them with information regarding kindergarten expectations.

Kindergarten students are assessed prior to, or upon entering, in order to determine individual and group needs and to assist in the development of effective, core and supplemental instruction. Screening tools include FLKRS and IRLA.

### College and Career Readiness

***Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations***

***Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs***

***Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement***

***Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes***

## Needs Assessment

### Problem Identification

#### Data to Support Problem Identification

##### Portfolio Selection

Portfolio selection is not required by the Florida Department of Education but is offered as a tool for needs assessment.

##### Data Uploads

Data uploads are not required by the Florida Department of Education but are offered as a tool for the needs assessment. In this section, the school may upload files of locally available data charts and graphs being used as evidence of need.

The following documents were submitted as evidence for this section:

.

#### Problem Identification Summary

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the points of strength and areas of need that have been identified in the data.

**Problem Analysis Summary**

This section is not required by the Florida Department of Education but is provided as an opportunity for the school to summarize the underlying “why” or root causes for the areas of need identified in the data, as determined by situational awareness of, and research conducted by, the stakeholders involved in the needs assessment.

## School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

### Problem Solving Key

**G** = Goal

**B** =  
Barrier

**S** = Strategy

**1** = Problem Solving Step     S123456 = Quick Key

## Strategic Goals Summary

- G1.** Professional Learning Communities will continue to utilize, and strengthen their use of, Marzano's Instructional Framework to ensure all student learning experiences match the rigor of the standards.
- G2.** Teacher teams will use data to identify, support, and monitor needs of at-risk students to develop core, supplemental and intensive, targeted interventions.
- G3.** Together we will create opportunities to forge purposeful relationships with our colleagues, students, families and community members to increase staff and student engagement.

## Strategic Goals Detail

*For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal*

**G1. Professional Learning Communities will continue to utilize, and strengthen their use of, Marzano's Instructional Framework to ensure all student learning experiences match the rigor of the standards.** 1a

Indicator	Annual Target
FSA English Language Arts - Achievement	75.0
ELA Achievement District Assessment	75.0
FSA Mathematics - Achievement	75.0
Math Achievement District Assessment	75.0
FCAT 2.0 Science Proficiency	45.0

**Resources Available to Support the Goal** 2

- State, Regional and School-based Coaches
- Weekly PLC time for collaborative planning
- Professional Development Schedule
- Marzano Resources (Canvas site, books, School Matters newsletter)
- Daily scheduled Cougar Time for Reading Intervention
- IRLA / Action 100 (K-2)
- Discovery Education Benchmark Assessments (3-5 ELA, Math and Science)
- iRead (K-2) and iReady (3-5)

**Targeted Barriers to Achieving the Goal** 3

- Teachers have varying levels of understanding of how to use the Marzano Instructional Framework as a tool for planning and implementing rigorous and differentiated daily lessons aligned with grade level standards.

**Plan to Monitor Progress Toward G1.** 8

Monitor student quarterly assessment data and formative assessment data to monitor student mastery of standards.

## Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

**Schedule**

Quarterly, from 10/23/2015 to 5/31/2016

**Evidence of Completion**

Reflection Logs in MyPGS, monitored by administration.

**Plan to Monitor Effectiveness of Implementation of G1.B1.S6 7**

DP elements will be monitored through reflection logs, formal and informal observations.

**Person Responsible**

Tracy Graziaplene

**Schedule**

Semiannually, from 10/5/2015 to 5/31/2016

**Evidence of Completion**

Administrator observations will be used as evidence of growth in DP element. PLC rubrics will also indicate a stronger use of framework elements during planning.

**G2.** Teacher teams will use data to identify, support, and monitor needs of at-risk students to develop core, supplemental and intensive, targeted interventions. 1

**G3.** Together we will create opportunities to forge purposeful relationships with our colleagues, students, families and community members to increase staff and student engagement. 1

G072857

**G3.B5** Lack of student attendance for the entire school day (tardies, early releases, unexcused absences) 2

B190200

**G3.B5.S2** Notify families when absences exceed 10% of school days and/or if tardies/early releases exceed 5. 4

S201566

### Strategy Rationale

If families are aware that the school is monitoring attendance, attendance will improve.

### Action Step 1 5

The office staff will track student tardies and early releases and notify administration when students reach 5 of either. Administration will contact families via US Mail to communicate the importance of bell to bell attendance.

#### Person Responsible

Tracy Graziaplene

#### Schedule

Monthly, from 9/28/2015 to 3/31/2016

#### Evidence of Completion

Tardy data can be found in Terms. Early Release data will be tracked by front office staff.

### Action Step 2 5

Administration will monitor student attendance in TERMS and notify parents via US Mail when students have missed 10% of school days. Administration and teachers will also recognize perfect attendance for individual students and classes.

#### Person Responsible

Tracy Graziaplene

#### Schedule

Monthly, from 9/28/2015 to 5/31/2016

#### Evidence of Completion

Student attendance data in TERMS.

**Plan to Monitor Fidelity of Implementation of G3.B5.S2 6**

The attendance committee and SBLT's will review monthly attendance data from TERMS and monitor the number of students exceeding 10% absences and excessive tardies/early releases.

**Person Responsible**
